SUMMARY ANALYSIS

Current law provides an alternative dispute resolution process that persons must follow regarding construction defects that is only applicable to residential property owners. Before a lawsuit can be initiated against a contractor, subcontractor, supplier, or design professional for an alleged construction defect, the claimant must serve written notice of the claim to the defendant and provide an opportunity to resolve that claim.

This bill expands the requirement to provide notice and an opportunity to cure to all construction.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Safeguard Individual Liberty – This bill extends the alternative dispute resolution mechanism regarding construction defects to any property owner, not just owners of residential property.

Promote Personal Responsibility – This bill provides that in construction disputes, all property owners must file a written notice of claim and provide an opportunity to resolve the claim for contractors, subcontractors, suppliers, or design professionals purported to be responsible for construction defects.

B. EFFECT OF PROPOSED CHANGES:

Background

In order to reduce the need for litigation and to protect the rights of homeowners, ch. 558, F.S., was created in 2003 to provide an alternative dispute resolution process that persons must follow regarding construction defects in residential property. Before a lawsuit can be initiated against a contractor, subcontractor, supplier, or design professional for an alleged construction defect, the claimant must serve written notice of the claim to the defendant and provide an opportunity to resolve that claim.¹ The provisions of this chapter apply to the following types of construction:²

- Single family homes
- Manufactured or modular homes
- Duplexes
- Triplexes
- Quadruplexes
- Condominiums
- Cooperative Units

Notice³

A claimant must serve a written notice of claim within 15 days after discovering the alleged defect, but the failure to do so does not bar the filing of an action. The notice must be served no later than 60 days prior to the filing of an action involving a single family home, an association representing 20 or fewer residential parcels, a manufactured or modular home, a duplex, triplex, or a quadruplex or at least 120 days prior to the filing of an action involving an association representing more than 20 residential parcel owners. The notice must describe the claim in reasonable detail sufficient to determine the nature of each alleged construction defect, and it must include a description of the damage or loss resulting from the defect. Once notice has been properly served, a claimant may file an action.

Opportunity to Repair⁴

Within 30 days after receipt of the notice of claim or 50 days with a notice of claim involving an association representing more than 20 residential parcels, the recipient is entitled to perform a reasonable inspection of the dwelling alleged to have a construction defect. A claimant must provide access to the dwelling during normal working hours such that the nature and cause of the defect as well as the extent to which repairs are needed to remedy the defect can be determined. If destructive testing is necessary to determine the nature and cause of the alleged defect, the recipient must notify

¹ s. 558.004, F.S.

² s. 558.002(7), F.S.

³ s. 558.004(1), F.S.

⁴ s. 558.004(2)(a)-(f), F.S.

the claimant in writing, describing specific aspects of the test. If a claimant promptly objects to the testing, the recipient must provide the claimant a list of three qualified persons from which the claimant may select one to perform the testing. If a claimant fails or refuses to agree to destructive testing, the claimant has no claim for damages which could have been avoided or mitigated had the destructive testing been allowed when requested.

Forwarding a Copy of the Notice of Claim⁵

Within 10 days after receipt of the notice of claim or 30 days with a notice of claim involving an association representing more than 20 residential parcels, the recipient may forward a copy of the notice of claim to each contractor, subcontractor, supplier, or design professional reasonably believed to be responsible for each defect, noting the specific defect each is believed to be responsible for. Such persons will be entitled to inspect the dwelling as provided for in s. 558.004(2), F.S.

Written Response to Copy of Notice of Claim⁶

Within 15 days after receipt of the copy of the notice of claim or 30 days with a copy of the notice of claim involving an association representing more than 20 residential parcels, the recipient must serve a written response to the person who forwarded the copy of the notice of claim. The response should indicate the findings and results of the inspection, a statement as to whether the recipient is willing to make repairs to remedy the alleged defect, and a timetable concerning its completion.

Written Response to Claimant After Receipt of Initial Notice of Claim⁷

Within 45 days after receiving notice of claim or 75 days with a notice of claim involving an association representing more than 20 residential parcels, the recipient must serve a written response to the claimant providing for one of the following:

- A written offer to remedy the alleged construction defect at no cost to the claimant, a detailed description of the proposed repairs necessary to remedy the defect, and a timetable regarding completion;
- A written offer to compromise and settle the claim by monetary payment that will not obligate the person's insurer, and a timetable for making payments;
- A written offer to compromise and settle the claim by a combination of repairs and monetary payment in the manners stated above;
- A written statement that the person disputes the claim and will not remedy the defect or compromise and settle the claim; or
- A written statement that a monetary payment will be determined by the person's insurer within 30 days after simultaneous notification to the insurer and the claimant of this settlement option, which the claimant can accept or reject. If the insurer does not respond within the 30 days following notification, the claimant shall be deemed to have met all conditions precedent to commencing an action.

Claimant's Acceptance of an Offer⁸

If a claimant accepts an offer to repair the alleged construction defect, the claimant shall provide the offeror and the offeror's agents reasonable access to the dwelling during normal working hours. If the offeror does not repair or make payment within the agreed time and manner, except for reasonable delays beyond the offeror's control, the claimant may proceed with an action against the offeror. If the offeror does make payment or repairs within the agreed time and manner, the claimant is barred from proceeding with an action.

⁵ s. 558.004(3), F.S.

⁶ s. 558.004(4), F.S.

⁷ s. 558.004(5)(a)-(e), F.S.

⁸ s. 558.004(8), F.S.

Any offer or failure to offer to remedy an alleged defect or to compromise and settle the claim by monetary payment does not constitute an admission of liability and is inadmissible in an action brought under ch. 558, F.S.⁹

After receipt of the first initial notice of claim, a claimant and the recipient may alter the procedure for the notice of claim process by written mutual agreement.¹⁰

Effect of Bill

This bill amends ss. 558.001, 558.002, 558.004, and 558.005, F.S., to provide that the procedures set forth in ch. 558, F.S., apply to not only residential property owners but to all real property owners. All terms related to residential property are replaced with terms relating to real property.

Because this bill changes the scope of its application from residential construction to all construction related to real property, it has the effect of removing disputes regarding manufactured or modular homes from its provisions, unless the manufactured or modular home is permanently affixed to real property.

C. SECTION DIRECTORY:

Section 1 amends s. 558.001, F.S., to amend legislative findings.

Section 2 amends s. 558.002, F.S., to amend the definitions relating to residential property or homeowners with those relating to real property and property owners, respectively.

Section 3 amends s. 558.004, F.S., to expand the requirements of notice and opportunity to cure to all construction.

Section 4 amends s. 558.005, F.S., by replacing the terms relating to residential property in the notice of claim required for a contract to be subject to this section with terms relating to real property. It also provides that the notice requirements put forth in this section apply to contracts entered into on or after October 1, 2006.

Section 5 provides an effective date of October 1, 2006.

558.001 Legislative findings and declaration.--The Legislature finds that it is beneficial to have an alternative method to resolve construction disputes that would reduce the need for litigation as well as protect the rights of property owners ~~homeowners~~. An effective alternative dispute resolution mechanism in certain construction defect matters should involve the claimant filing a notice of claim with the contractor, subcontractor, supplier, or design professional that the claimant asserts is responsible for the defect, and should provide the contractor, subcontractor, supplier, or design professional with an opportunity to resolve the claim without resort to further legal process.

94 read:

95 558.004 Notice and opportunity to repair.--

96 (1) In actions brought alleging a construction defect, the
97 claimant shall, at least 60 days before filing any ~~an~~ action
98 ~~involving a single family home, an association representing 20~~
99 ~~or fewer residential parcels, a manufactured or modular home, a~~
100 ~~duplex, a triplex, or a quadruplex~~, or at least 120 days before
101 filing an action involving an association representing more than
102 20 parcels residential parcel owners, serve written notice of
103 claim on the contractor, subcontractor, supplier, or design
104 professional, as applicable, which notice shall refer to this
105 chapter. If the construction defect claim arises from work
106 performed under a contract, the written notice of claim must be
107 served on the person with whom the claimant contracted. The
108 notice of claim must describe the claim in reasonable detail
109 sufficient to determine the general nature of each alleged
110 construction defect and a description of the damage or loss
111 resulting from the defect, if known. The claimant shall endeavor
112 to serve the notice of claim within 15 days after discovery of

HB 1139

2006

113 an alleged defect, but the failure to serve notice of claim
114 within 15 days does not bar the filing of an action, subject to
115 s. 558.003. This subsection does not preclude a claimant from
116 filing an action sooner than 60 days, or 120 days as applicable,
117 after service of written notice as expressly provided in
118 subsection (6), subsection (7), or subsection (8).

119 (2) Within 30 days after receipt of the notice of claim
120 ~~involving a single family home, an association representing 20~~
121 ~~or fewer residential parcels, a manufactured or modular home, a~~
122 ~~duplex, a triplex, or a quadruplex,~~ or within 50 days after
123 receipt of the notice of claim involving an association
124 representing more than 20 residential parcels, the person
125 receiving the notice of claim under subsection (1) is entitled
126 to perform a reasonable inspection of the property dwelling or
127 of each unit subject to the claim to assess each alleged
128 construction defect. An association's right to access property
129 for either maintenance or repair includes the authority to grant
130 access for the inspection. The claimant shall provide the person
131 receiving the notice under subsection (1) and such person's
132 contractors or agents reasonable access to the property dwelling
133 during normal working hours to inspect the property dwelling to
134 determine the nature and cause of each alleged construction
135 defect and the nature and extent of any repairs or replacements
136 necessary to remedy each defect. The person receiving notice
137 under subsection (1) shall reasonably coordinate the timing and
138 manner of any and all inspections with the claimant to minimize
139 the number of inspections. The inspection may include
140 destructive testing by mutual agreement under the following

HB 1139

2006

141 reasonable terms and conditions:

142 (a) If the person receiving notice under subsection (1)
143 determines that destructive testing is necessary to determine
144 the nature and cause of the alleged defects, such person shall
145 notify the claimant in writing.

146 (b) The notice shall describe the destructive testing to
147 be performed, the person selected to do the testing, the
148 estimated anticipated damage and repairs to the property
149 ~~dwelling~~ resulting from the testing, the estimated amount of
150 time necessary for the testing and to complete the repairs, and
151 the financial responsibility offered for covering the costs of
152 repairs.

153 (c) If the claimant promptly objects to the person
154 selected to perform the destructive testing, the person
155 receiving notice under subsection (1) shall provide the claimant
156 with a list of three qualified persons from which the claimant
157 may select one such person to perform the testing. The person
158 selected to perform the testing shall operate as an agent or
159 subcontractor of the person receiving notice under subsection
160 (1) and shall communicate with, submit any reports to and be
161 solely responsible to the person receiving notice.

162 (d) The testing shall be done at a mutually agreeable
163 time.

164 (e) The claimant or a representative of the claimant may
165 be present to observe the destructive testing.

166 (f) The destructive testing shall not render the property
167 ~~dwelling~~ uninhabitable.

168

HB 1139

2006

169 In the event the claimant fails or refuses to agree to
170 destructive testing, the claimant shall have no claim for
171 damages which could have been avoided or mitigated had
172 destructive testing been allowed when requested and had a
173 feasible remedy been promptly implemented.

174 (3) Within 10 days after receipt of the notice of claim
175 ~~involving a single-family home, an association representing 20~~
176 ~~or fewer residential parcels, a manufactured or modular home, a~~
177 ~~duplex, a triplex, or a quadruplex,~~ or within 30 days after
178 receipt of the notice of claim involving an association
179 representing more than 20 ~~residential~~ parcels, the person
180 receiving the notice under subsection (1) may forward a copy of
181 the notice of claim to each contractor, subcontractor, supplier,
182 or design professional whom it reasonably believes is
183 responsible for each defect specified in the notice of claim and
184 shall note the specific defect for which it believes the
185 particular contractor, subcontractor, supplier, or design
186 professional is responsible. Each such contractor,
187 subcontractor, supplier, and design professional may inspect the
188 property dwelling as provided in subsection (2).

189 (4) Within 15 days after receiving a copy of the notice of
190 claim pursuant to subsection (3) ~~involving a single-family home,~~
191 ~~an association representing 20 or fewer residential parcels, a~~
192 ~~manufactured or modular home, a duplex, a triplex, or a~~
193 ~~quadruplex,~~ or within 30 days after receipt of the copy of the
194 notice of claim involving an association representing more than
195 20 ~~residential~~ parcels, the contractor, subcontractor, supplier,
196 or design professional must serve a written response to the

HB 1139

2006

197 person who forwarded a copy of the notice of claim. The written
198 response shall include a report, if any, of the scope of any
199 inspection of the property dwelling, the findings and results of
200 the inspection, a statement of whether the contractor,
201 subcontractor, supplier, or design professional is willing to
202 make repairs to the property dwelling or whether such claim is
203 disputed, a description of any repairs they are willing to make
204 to remedy the alleged construction defect, and a timetable for
205 the completion of such repairs.

206 (5) Within 45 days after receiving the notice of claim
207 ~~involving a single-family home, an association representing 20~~
208 ~~or fewer residential parcels, a manufactured or modular home, a~~
209 ~~duplex, a triplex, or a quadruplex,~~ or within 75 days after
210 receipt of a copy of the notice of claim involving an
211 association representing more than 20 ~~residential~~ parcels, the
212 person who received notice under subsection (1) must serve a
213 written response to the claimant. The response shall be served
214 to the attention of the person who signed the notice of claim,
215 unless otherwise designated in the notice of claim. The written
216 response must provide:

217 (a) A written offer to remedy the alleged construction
218 defect at no cost to the claimant, a detailed description of the
219 proposed repairs necessary to remedy the defect, and a timetable
220 for the completion of such repairs;

221 (b) A written offer to compromise and settle the claim by
222 monetary payment, that will not obligate the person's insurer,
223 and a timetable for making payment;

224 (c) A written offer to compromise and settle the claim by

HB 1139

2006

225 a combination of repairs and monetary payment, that will not
226 obligate the person's insurer, that includes a detailed
227 description of the proposed repairs and a timetable for the
228 completion of such repairs and making payment;

229 (d) A written statement that the person disputes the claim
230 and will not remedy the defect or compromise and settle the
231 claim; or

232 (e) A written statement that a monetary payment, including
233 insurance proceeds, if any, will be determined by the person's
234 insurer within 30 days after notification to the insurer by
235 means of forwarding the claim, which notification shall occur at
236 the same time the claimant is notified of this settlement
237 option, which the claimant can accept or reject. A written
238 statement under this paragraph may also include an offer under
239 paragraph (c), but such offer shall be contingent upon the
240 claimant also accepting the determination of the insurer whether
241 to make any monetary payment in addition thereto. If the insurer
242 for the person receiving the claim makes no response within the
243 30 days following notification, then the claimant shall be
244 deemed to have met all conditions precedent to commencing an
245 action.

246 (8) If the claimant timely and properly accepts the offer
247 to repair an alleged construction defect, the claimant shall
248 provide the offeror and the offeror's agents reasonable access
249 to the claimant's property dwelling during normal working hours
250 to perform the repair by the agreed-upon timetable as stated in
251 the offer. If the offeror does not make the payment or repair
252 the defect within the agreed time and in the agreed manner,

HB 1139

2006

except for reasonable delays beyond the control of the offeror, including, but not limited to, weather conditions, delivery of materials, claimant's actions, or issuance of any required permits, the claimant may, without further notice, proceed with an action against the offeror based upon the claim in the notice of claim. If the offeror makes payment or repairs the defect within the agreed time and in the agreed manner, the claimant is barred from proceeding with an action for the claim described in the notice of claim or as otherwise provided in the accepted settlement offer.

(9) This section does not prohibit or limit the claimant from making any necessary emergency repairs to the property dwelling as are required to protect the health, safety, and welfare of the claimant. In addition, any offer or failure to offer pursuant to subsection (5) to remedy an alleged construction defect or to compromise and settle the claim by monetary payment does not constitute an admission of liability with respect to the defect and is not admissible in an action brought under this chapter.

(14) To the extent that an arbitration clause in a contract for the sale, design, construction, or remodeling of real property a ~~dwelling~~ conflicts with this section, this section shall control.

Section 4. Section 558.005, Florida Statutes, is amended to read:

558.005 Contract provisions; application.--

(1) Except as otherwise provided in subsections (3) and (4), the provisions of this chapter shall control every contract

HB 1139

2006

for the design, construction, or remodeling of real property a dwelling entered into on or after July 1, 2004, which contains the notice as set forth in subsection (2) and is conspicuously set forth in capitalized letters.

(2) The notice required by subsection (1) must be in substantially the following form:

CHAPTER 558 NOTICE OF CLAIM

YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER WHICH MAY BE MADE. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THIS FLORIDA LAW WHICH MUST BE MET AND FOLLOWED TO PROTECT YOUR INTERESTS.

(3) After receipt of the initial notice of claim, a claimant and the person receiving notice under s. 558.004(1) may, by written mutual agreement, alter the procedure for the notice of claim process described in this chapter.

(4) This chapter applies to all actions accruing on or after July 1, 2004, and all actions commenced on or after such date, regardless of the date of sale, issuance of a certificate

311 of this section for contracts entered into on or after October

313 before July 1, 2004, but not yet commenced as of July 1, 2004,
314 and failure to include the notice requirements of this section
315 in a contract entered into prior to July 1, 2004, does not
316 operate to bar the procedures of this chapter from applying to
317 all such actions.

SUMMARY ANALYSIS

In 2004, the Legislature created the Advisory Council on Condominiums, in part to receive public input regarding issues of concern with respect to condominiums and recommendations for changes in the condominium law.

The bill provides that the Advisory Council on Condominiums must review part VI of ch. 718, F.S., concerning condominium conversions. The bill requires that the council submit a report to the Legislature by November 30, 2006, which evaluates whether such provisions provide adequate post-purchase protection for purchasers of condominium conversion properties, and that recommends any proposed legislation needed to improve the protection provided by part VI of ch. 718, F.S.

This bill does not appear to have a fiscal impact on state or local governments.

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government – This bill adds additional responsibilities for the Advisory Council on Condominiums.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

Advisory Council on Condominiums

In 2004, the Legislature created the Advisory Council on Condominiums, in part to receive public input regarding issues of concern with respect to condominiums and recommendations for changes in the condominium law.¹ The issues the council is required to consider include, but are not limited to, the rights and responsibilities of the unit owners in relation to the rights and responsibilities of the association.² The council is also charged with recommending necessary improvements to the education programs offered by the Division of Florida Land Sales, Condominiums, and Mobile Homes and reviewing, evaluating, and advising the division about revisions and adoption of rules affecting condominiums.³ The council is administratively assigned to the division within the Department of Business and Professional Regulation (DBPR).⁴ The members of the council serve on a voluntary basis, but are entitled to receive per diem and travel expenses while on official business.⁵

The Roth Act

In 1980, the Legislature enacted Part VI of the Condominium Act (ch. 718, F.S.), also known as the Roth Act, which addresses condominium conversions.⁶ The Roth Act is the result of a detailed report prepared by James S. Roth, the Director of what was formerly known as the Department of Professional Regulation, Division of Florida Land Sales and Condominiums. The Roth Report recommended that legislation be enacted to provide sufficient time and information so that tenants could make informed decisions about conversion of their rental facilities and protections to purchasing and nonpurchasing tenants.⁷

Part VI of the Condominium Act is devoted exclusively to condominiums which are created when existing improvements are converted to a residential condominium. This part of the Act provides protections to the existing renters in the building and to prospective purchasers of the converted condominium units. Renters are entitled to written notice of the proposed conversion and an option to extend their current lease. Each tenant has the right of first refusal to purchase the unit and the developer must provide basic background information to assist each tenant in evaluating the potential purchase.⁸

Section 718.616, F.S., requires each developer of a residential condominium to provide to new prospective purchasers and the ultimate owners of converted condominium units the same basic

disclosures that are required in all condominium developments.⁹ The developer must disclose the following information concerning the improvements:

- Date and type of construction;
- Prior use;
- Existence of any termite damage or infestation and whether it has been treated properly. A report from a certified pest control operator must substantiate the inspection.

The developer must also disclose the condition for each of the components listed in s. 718.616(3)(a), F.S. The components include the roof, structure, fireproofing and fire protection systems, elevators, heating and cooling systems, plumbing, electrical systems, swimming pools, seawalls, pavement and parking areas, and drainage systems. The developer must also disclose the components age, estimated remaining useful life, estimated current replacement cost, and structural and functional soundness.¹⁰ The disclosure must be substantiated by attaching a copy of a certificate by a Florida licensed architect or engineer under seal.¹¹

The developer is not required to certify that the replacement or renewal meets the requirements of the then-applicable building code. However, for purposes of funding a reserve account, this certification is required. The estimated current replacement cost of the component must be given as a total amount and as a per-unit amount based on each unit's proportional share of the common expenses.¹²

If the proposed condominium is situated within a municipality, the disclosure must include a letter from the municipality that acknowledges that it has been notified of the proposed conversion.¹³

Section 718.618, F.S., requires that once a conversion has taken place, the developer has to create financial safeguards for the condominiums. The developer must either: (1) establish reserve accounts for capital expenditures and deferred maintenance; (2) give implied warranties of fitness and merchantability for a period of three years beginning with the notice of intended conversion and continuing for three years, or the recording of the declaration to condominium and continuing for three years, or one year after owners other than the developer obtain control of the association, whichever occurs later; or (3) post a surety bond in an amount which would be equal to the total amount of all required reserve accounts payable to the association.¹⁴

A recent article on condominium conversions identified several issues regarding the conversion process.¹⁵ The article maintained that the current statutory law offered little protection for consumers and required limited accountability for developers. The article noted that once the condominium association assumes control over the converted condominium, it may face hidden structural problems and problems regarding the reserve accounts. Another criticism identified was that the corporations created for the conversion may be limited liability companies with little assets to be attached when problems arise after the conversion.¹⁶

Compliance with s. 718.618, F.S., does not shield the developer from all liability in connection with the components involved. The statute does not foreclose other legal actions based upon negligence, misrepresentation, strict liability, or similar liability actions.¹⁷

The Division of Florida Land Sales, Condominiums, and Mobile Homes in the Department of Business and Professional Regulation indicated the number of conversions in the table below.

Effect of Bill

The bill directs the Advisory Council on Condominiums to review part VI of ch. 718, F.S., concerning condominium conversions. The bill requires the council to submit a report to the Legislature by November 30, 2006. The report must evaluate whether such provisions provide adequate post-purchase protection for purchasers of condominium conversion properties and recommend any proposed legislation needed to improve the protection provided by part VI of ch. 718, F.S.

In particular, the bill requires that the report examine ss. 718.616 and 718.618, F.S., as they relate to:

- Whether the disclosures required by s. 718.616, F.S., provide adequate information to the purchaser; whether more specific guidelines regarding the contents of the reports should be established; and whether the creation of privity or potential liability between persons who certify such disclosure reports and the unit owners should be addressed; and
- Whether the provisions of s. 718.618, F.S., which require developers to fund reserve accounts or alternatives to such accounts, are adequate or should be modified.

C. SECTION DIRECTORY:

Section 1 requires the Advisory Council on Condominiums to review certain provisions related to protections of condominium conversions, and requiring a report to the Legislature.

Section 2 provides that the bill is effective upon becoming a law.

SUMMARY ANALYSIS

The Uniform Commercial Code governs commercial transactions. Article 1 of the Uniform Commercial Code ("UCC") provides definitions and general provisions which apply as default rules covering transactions and matters covered under different articles of the UCC. As parts of the UCC have been revised and amended to accommodate changing business practices and development in the law, these modifications are reflected in this bill. Thus, this bill contains many changes of a technical, non-substantive nature. Several changes reflect an effort to add greater clarity. Finally, developments in the law have led to the conclusion that certain changes of a substantive nature needed to be made.

The first substantive change is intended to clarify the scope of Article 1. The bill now expressly states that the substantive rules of Article 1 apply only to transactions within the scope of other articles of the UCC. Second, the bill attempts to define the application of supplemental principles of law, with distinctions about where the UCC is preemptive. Third, the statute of frauds requirement aimed at transactions beyond the coverage of the UCC has been deleted. The definition of "good faith" is revised to conform to the definition of good faith that applies in the majority of recently revised UCC articles. Finally, evidence of "course of performance" may be used to interpret a contract along with course of dealing and usage of trade.

The bill repeals the existing Florida Secured Transaction Registry ("FSTR"), and redefines that term. Currently, the FSTR is a centralized database in which financial statements are filed to register a secured party's interest in a loan secured by non-titled property. In 2001, the Department of State ("department") privatized the process of filing and maintaining the Florida Secured Transaction Registry, but retained sole and exclusive ownership of the materials and records of the registry. Currently, the department has the right to reclaim the registry if the private contractor does not perform the contract or becomes insolvent. This bill eliminates the definition and description of the FSTR, eliminates the provisions providing that the state maintains title and control over the records, and, in effect eliminates all oversight over a privatized state function.

The fiscal impact on the Department of State is unknown and likely significant. This bill does not appear to have a fiscal impact on local governments. This bill reduces UCC filing fees charged to the public. See Fiscal Comments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government --decreases the amount of governmental involvement with the Florida Secured Transaction Registry.

B. EFFECT OF PROPOSED CHANGES:¹

Background

The National Conference of Commissioners on Uniform State Laws (NCCUSL), now 114 years old, "provides states with non-partisan, well-conceived and well-drafted legislation that brings clarity and stability to critical areas of the law. NCCUSL's work supports the federal system and facilitates the movement of individuals and the business of organizations with rules that are consistent from state to state."² In 2001, the conference finalized the Revision of Uniform Commercial Code Article 1 - General Provisions. Currently, the act has been enacted in 14 states and the U.S. Virgin Islands, and is filed in the legislatures of 8 more.³ The NCCUSL provided the following information regarding the proposed act.⁴

Article 1 of the UCC⁵ provides definitions and general provisions which, in the absence of conflicting provisions, apply as default rules covering transactions and matters otherwise covered under a different article of the UCC. Article 2 of the UCC pertains to sales and transactions in goods.⁶ Article 3 governs negotiable instruments.⁷ Article 4 governs bank deposits and collections,⁸ whereas Article 5 is concerned with letters of credit.⁹ Article 7 pertains to documents of title,¹⁰ and Article 8 governs investment securities.¹¹ Article 9 encompasses secured transactions.¹² The final section of the UCC concerns leases.¹³

Current Article 1 is sub-divided into three parts. Part I is entitled "Short Title, Construction, Application and Subject Matter of Act."¹⁴ Part II is entitled "General Definitions and Principles of Interpretation."¹⁵

¹ The bulk of this analysis is specifically derived from the Business Law Section of the Florida Bar's report that incorporates National Conference of Commissioners on Uniform State Laws' ("NCCUSL") report which was graciously supplied to the Civil Justice Committee. The Drafting Committee ("the Drafting Committee") to revise Article 1 of the UCC included the following: Boris Auerbach, Marion W. Benfield, Jr. Amelia H. Boss, James C. McKay, Jr., H. ¹⁵ Sections 671.201-671.208, F.S.

Part III is entitled "Effective Date and Repealer."¹⁶ The following are significant substantive issues raised by changes from current Article 1.

Substantive Issues

Scope

Article 1 contains a relatively small number of substantive rules, but those rules are of fundamental importance. Occasionally courts and commentators have expressed uncertainty as to which transactions are governed by the substantive rules. Section 671.102, F.S. is amended to express a point that is implicit in current Article 1 – namely, that the substantive rules in Article 1 apply only to transactions within the scope of the other Articles.

Applicability of Supplemental Principles of Law

This bill merges sections (1) and (2) of current s. 671.102, F.S. (concerning the underlying purposes and policies of the UCC) and current s. 671.103, F.S. (concerning the applicability of supplemental principles of law) into a revised s. 671.103, F.S. The provisions have been combined to reflect the interrelationship between the Code's purposes and policies and the extent to which other law is available to supplement it.

Good Faith¹⁷

In the new definitions, the only significant substantive change lies in the definition of good faith. Section. 671.201(19), F.S. defined good faith simply as honesty in fact, a purely subjective definition containing no element of commercial reasonableness. In contrast, in Article 2¹⁸, the definition of good faith applicable to merchants means "honesty in fact and the observance of reasonable commercial standards of fair dealing in the trade." Over time, amendments to other Articles incorporated the broader standard adopting it for all parties in Articles 3, 4, 8, and 9. Only Revised Article 5 defines "good faith" solely in terms of subjective honesty. Article 6 has been deleted from the Florida Uniform Commercial Code, and Article 7 contains no reference to "good faith." Thus, adoption of the broader definition in Article 1 merely states generally the standard already applicable throughout the Code. The narrower definition in Article 5 is explicitly applicable to that chapter and will not be disturbed by this bill.

Only one Florida case has been found in which the holding relied on the narrower former definition of good faith. In *Espirito Santo Bank of Florida v. Agronomics Finance Corporation*, 591 So. 2d 1078 (3d DCA 1991), the court held that even though the bank had been negligent, it did not act in subjective bad faith so as to justify consequential damages under s. 674.104, F.S. (1989). Of course the bank's negligence might have been seen as a bad faith failure to observe reasonable commercial standards had the amended definition been in place. However, the legislative decision to make this change is not presented at this time. The decision to broaden the definition applicable to Article 4 was made soon after this case was decided when the 1992 Amendments to Article 4 were adopted; s. 674.104(2), F.S. (1992). The amendment to the definition of good faith in Article 1 will affect no change in the law currently applicable to the above case.

¹⁶ Sections 671.301-671.311, F.S.

¹⁷ On June 7, 2005, Governor M. Jodi Rell signed Connecticut HB 6985 into law, making Connecticut the ninth state (out of fourteen who have adopted some form of the proposed Uniform UCC Article One) to adopt the uniform "good faith" definition found in bill. Other states adopting the uniform good faith definition found in proposed 1-102(b)(20) include Arkansas, Delaware, Minnesota, Montana, Nevada, New Mexico, Oklahoma and Texas.

¹⁸ Section 672.103(1)(b), F.S.

Course of Performance

Section 671.205, F.S. adds the concept of "course of performance," currently utilized only in Article 2, to course of dealing and usage of trade as the contextual clues that a court may use to interpret a contract.

Statute of Frauds¹⁹

The Statute of Frauds "for kinds of personal property not otherwise covered" that appears in current s. 671.206, F.S. has been repealed in this bill. The Drafting Committee for the NCCUSL noted that the other Articles of the UCC make individual determinations as to writing requirements for transactions within their scope, so that the only effect of s. 671.206, F.S. was to impose a writing requirement on transactions not otherwise governed by the UCC. It was decided that it is inappropriate for Article 1 to impose that requirement.

Structural Issues

Relocation of Substantive Rules Embedded in Definitions

The Drafting Committee identified four cases in which definitions in s. 671.201 were made unnecessarily complicated by substantive rules embedded within them. Extracting those substantive rules and placing them in separate sections enables those rules to be presented more effectively and is more consistent with current drafting principles in many States.

Notice and Knowledge

The rules concerning notice and knowledge have been moved from their current location in three subsections of s. 671.201 to a separate substantive section. The Drafting Committee believes that, with this reorganization, the concepts are more clearly articulated and more easily found.

Distinguishing Leases from Security Interests

In Article 1, the definition of "security interest," s. 671.201(37), F.S. consists of a short paragraph elucidating a basic principle that resolves almost every issue, followed by over 50 lines of clarification and qualification that serve only one function – distinguishing "true leases" from transactions that are leases in form but security interests in substance. This extended rule even contains a nested definition of the term "present value," which it uses as part of drawing the distinction between true leases and security interests. The portion of the definition of "security interest" that distinguishes true leases from security interests has been moved to a separate substantive section. As a result, the remaining portion of the definition of "security interest" is shorter and clearer. The definition of "present value" is moved to its own definitional subsection.

Value

Whether a person acquires rights "for value" is at present the subject of a definitional provision in current s. 671.201(44), F.S. The provision is more appropriately articulated as a free-standing rule.

¹⁹ The statute of frauds is defined as "a statute (based on the English Statute of Frauds) designed to prevent fraud and perjury by requiring certain contracts to be in writing and signed by the party to be charged." Black's Law Dictionary 1422 (7th ed. 1999).

Section 3. Short Title; Scope of Chapter

New language is added in order to make the structure of Article 1 parallel with that of other Articles of the UCC. Moreover additional language is added to which is intended to resolve confusion that has occasionally arisen as to the applicability of the substantive rules in this article. This section makes clear that the rules in Article 1 apply to transactions to the extent that those transactions are governed by one of the other articles of the UCC. This article does not apply to transactions to the extent that they are governed by other law.

Section 5. Remedies to be Liberally Administered

This section is nearly identical to the existing s. 671.106, F.S. The revised section is intended to effect three propositions. The first is to negate the possibility of unduly narrow or technical interpretation of remedial provisions by providing that the remedies in the UCC are to be liberally administered to the end stated in this section. The second is to make it clear that compensatory damages are limited to compensation. They do not include consequential or special damages, or penal damages; and the UCC elsewhere makes it clear that damages must be minimized. The third purpose of subsection (1) is to reject any doctrine that damages must be calculable with mathematical accuracy. Compensatory damages are often at best approximate: they have to be proved with whatever definiteness and accuracy the facts permit, but no more.

Under the unchanged s. 671.106(2), F.S provides any right or obligation described in the UCC is enforceable by action, even though no remedy may be expressly provided, unless a particular provision specifies a different and limited effect. Whether specific performance or other equitable relief is available is determined not by this section but by specific provisions and by supplementary principles. Consequential" or "special" damages and "penal" damages are not defined in the UCC; rather, these terms are used in the sense in which they are used outside the UCC.

Section 6. Waiver or Renunciation of Claim or Right after Breach

Section 6 of the bill is drawn from s. 671.107, F.S. This section changes former law in two respects. First, s. 671.107, F.S, requiring the "delivery" of a "written waiver or renunciation" merges the separate concepts of the aggrieved party's agreement to forego rights and the manifestation of that agreement. This section separates those concepts, and explicitly requires agreement of the aggrieved party. Second, the revised section reflects developments in electronic commerce by providing for memorialization in an authenticated record.

This section makes consideration unnecessary to the effective renunciation or waiver of rights or claims arising out of an alleged breach of a commercial contract where the agreement effecting such renunciation is memorialized in a record authenticated by the aggrieved party. Its provisions, however, must be read in conjunction with the section imposing an obligation of good faith.

Section 7. General Definitions

This section defines 43 terms and phrases appearing throughout the UCC. Most of the definitions are taken from s. 671.201, F.S. with very little change. For the most part the changes are intended to clarify the definition or bring it up to date with modern commercial practice. A number of the subsections of s. 671.201, F.S. have been relocated to reflect the determination that they are truly substantive rather than purely definitional.

²⁰ This more extensive review of various sections of the bill does not address the sections covered elsewhere in the analysis or the sections containing the more routine modifications.

In order to make it clear that all definitions in the UCC – not just those in Article 1 – do not apply if the context otherwise requires, a new subsection (a) to that effect has been added. The reference to the “context” is intended to refer to the context in which the defined term is used in the UCC. In other words, the definition applies whenever the defined term is used unless the context in which the defined term is used in the statute indicates that the term was not used in its defined sense.

Other than minor stylistic changes, the definitions in this bill are as in Article 1 except as noted below.

- **Action.** Is unchanged from s. 671.201(1), F.S., and it was derived from similar definitions in the Uniform Negotiable Instruments Law, the Uniform Sales Act; the Uniform Warehouse Receipts Act; and the Uniform Bills of Lading Act.
- **Aggrieved party.** Essentially, this definition is unchanged from s. 671.201(2), F.S.
- **Agreement.** This definition is derived from s. 671.201(3), F.S. As used in the UCC the word is intended to include full recognition of usage of trade, course of dealing, course of performance and the surrounding circumstances as effective parts thereof, and of any agreement permitted under the provisions of the UCC to displace a stated rule of law. Whether an agreement has legal consequences is determined by applicable provisions of the UCC and, to the extent provided in the UCC, by the law of contracts.
- **Bank.** This definition is derived from s. 674.105(1), F.S.
- **Bearer.** This definition is essentially unchanged from s. 671.201(5), F.S., which was derived from the Uniform Negotiable Instruments Law.
- **Bill of Lading.** This definition is derived from s. 671.201(6), F.S. The references to airbills has been deleted as they are no longer necessary.
- **Branch.** This definition is unchanged from s. 671.201(7), F.S.,.
- **Burden of establishing.** This definition is unchanged from s. 671.201(8), F.S.
- **Buyer in ordinary course of business.** This definition is essentially unchanged from s. 671.201(9), F.S. The first sentence of paragraph makes clear that a buyer from a pawnbroker cannot be a buyer in ordinary course of business. The second sentence tracks Section 6-102(1)(m). It explains what it means to buy “in the ordinary course.” The penultimate sentence prevents a buyer that does not have the right to possession as against the seller from being a buyer in ordinary course of business. Concerning when a buyer obtains possessory rights. However, the penultimate sentence is not intended to affect a buyer’s status as a buyer in ordinary course of business in cases (such as a “drop shipment”) involving delivery by the seller to a person buying from the buyer or a donee from the buyer. The requirement relates to whether as against the seller the buyer or one taking through the buyer has possessory rights.
- **Conspicuous.** This definition is derived from s. 671.201(10), F.S. It states the general standard that to be conspicuous a term ought to be noticed by a reasonable person. Whether a term is conspicuous is an issue for the court. The subparagraphs set out several methods for making a term conspicuous. Requiring that a term be conspicuous blends a notice function (the term ought to be noticed) and a planning function (giving guidance to the party relying on the term regarding how that result can be achieved). Although these paragraphs indicate some of the methods for making a term attention-calling, the test is whether attention can reasonably be expected to be called to it. The statutory language should not be construed to permit a result that is inconsistent with that test.
- **Consumer.** This definition is derived from other portions of the UCC.

- **Contract.** This definition is essentially unchanged from s. 671.201(11), F.S.
- **Creditor.** This definition is unchanged from s. 671.201(12), F.S.
- **Defendant.** This definition is essentially unchanged from s. 671.201(13), F.S., which was derived from the Uniform Sales Act.
- **Delivery.** This definition is derived from s. 671.201(14), F.S.. The reference to certificated securities has been deleted in light of the more specific treatment of the matter elsewhere in the UCC.
- **Document of title.** This definition is unchanged from s. 671.201(15), F.S., which was derived from the Uniform Sales Act. By making it explicit that the obligation or designation of a third party as "bailee" is essential to a document of title, this definition clearly rejects any such result as obtained in *Hixson v. Ward*, 254 Ill.App. 505 (1929), which treated a conditional sales contract as a document of title. Also the definition is left open so that new types of documents may be included. It is unforeseeable what documents may one day serve the essential purpose now filled by warehouse receipts and bills of lading. Truck transport has already opened up problems which do not fit the patterns of practice resting upon the assumption that a bill can move through banking channels faster than the goods themselves can reach their destination. There lie ahead air transport and such probabilities as teletype transmission of what may some day be regarded commercially as "Documents of Title." The definition is stated in terms of the function of the documents with the intention that any document which gains commercial recognition as accomplishing the desired result shall be included within its scope. Fungible goods are adequately identified within the language of the definition by identification of the mass of which they are a part.

Dock warrants were within the Sales Act definition of document of title apparently for the purpose of recognizing a valid tender by means of such paper. In current commercial practice a dock warrant or receipt is a kind of interim certificate issued by steamship companies upon delivery of the goods at the dock, entitling a designated person to have issued to him at the company's office a bill of lading. The receipt itself is invariably nonnegotiable in form although it may indicate that a negotiable bill is to be forthcoming. Such a document is not within the general compass of the definition, although trade usage may in some cases entitle such paper to be treated as a document of title. If the dock receipt actually represents a storage obligation undertaken by the shipping company, then it is a warehouse receipt within this section regardless of the name given to the instrument.

The goods must be "described," but the description may be by marks or labels and may be qualified in such a way as to disclaim personal knowledge of the issuer regarding contents or condition. However, baggage and parcel checks and similar "tokens" of storage which identify stored goods only as those received in exchange for the token are not covered by this Article.

The definition is broad enough to include an airway bill.

- **Fault.** This definition is derived from s. 671.201(16), F.S. "Default" has been added to the list events constituting fault.
- **Fungible Goods.** This definition is derived from s. 671.201(17), F.S. The definition has been reorganized and references to securities have been deleted since other portions of the UCC no longer use the term "fungible" to describe securities.
- **Genuine.** This definition is unchanged from s. 671.201(18), F.S.
- **Good faith.** This definition modifies s. 671.201(19), F.S. See above discussion.

- **Holder.** This definition is derived from s. 671.201(20), F.S. The definition has been reorganized for clarity.
- **Insolvency proceedings.** This definition is essentially unchanged from s. 671.201(22), F.S.
- **Insolvent.** This definition is derived from s. 671.201(23), F.S. The three tests of insolvency – “generally ceased to pay debts in the ordinary course of business other than as a result of a bona fide dispute as to them,” “unable to pay debts as they become due,” and “insolvent within the meaning of the federal bankruptcy law” – are expressly set up as alternative tests and must be approached from a commercial standpoint.
- **Money.** This definition is essentially unchanged from s. 671.201(24), F.S. The test is that of sanction of government, whether by authorization before issue or adoption afterward, which recognizes the circulating medium as a part of the official currency of that government. The narrow view that money is limited to legal tender is rejected.
- **Organization.** The definition of this word, found in s. 671.201(28), F.S., has been replaced with the standard definition used in acts prepared by the National Conference of Commissioners on Uniform State Laws.
- **Party.** This definition is substantively identical to s. 671.201(26), F.S. Mention of a party includes, of course, a person acting through an agent. However, where an agent comes into opposition or contrast to the principal, particular account is taken of that situation.
- **Person.** The definition of this word, found in s. 671.201(30), F.S., has been replaced with the standard definition used in acts prepared by the National Conference of Commissioners on Uniform State Laws.
- **Present value.** This definition was formerly contained within the definition of “security interest.”
- **Purchase.** This definition is derived from s. 671.201(29), F.S. The form of definition has been changed from “includes” to “means.”
- **Purchaser.** This definition is unchanged from s. 671.201(33), F.S.
- **Record.** This definition is derived from other portions of the UCC.
- **Remedy.** This definition is unchanged from s. 671.201(34), F.S. The purpose is to make it clear that both remedy and right (as defined) include those remedial rights of “self help” which are among the most important bodies of rights under the UCC, remedial rights being those to which an aggrieved party can resort on its own motion.
- **Representative.** This definition is derived from s. 671.201(35), F.S. Reorganized, and form changed from “includes” to “means.”
- **Right.** This definition is unchanged from s. 671.201(36), F.S.
- **Security Interest.** The definition is the first paragraph of the definition of “security interest” in s. 671.201(37), F.S.. The remaining portion has been moved to another section. Notice that the term includes the interest of certain outright buyers of certain kinds of property.
- **Send.** This definition contains slight changes to s. 671.201(38), F.S.
- **Signed.** This definition is derived from s. 671.201(39), F.S. The former definition referred to “authenticate”; because authenticate is now a defined term, the language has been changed to

"intention to adopt or accept." The latter formulation is derived from the definition of "authenticate." The definition of "signed" is to make clear that, as the term is used in the UCC, a complete signature is not necessary. The symbol may be printed, stamped or written; it may be by initials or by thumbprint. It may be on any part of the document and in appropriate cases may be found in a billhead or letterhead. No catalog of possible situations can be complete and the court must use common sense and commercial experience in passing upon these matters. The question always is whether the symbol was executed or adopted by the party with present intention to adopt or accept the writing.

- State. This is the standard definition of the term used in acts prepared by the National Conference of Commissioners on Uniform State Laws.
- Surety. This definition makes it clear that "surety" includes all secondary obligors, not just those whose obligation refers to them person obligated as a surety
- Term. This definition is essentially unchanged from s. 671.201(42), F.S.
- Unauthorized signature. This definition is essentially unchanged from s. 671.201(43), F.S.
- Warehouse receipt. This definition contains minor changes to s. 671.201(45), F.S. This definition was derived from the Uniform Sales Act and the Uniform Warehouse Receipts Act. Receipts issued by a field warehouse are included, provided the warehouseman and the depositor of the goods are different persons.
- Writing. This definition is essentially unchanged from s. 671.201(46), F.S.

Section 8. Prima Facie Evidence by Third-Party Documents

This section is nearly identical to s. 671.202, F.S. This section supplies judicial recognition for documents that are relied upon as trustworthy by commercial parties. This section is concerned only with documents that have been given a preferred status by the parties themselves who have required their procurement in the agreement, and for this reason the applicability of the section is limited to actions arising out of the contract that authorized or required the document. The list of documents is intended to be illustrative and not exclusive.

The provisions of this section go no further than establishing the documents in question as prima facie evidence and leave to the court the ultimate determination of the facts where the accuracy or authenticity of the documents is questioned. In this connection the section calls for a commercially reasonable interpretation. Documents governed by this section need not be writings if records in another medium are generally relied upon in the context.

Section 9. Obligation of Good Faith

The source for this section is s. 671.203, F.S. This section sets forth a basic principle running throughout the UCC. The principle is that in commercial transactions good faith is required in the performance and enforcement of all agreements or duties. While this duty is explicitly stated in some provisions of the UCC, the applicability of the duty is broader than merely these situations and applies generally, as stated in this section, to the performance or enforcement of every contract or duty within this Act. It is further implemented by other provisions on course of dealing, course of performance, and usage of trade. This section does not support an independent cause of action for failure to perform or enforce in good faith. Rather, this section means that a failure to perform or enforce, in good faith, a specific duty or obligation under the contract, constitutes a breach of that contract or makes unavailable, under the particular circumstances, a remedial right or power. This distinction makes it clear that the doctrine of good faith merely directs a court towards interpreting contracts within the commercial context in which they are created, performed, and enforced, and does not create a separate duty of fairness and reasonableness which can be independently breached.

"Performance and enforcement" of contracts and duties within the UCC include the exercise of rights created by the UCC.

Section 10. Reasonable Time

Section (1) makes it clear that requirements that actions be taken within a "reasonable" time are to be applied in the transactional context of the particular action.

Under section (2), the agreement that fixes the time need not be part of the main agreement, but may occur separately. Notice also that under the definition of "agreement" the circumstances of the transaction, including course of dealing or usages of trade or course of performance may be material. On the question what is a reasonable time these matters will often be important.

Section 11. Course of Performance; Course of Dealing; Usage of Trade

This is derived from s. 671.205, F.S. and other sections. This section integrates the "course of performance" concept from other articles of the UCC into the principles of s. 671.205, F.S., which deals with course of dealing and usage of trade. In so doing, the section slightly modifies the articulation of the course of performance rules to fit more comfortably with the approach and structure of s. 671.205, F.S. There are also slight modifications to be more consistent with the definition of "agreement." It should be noted that a course of performance that might otherwise establish a defense to the obligation of a party to a negotiable instrument is not available as a defense against a holder in due course who took the instrument without notice of that course of performance.

The UCC rejects both the "lay-dictionary" and the "conveyancer's" reading of a commercial agreement. Instead the meaning of the agreement of the parties is to be determined by the language used by them and by their action, read and interpreted in the light of commercial practices and other surrounding circumstances. The measure and background for interpretation are set by the commercial context, which may explain and supplement even the language of a formal or final writing.

"Course of dealing," as defined in section (2), is restricted, literally, to a sequence of conduct between the parties previous to the agreement. A sequence of conduct after or under the agreement, however, is a "course of performance." "Course of dealing" may enter the agreement either by explicit provisions of the agreement or by tacit recognition.

The UCC deals with "usage of trade" as a factor in reaching the commercial meaning of the agreement that the parties have made. The language used is to be interpreted as meaning what it may fairly be expected to mean to parties involved in the particular commercial transaction in a given locality or in a given vocation or trade. By adopting in this context the term "usage of trade," the UCC expresses its intent to reject those cases which see evidence of "custom" as representing an effort to displace or negate "established rules of law." A distinction is to be drawn between mandatory rules of law such as the Statute of Frauds provisions of Article 2 on Sales whose very office is to control and restrict the actions of the parties, and which cannot be abrogated by agreement, or by a usage of trade, and those rules of law which fill in points which the parties have not considered and in fact agreed upon. The latter rules hold "unless otherwise agreed" but yield to the contrary agreement of the parties. Part of the agreement of the parties to which such rules yield is to be sought for in the usages of trade which furnish the background and give particular meaning to the language used, and are the framework of common understanding controlling any general rules of law which hold only when there is no such understanding.

A usage of trade under section (3) must have the "regularity of observance" specified. The ancient English tests for "custom" are abandoned in this connection. Therefore, it is not required that a usage of trade be "ancient or immemorial," "universal," or the like. Under the requirement of section (3) full recognition is thus available for new usages and for usages currently observed by the great majority of

decent dealers, even though dissidents ready to cut corners do not agree. There is room also for proper recognition of usage agreed upon by merchants in trade codes.

The policies of the UCC controlling explicit unconscionable contracts and clauses apply to implicit clauses that rest on usage of trade and carry forward the policy underlying the ancient requirement that a custom or usage must be "reasonable." However, the emphasis is shifted. The very fact of commercial acceptance makes out a prima facie case that the usage is reasonable, and the burden is no longer on the usage to establish itself as being reasonable. But the anciently established policing of usage by the courts is continued to the extent necessary to cope with the situation arising if an unconscionable or dishonest practice should become standard.

Section (4), giving the prescribed effect to usages of which the parties "are or should be aware," reinforces the provision of section (3) requiring not universality but only the described "regularity of observance" of the practice or method. This subsection also reinforces the point of section (3) that such usages may be either general to trade or particular to a special branch of trade.

Although the definition of "agreement" includes the elements of course of performance, course of dealing, and usage of trade, the fact that express reference is made in some sections to those elements is not to be construed as carrying a contrary intent or implication elsewhere.

In cases of a well established line of usage varying from the general rules of the UCC where the precise amount of the variation has not been worked out into a single standard, the party relying on the usage is entitled, in any event, to the minimum variation demonstrated. The whole is not to be disregarded because no particular line of detail has been established. In case a dominant pattern has been fairly evidenced, the party relying on the usage is entitled under this section to go to the trier of fact on the question of whether such dominant pattern has been incorporated into the agreement.

Section (7) is intended to insure that this Act's liberal recognition of the needs of commerce in regard to usage of trade shall not be made into an instrument of abuse.

Section 12. Repeal of Statute of Frauds

The Statute of Frauds "for kinds of personal property not otherwise covered" that appears in s. 671.206, F.S. has been repealed in this bill. The Drafting Committee noted that the other Articles of the UCC make individual determinations as to writing requirements for transactions within their scope, so that the only effect of s. 671.206, F.S. was to impose a writing requirement on transactions not otherwise governed by the UCC. It was decided that it is inappropriate for Article 1 to impose that requirement.

Section 13. Option to Accelerate at Will

Except for minor stylistic changes, this section is nearly identical to s. 671.208, F.S. The common use of acceleration clauses in many transactions governed by the UCC, including sales of goods on credit, notes payable at a definite time, and secured transactions, raises an issue as to the effect to be given to a clause that seemingly grants the power to accelerate at the whim and caprice of one party. This section is intended to make clear that despite language that might be so construed and which further might be held to make the agreement void as against public policy or to make the contract illusory or too indefinite for enforcement, the option is to be exercised only in the good faith belief that the prospect of payment or performance is impaired.

Obviously this section has no application to demand instruments or obligations whose very nature permits call at any time with or without reason. This section applies only to an obligation of payment or performance which in the first instance is due at a future date.

Section 14. Notice; Knowledge

This section was derived from other sections of the UCC. These provisions are substantive rather than purely definitional. Accordingly, they have been relocated to this new section.

Under section (1), a person has notice when, inter alia, the person has received a notification of the fact in question. The subsection leaves open the time and circumstances under which notice or notification may cease to be effective.

As shown in section (4), the word "notifies" is used when the essential fact is the proper dispatch of the notice, not its receipt. Compare "Send." When the essential fact is the other party's receipt of the notice, that is stated. Section (5) states when a notification is received.

Section (6) makes clear that reason to know, knowledge, or a notification, although "received" for instance by a clerk in Department A of an organization, is effective for a transaction conducted in Department B only from the time when it was or should have been communicated to the individual conducting that transaction.

Section 15. Presumptions

This new section is created dealing with presumptions, however it is essentially unchanged from s. 671.201(31), F.S., . This section provides that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

Section 16. Value

This section is unchanged from s. 671.201(44), F.S., which was derived from other uniform acts. These provisions are substantive rather than purely definitional. Accordingly, they have been relocated from the definition section.

All the Uniform Acts in the commercial law field (except the Uniform Conditional Sales Act) have carried definitions of "value." All those definitions provided that value was any consideration sufficient to support a simple contract, including the taking of property in satisfaction of or as security for a pre-existing claim. Sections (1), (2), and (4) in substance continue the definitions of "value" in the earlier acts. Section (3) makes explicit that "value" is also given in a third situation: where a buyer by taking delivery under a pre-existing contract converts a contingent into a fixed obligation.

This definition is not applicable to Articles 3 and 4 of the UCC, but the express inclusion of immediately available credit as value follows the separate definitions in those Articles. A bank or other financing agency which in good faith makes advances against property held as collateral becomes a bona fide purchaser of that property even though provision may be made for charge-back in case of trouble. Checking credit is "immediately available" within the meaning of this section if the bank would be subject to an action for slander of credit in case checks drawn against the credit were dishonored, and when a charge-back is not discretionary with the bank, but may only be made when difficulties in collection arise in connection with the specific transaction involved.

Section 17. Electronic Signatures

As a result of the enactment of the Electronic Signatures in Global National Commerce Act ("E-sign") at the federal level, it is now possible to have sale contracts, mortgage instruments, and promissory notes memorialized in electronic form with the electronic signatures of the parties involved in the transaction.

Responding to the specific language of E-sign, this bill is designed to avoid preemption of state law under that federal legislation. This bill modifies, limits, and supersedes E-sign, 15 U.S.C. ss. 7001 et seq.,²¹ but this section does not modify, limit, or supersede s. 101(c) of that act,²² 15 U.S.C. s. 7001(c),²³ or authorize electronic delivery of any of the notices described in s. 103(b) of that act, 15 U.S.C. s. 7003(b).²⁴

Section 18. Subordinated Obligations

Billions of dollars of subordinated debt are held by the public and by institutional investors. Commonly, the subordinated debt is subordinated on issue or acquisition and is evidenced by an investment security or by a negotiable or non-negotiable note. Debt is also sometimes subordinated after it arises, either by agreement between the subordinating creditor and the debtor, by agreement between two creditors of the same debtor, or by agreement of all three parties. The subordinated creditor may be a stockholder or other "insider" interested in the common debtor; the subordinated debt may consist of accounts or other rights to payment not evidenced by any instrument. All such cases are included in the terms "subordinated obligation," "subordination," and "subordinated creditor."

Subordination agreements are enforceable between the parties as contracts; and in the bankruptcy of the common debtor dividends otherwise payable to the subordinated creditor are turned over to the superior creditor. This "turn-over" practice has on occasion been explained in terms of "equitable lien," "equitable assignment," or "constructive trust," but whatever the label the practice is essentially an equitable remedy and does not mean that there is a transaction "that creates a security interest in personal property . . . by contract" or a "sale of accounts, chattel paper, payment intangibles, or promissory notes." On the other hand, nothing in this section prevents one creditor from assigning his rights to another creditor of the same debtor in such a way as to create a security interest within Article 9, where the parties so intend.

²¹ The federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. ss. 7001 et seq., was enacted on June 30, 2000. Congress enacted the Act, "to facilitate the use of electronic records and signatures in interstate and foreign commerce by ensuring the validity and legal effect of contracts entered into electronically. Careful to preserve the underlying consumer protection laws governing consumers' rights to receive certain information in writing, Congress imposed special requirements on businesses that want to use electronic records or signatures in consumer transactions. *Executive Summary*, (last visited Mar. 6, 2006) <<http://www.ftc.gov/os/2001/06/esign7.htm>>.

²² In the Electronic Signatures in Global and National Commerce Act Congress:

imposed special requirements on businesses that want to use electronic records or signatures in consumer transactions. Section 101(c)(1) of the Act provides that information required by law to be in writing can be made available electronically to a consumer only if he or she affirmatively consents to receive the information electronically and the business clearly and conspicuously discloses specified information to the consumer before obtaining his or her consent.

Executive Summary, (last visited Mar. 6, 2006) <<http://www.ftc.gov/os/2001/06/esign7.htm>>.

²³ 15 U.S.C. s.7001(c) states that a consumer's consent to receive electronic records is valid only if the consumer has affirmative consented and prior to the consent, he or she was provided a clear and conspicuous statement outlining the consumer's rights.

²⁴ 15 U.S.C. s.7003(b) excludes from the Electronic Signatures in Global and National Commerce Act "court orders or notices, or official court documents (including briefs, pleadings, and other writings) required to be executed in connection with court proceedings" and notices of: cancellation of utility services; defaults or foreclosures or other such proceedings on a primary residence; cancellation or termination of health or life insurance; or recall of a product because of health or safety issues, or documents required to transport toxic or dangerous materials.

The enforcement of subordination agreements is largely left to supplementary principles under s. 671.103, F.S.

Miscellaneous Provisions

The bill has a number of miscellaneous provisions not directly contained within the UCC. One such provision removes documents under ch. 679, F.S. from the requirement that they be filed with the Department of State. A second such provision requires the governing body of the Seminole Tribe of Florida or the Miccosukee Tribe of Indians to file certain records relating to secured transactions with the central filing office.

Florida Secured Transaction Registry

The bill deletes s. 679.527, F.S. which established the Florida Secured Transaction Registry ("FSTR"). The FSTR is a centralized database in which financial statements are filed to register the secured party's interest in a loan secured by non-titled property. In 2001, the Department of State ("department") privatized the process of filing and maintaining the Florida Secured Transaction Registry, but the department retained sole and exclusive ownership of the materials and records of the registry. The department also has the right of reclaiming the registry if the private contractor does not perform the contract or becomes insolvent.²⁵ This bill eliminates the state oversight of a privatized state function.

The bill defines the term "Florida Secured Transaction Registry" to mean the centralized database in which all initial financing statements, amendments, assignments, and other statements of change authorized to be filed under this chapter are filed, maintained, and retrieved. However, the statutes as amended by this bill will not designate or describe who selects, operates or controls the FSTR. The term does not apply to documents that are filed under ch. 679 with the clerk of a circuit court. The bill permits the registry to certify copies of financing statements, and permits the registry to retain the fees it collects to run its operation.

Fees

The bill also reduces the filing fees required for filing documents with the FSTR. Two fees for \$25 and \$30 dollars are reduced to \$13 and \$15 dollars respectively. These are fees to filing an initial financing statement and for obtaining certified copies of financing statements. See fiscal comments.

The bill also specifies fees under the Florida Uniform Federal Lien Registration Act, s. 713.901, F.S., that were previously provided through cross-references.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

This bill reduces UCC filing fees charged to the public. See chart below in Fiscal Comments.

D. FISCAL COMMENTS:

It is unclear how this bill can reduce current filing fees in the Florida Secured Transaction Registry by more than half in some situations, yet there is no fiscal impact. Section 679.525(1)(a), F.S. provides the following fee schedule for filings:

Description of Processing Fee	Fee
Initial financing statement	\$25 for the first page
An amendment	\$12 for the first page.
Indexing	\$3 per additional name indexed
Use of a nonapproved form	\$5
Additional page attached to a record	\$3
A financing statement communicated by an electronic filing process authorized by the filing office	\$15 with no additional fees.
Filing an amendment communicated by an electronic filing process authorized by the filing office	\$5 with no additional fees for multiple names or attached pages
For a certified copy of a financing statement and any and all associated amendments	\$30.

The bill provides the following fee reductions.

Description of Processing Fee	Fee
Initial financing statement	\$13 for the first page
An amendment	\$6 for the first page.
Indexing	\$2 per additional name indexed
Use of a nonapproved form	\$3
Additional page attached to a record	\$2
A financing statement communicated by an electronic filing process authorized by the filing office	\$8 with no additional fees.
Filing an amendment communicated by an electronic filing process authorized by the filing office	\$3 with no additional fees for multiple names or attached pages
For a certified copy of a financing statement and any and all associated amendments	\$15.

The current fees collected by the Department of State are used to pay the private contractor and cover the department's expenditures. It is unclear how the decrease in fees coupled with complete privatization will effect the state revenues and expenditures.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

The bill deletes s. 679.527, F.S. which established the Florida Secured Transaction Registry ("FSTR"). The FSTR is a centralized database in which financial statements are filed to register the secured

party's interest in a loan secured by non-titled property. In 2001, the Department of State ("department") privatized the process of filing and maintaining the Florida Secured Transaction Registry, but the department retained sole and exclusive ownership of the materials and records of the registry. The department also has the right of reclaiming the registry if the private contractor does not perform the contract or becomes insolvent. It is unclear why this bill eliminates state oversight over a privatized state function. It is also unclear what the effect of no state oversight will be on the FSTR.

380 so specified, a commercially reasonable rate that takes into
381 account the facts and circumstances at the time the transaction
382 is entered into.

383 ~~(31)~~ "Presumption" or "presumed" means that the trier of
384 fact must find the existence of the fact presumed unless and

409 ~~which~~ is subject to chapter 679. "Security interest" does not
410 include the special property interest of a buyer of goods on
411 identification of those goods to a contract for sale under s.
412 ~~672.401 is not a security interest~~, but a buyer may also acquire
413 a security interest by complying with chapter 679. Except as

lessor of goods under chapter 672 or chapter 680 to retain or acquire possession of the goods is not a security interest, but a seller or lessor may also acquire a security interest by complying with chapter 679. The retention or reservation of title by a seller of goods, notwithstanding shipment or delivery to the buyer under ~~(s. 672.401)~~, is limited in effect to a reservation of a security interest. Whether a transaction in the form of a lease creates a ~~lease or~~ security interest is determined by the facts of each case; however:

(a) A transaction in the form of a lease creates a security interest if the consideration that the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, ~~and:~~

1. The original term of the lease is equal to or greater than the remaining economic life of the goods;

2. The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

3. The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or

4. The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

(b) A transaction does not create a security interest merely because ~~it provides that~~:

HB 1437

2006

1. The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into;

2. The lessee assumes the risk of loss of the goods ~~or agrees to pay taxes; insurance; filing, recording, or registration fees; or service or maintenance costs with respect to the goods;~~

3. The lessee agrees to pay, with respect to the goods, taxes; insurance; filing, recording, or registration fees; or service or maintenance costs;

~~4.3-~~ The lessee has an option to renew the lease or to become the owner of the goods;

~~5.4-~~ The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed; or

~~6.5-~~ The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

(c) ~~For purposes of this subsection:~~

~~1-~~ Additional consideration is ~~not~~ nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised.
Additional consideration is not nominal if:-

HB 1437

2006

471 1. When the option to renew the lease is granted to the
472 lessee, the rent is stated to be the fair market rent for the
473 use of the goods for the term of the renewal determined at the
474 time the option is to be performed; or if,

475 2. When the option to become the owner of the goods is
476 granted to the lessee, the price is stated to be the fair market
477 value of the goods determined at the time the option is to be
478 performed. ~~Additional consideration is nominal if it is less~~

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill amends construction lien law to both increase and decrease regulation.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

Notice of Commencement

Section 713.13, F.S., provides that the recording of a notice of commencement gives constructive notice that claims of lien may be recorded and may take priority. It does not constitute a lien, cloud, or encumbrance on real property.¹

Liens for professional services and subdivision improvements attach at the time they are recorded and take priority at that time.² Liens of materialmen or laborers who are in privity with the owner and who comply with the provisions of ch. 713, F.S., attach and take priority at the time the notice of commencement is recorded. However, in the event a notice of commencement is not filed, the liens attach and take priority at the time the claim of lien is recorded.

A notice of commencement must be recorded in the clerk's office before a contractor actually begins an improvement to real property or recommences completion of any improvement after default or abandonment. The notice must provide:

- A description of the real property;
- A general description of the improvement;
- Name and address of the owner, the owner's interest in the site of the improvement, and the name and address of the fee simple titleholder, if other than the owner;
- The name and address of the contractor;
- The name and address of the surety on the payment bond, if any, and the amount of the bond (a copy of the bond must be attached to the notice; however, if the bond is not recorded it may be used as a transfer bond under s. 713.24, F.S.);³
- The name and address of any person making a loan for the construction of the improvements; and
- The name and address of a designated person upon whom documents may be served if other than the owner.

As a pre-requisite to perfecting a lien and recording a claim of lien, all lienors who are not in privity with the owner, except laborers, must serve a notice on the owner.⁴ A notice to the owner provides the identity of all persons that have furnished labor or materials to improve the owner's property. The notice to the owner protects the owner from double payment and establishes priority of lien.⁵

¹ Section 713.13(3), F.S.

² Section 713.07, F.S.

³ Section 713.13(1)(e), F.S. A transfer bond allows an owner, who has erred and not recorded the bond with the notice of commencement, to transfer liens which are recorded against the owner's property. A lien may be transferred from the real property by depositing the amount required by s. 713.24(3), F.S., with the Clerk of the Court or by filing a surety bond in that amount with the clerk.

⁴ Section 713.06(2)(a), F.S.

⁵ Section 713.06, F.S.

When final payment under a direct contract is due, the contractor must provide the owner a final payment affidavit. The contractor's final payment affidavit must state that all lienors under direct contract have been paid in full, or if not paid in full, stating the name of each lienor that has not been paid in full and the amount due. Those lienors that fail to provide a notice to the owner may lose their lien rights if the owner makes proper payments.⁶

After receipt of a lienor notice to the owner,⁷ an owner must make proper payments to the lienor. Proper payment means the owner pays all lienors named in the notice directly.⁸ Similarly, when an owner receives a contractor's final payment affidavit, the owner must make proper payments to the contractor. Owners that make these payments will have a proper payment defense against any claim of lien.

Section 713.13(1)(c), F.S. provides that the notice of commencement must state if the contract between the owner and the contractor named in the notice is for construction or improvement that takes in excess of one year. Any payments made by the owner after the expiration of the notice are considered improper payments.

Building Permits and the Notice of Commencement

Section 713.135, F.S., provides that when any person applies for a building permit, the authority issuing the permit is required to:

- Print on the face of each permit card a statement that the owner's failure to record a notice of commencement may result in the owner paying twice for improvements to the property;
- Provide the applicant and the owner of the real property upon which improvements are to be constructed with a printed statement stating that the right, title, and interest of the person who has contracted for the improvement may be subject to attachment under the construction lien law. The authority must also provide the applicant with a statement from the department providing a summary of construction lien law. The authority must mail the statement to the owner; and
- Inform each applicant who is not the person whose right, title, and interest is subject to attachment, that as a condition to the issuance of a building permit, the applicant must promise in good faith that the statement will be delivered to the person whose property is subject to attachment.⁹

A Notice of Commencement is not required in direct contracts to repair or replace an existing heating or air-conditioning system in an amount less than \$5,000.

Making or Furnishing False Statement

Section 713.35, F.S., provides that if any person, firm, or corporation knowingly and intentionally furnishes to another person, firm, or corporation a written statement in the form of an affidavit containing false information about the payment status of subcontractors, sub-subcontractors, or suppliers in connection with the improvement of real property in this state, and that person relies on the information to his detriment, then that person is guilty of a felony of the third degree.¹⁰

⁶ Section 713.06(3)(d), F.S.

⁷ The notice to owner must be served no later than 45 days from commencing services to the property and before the date of the owner's final payment after the contractor has furnished the required final payment affidavit. s. 713.06(2)(a), F.S.

⁸ Section 713.06, F.S.

⁹ Section 713.135, F.S.

¹⁰ Section 713.35, F.S.

Effect of Bill

Notice of Commencement

This bill amends s. 713.13(1)(c), F.S., to provide that any payments made by the owner "before the recordation of the notice of commencement are also considered improper payments.

This bill amends s. 713.135 (1)(d), F.S., to provide that in addition to a building permit issuing authority, a private provider performing inspection services may not perform or approve subsequent inspections until the applicant files by mail, facsimile, hand delivery, or any other means a certified copy of the recorded notice of commencement.

This bill also amends s. 713.135(1)(d), F.S., by increasing the amount from \$5,000 to \$7,500 in direct contracts to repair or replace an existing heating or air-conditioning system in which a Notice of Commencement need not be filed.

This bill amends s. 713.135(1)(e), F.S., by providing that an issuing authority or a building official may not require that a notice of commencement be recorded as a condition of the application, processing, or issuance of a building permit. It provides that the paragraph does not modify or waive the inspection requirements set forth in the subsection.

This bill amends s. 713.135(4), F.S., to conform with the electronic mail provisions in the new s. 713.135(6)(b), F.S.

This bill amends s. 713.135(6)(b) and (c), F.S., to authorize authorities issuing building permits to accept permit applications electronically. It requires an electronic application to include a sworn electronic submission statement. This bill also requires that an authority responsible for issuing building permit applications that accepts building permit applications in an electronic format provide public Internet access to the electronic building permit applications in a searchable format.

Making or Furnishing False Statement

The bill amends s. 713.35, F.S., by revising the list of legal documents to include a waiver or release of lien, or other document in which it is a third-degree felony to knowingly and intentionally include certain false information about the payment status of subcontractors, sub-subcontractors, or suppliers in connection with the improvement of real property.

75 direct contract is greater than \$2,500, the applicant shall file
76 with the issuing authority prior to the first inspection either
77 a certified copy of the recorded notice of commencement or a
78 notarized statement that the notice of commencement has been
79 filed for recording, along with a copy thereof. In the absence
80 of the filing of a certified copy of the recorded notice of
81 commencement, the issuing authority or a private provider

83 subsequent inspections until the applicant files by mail,
84 facsimile, hand delivery, or any other means such certified copy

85 with the issuing authority. The certified copy of the notice of
86 commencement must contain the name and address of the owner, the
87 name and address of the contractor, and the location or address
88 of the property being improved. The issuing authority shall
89 verify that the name and address of the owner, the name of the
90 contractor, and the location or address of the property being
91 improved which is contained in the certified copy of the notice
92 of commencement is consistent with the information in the
93 building permit application. The issuing authority shall provide
94 the recording information on the certified copy of the recorded
95 notice of commencement to any person upon request. This
96 subsection does not require the recording of a notice of
97 commencement prior to the issuance of a building permit. If a
98 local government requires a separate permit or inspection for
99 installation of temporary electrical service or other temporary
100 utility service, land clearing, or other preliminary site work,
101 such permits may be issued and such inspections may be conducted
102 without providing the issuing authority with a certified copy of
103 a recorded notice of commencement or a notarized statement
104 regarding a recorded notice of commencement. This subsection
105 does not apply to a direct contract to repair or replace an
106 existing heating or air-conditioning system in an amount less
107 than \$7,500 ~~\$5,000~~.

108 (e) Not require that a notice of commencement be recorded
109 as a condition of the application for or processing or issuance
110 of a building permit. However, this paragraph does not modify or
111 waive the inspection requirements set forth in this subsection.

112 (4) The several boards of county commissioners, municipal
113 councils, or other similar bodies may by ordinance or resolution

116 and (d) in an amount not to exceed \$5 to be paid by the
117 applicant for each permit in addition to all other costs of the
118 permit; however, no forms or statement need be furnished,
119 mailed, or otherwise provided to, nor may such additional fee be
120 obtained from, applicants for permits in those cases in which
121 the owner of a legal or equitable interest (including that of
122 ownership of stock of a corporate landowner) of the real
123 property to be improved is engaged in the business of
124 construction of buildings for sale to others and intends to make
125 the improvements authorized by the permit on the property and
126 upon completion will offer the improved real property for sale.

Marriage Licenses

SUMMARY ANALYSIS

Current law provides two different avenues for a minor to be granted a marriage license:

- Any minor 16 or 17 years of age may marry with the consent of the minor's parents or legal guardian; or
- Any minor of any age may marry if the female is pregnant or has given birth, the potential groom is the father of the child, and a judge, in his or her discretion, grants permission to marry. This provision does not require notice to, or the consent of, the parents or guardian of the minor.

This bill eliminates the provisions allowing a court to grant a marriage license to a minor, thereby limiting the legal authority of a minor to marry to only those minors 16 or 17 years of age who obtain the consent of the minor's parents or legal guardian.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Empower families -- This bill affects the ability of a minor to marry.

Safeguard individual liberty -- This bill decreases the individual liberty of certain minors to marry without parental consent.

B. EFFECT OF PROPOSED CHANGES:

Current Law

Section 741.0405, F.S. provides a method by which minors may obtain a marriage license. If either of the parties seeking to be married is under the age of 18 but at least 16, the issuing authority¹ must issue a marriage license if there is a written consent of the parents or guardian of the minor, acknowledged before some officer authorized by to take acknowledgments and administer oaths. The license must be issued without parental consent when both parents of the minor are deceased at the time of application or when the minor has been married previously.

Current law authorizes a county judge, in his or her discretion, to issue a marriage license without parental consent in limited circumstances. A county court judge may issue a license to any male or female under 18, when both parties swear under oath that they are the parents of a child. When the pregnancy is verified by the written statement of a physician, the county court judge may issue a marriage license: to any male or female under 18 upon a sworn application of both parties that they are the expectant parents, or to any female under 18 and male over 18 upon the female's sworn application that she is an expectant parent. These exceptions too would permit a minor under 16, with or without the consent of the parents, to be issued a marriage license.

Effect of Bill

The bill provides that no marriage license will be granted to any person under 16 with or without the parents consent. Further, this bill eliminates the provisions allowing a court to issue a license without parental consent when one or both parties swear under oath that they are parents of a child or when the pregnancy is verified by a physician's statement.

C. SECTION DIRECTORY:

Section 1 amends s. 741.0405, F.S. by deleting provisions authorizing a court to issue a marriage license in certain circumstances.

Section 2 provides for an effective date of July 1, 2006.

Children in Out-of-Home Placements

SUMMARY ANALYSIS

Abused, neglected, abandoned and orphaned children are placed in the foster care system under the supervision of the Department of Children and Family Services ("DCF"), pending reunification with their parents, adoption, or other placement as appropriate. Foster parents and their foster children sometimes develop close emotional bonds that are harmed when the foster children are removed from the foster home. Current law places some limits upon moving a dependent child after a disposition hearing has been conducted and the dependent child is in a placement.

This bill further limits the ability of DCF to move a dependent child from a current out-of-home placement by creating a rebuttable presumption that it is in the best interests of a dependent child who has resided in a particular out-of-home placement for one than 1 year to remain in that placement with the foster parent as the permanent custodian.

The bill also requires that a foster child who has been denied developmental disabilities services must be given an opportunity for an administrative hearing before the Division of Administrative Hearings (DOAH).

The Department of Children and Family Services estimates that this bill may have a recurring negative fiscal impact on state revenues of \$16 million annually commencing in FY 2005-2006. This bill does not appear to have a fiscal impact on local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Empower families -- This bill may provide stability for foster children, but may interfere with reunification of such foster children with their parents.

B. EFFECT OF PROPOSED CHANGES:

Background - Moving Foster Children

Chapter 39, F.S., provides for proceedings regarding dependency of minor children. A dependent child is one that is dependent upon the state for services due to abuse, neglect, abandonment, or death of the parents or guardian. Once a child is adjudicated dependent, the court has the power by order to:

- Require the parent or the legal custodian and the child, to participate in necessary treatment and services;
- Require the parties to participate in dependency mediation; and
- Require placement of the child either under the protective supervision of an authorized agent of the Department of Children and Family Services ("DCF"), in the home of one or both of the child's parents, in the home of a relative of the child, with another adult approved by the court, or in the custody of the DCF.¹

In 2000, the legislature enacted s. 39.522, F.S., regarding change of custody after the disposition hearing. The statute provides:

- A child who has been placed in the child's own home under the protective supervision of an authorized agent of the department, in the home of a relative, in the home of a legal custodian, or in some other place may be brought before the court by the department or by any other interested person, upon the filing of a petition alleging a need for a change in the conditions of protective supervision or the placement.
- If the parents or other legal custodians deny the need for a change, the court must hear all parties in person or by counsel, or both. Upon the admission of a need for a change or after such hearing, the court must enter an order changing the placement, modifying the conditions of protective supervision, or continuing the conditions of protective supervision as ordered.
- The standard for changing custody of the child is the best interest of the child.
- If the child is not placed in foster care, then the new placement for the child must meet the home study criteria and court approval pursuant to this chapter.
- In cases where the issue before the court is whether a child should be reunited with a parent, the court must determine whether the parent has substantially complied with the terms of the case plan to the extent that the safety, well-being, and physical, mental, and emotional health of the child is not endangered by the return of the child to the home.

¹ 25 Fla. Jur. 2d, Family Law s. 273.

Section 39.701(9)(f), F.S., requires the dependency court to review a child's permanency no later than 12 months after a child was sheltered.² Section 39.621, F.S., identifies adoption as the primary permanency option when reunification with a parent is not appropriate.

Section 39.812(4), F.S., provides that, when the department denies foster parents' applications to adopt a child, the Department of Children and Families ("department") must obtain court approval in order to remove the child from the foster home if the child has resided there for at least 6 months.

If the parents or other legal custodians deny the need for a change, the court must hear all parties in person or by counsel, or both. Upon the admission of a need for a change or after a hearing, the court can order a change in the placement, modify the conditions of supervision, or continue the conditions of supervision. If the child is not placed in foster care, then the new placement for the child must meet the home study criteria and court approval pursuant to ch. 39, F.S.³

Effect of Bill - Moving Foster Children

This bill first adds foster homes to the list of placements from which a child can be moved pursuant to a postdisposition change of custody. Further, the bill expands who a court must hear in determining the need for a change in custody. If a need for a change of custody has been denied, the court must hear all parties in including the custodian and the interested persons.

The bill also creates a rebuttable presumption that continued placement with the custodian of a child in an out-of-home placement as in the best interest of the child if the child has resided in the same out-of-home placement for more than 1 year. This presumption may not be rebutted solely by the wishes of a parent or by placing the child with a person who is biologically related to the child but who is not living with a parent.

Background - Certain Disability Hearings

All persons who have been denied federally-funded developmental disability services or other public benefits, including foster children, are entitled to a fair hearing conducted by the Office of Appeal Hearings. The fair hearing process is designed to provide relatively rapid and easily accessible due process proceedings to contest the denial, reduction or termination of benefits or services. The fair hearings process is conducted according to federal and state law and rules that ensure the individual's right to due process is protected.⁴ Applicants for or recipients of public benefits have the right to appeal an adverse decision in a fair hearing to the District Court of Appeal, but the agency may not seek an appeal.⁵

Effect of Bill - Certain Disability Hearings

Finally, the bill directs that all decision affecting developmental disability benefits of dependent children, who are in the custody of the department, be heard by an administrative law judge, regardless of the facts.

C. SECTION DIRECTORY:

Section 1 amends s. 39.522, F.S. to provide a rebuttable presumption in out-of-home placements.

Section 2 amends s. 63.082, F.S. to include a cross-reference to the rebuttable presumption.

² Sheltered is defined in s. 39.01(64), F.S. as "a placement with a relative or a nonrelative, or in a licensed home or facility, for the temporary care of a child who is alleged to be or who has been found to be dependent, pending court disposition before or after adjudication."

³ 25 Fla. Jur. 2d, Family Law s. 279.

⁴ See, e.g., 42 U.S.C. 1396a(3); 42 CFR 431.200, et seq; s. 409.285, F.S.

⁵ Sections 120.68, 409.285, F.S.

Section 3 amends s. 120.80, F.S. to require that hearings be conducted by an administrative law judges in cases involving children with developmental disabilities who are in the custody of the department.

Section 4 provides an effective date of July 1, 2006.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

The Department of Children and Family Services estimates that this bill may cause the loss of federal matching funds resulting in a loss of \$15,952,857.80 annually commencing in FY 2005-2006.

2. Expenditures:

None.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

Department of Children and Families Comments

As of January 31, 2006, there were 8,228 children in licensed out-of-home care classified as Title IV-E Eligible/Reimbursable. As of December 31, 2005, the federal share of the average quarterly cost for these IV-E clients is \$1,938.85. A statutory rebuttable presumption regarding the appropriateness of a particular placement, without consideration of case specifics as required by Safe Families and Adoptions Act,, has the potential to cost Florida all or a significant portion of that federal share, up to an anticipated maximum of \$15,952,857.80. This does not include the concurrent loss of federal administrative or training funds. However, the legislature could choose to continue state matching funds, in order to provide a reduced level of services.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

Department of Children and Families Comments:

Page 2, lines 38-39 which describe who has standing to participate in a postdisposition change of custody hearing, the term "other legal custodians" is changed to "other custodians" and "guardians" is added. These changes will give foster parents the standing to object to a modification of placement, even if that modification were actually reunification with a parent.

Page 2, Lines 38-40, provide that the court shall hear, in addition to all parties, "the custodian and the interested persons in person or by counsel" not only reinforces the provision of standing as discussed above for foster parents, but gives party standing to interested persons who would otherwise be, at best, participants. In other words, foster parents and other interested persons would now be entitled to ask the court for relief in regard to children to whom they have no legal rights.

This bill first adds foster homes to the list of placements from which a child can be moved pursuant to a postdisposition change of custody. This change creates an anomaly, since s. 39.522, F.S., actually provides for modification of legal custody, not modification of physical placements. A foster home is only a physical placement. The actual temporary legal custodian, when a child is in a foster home, is the department. As the legal custodian, the department determines the particular licensed foster care placement for a foster child. Court interference with this determination would violate the separation of power between the judicial and executive branch.

This bill would effect a dramatic expansion of foster parents' rights to custody of dependent children far beyond what the Legislature has provided for in ss. 39.521 or 409.175, F.S. The bill would create a new impediment to the primary goal of reunification, and would create a new ground for litigation in the dependency proceeding that could substantially delay permanency decisions, to the detriment of the child. The bill would, therefore, make it more difficult to comply with the AFSA time parameters.

The bill also adversely impacts the reunification goal by creating a rebuttable presumption that an out-of-home caregiver is the placement that is in the best interest of the child when the same out-of-home placement has continued for more than 12 months. Currently, parents are required by state law to complete case plans within 12 months of a child's removal from the home. The 12-month deadline can be extended under extraordinary circumstances. The effect of the proposed rebuttable presumption would be that, after 12 months, the child's parents would be required to prove that they are superior to the out-of-home placement in order to be reunified with the child upon resolution of the extraordinary circumstances.

There is no "permanent custodian" (see page 2, lines 49-50) currently provided under ch. 39, F.S. Long-term custody is a permissible permanency goal pursuant to s. 39.622, F.S. The "permanent custodian" referenced by the bill appears to be incorporate a concept from another current bill, SB 1080, which

would replace the permanency option of "long-term custodian" with "permanent guardian". The language in the two bills, however, is different. The bill would create a de facto change in the case plan goal on the 366th day of the case, notwithstanding whatever findings a court made regarding the final case plan goal at a permanency hearing prior to the end of the 1st year of an out-of-home placement.

The bill appears to conflict with the Safe Families and Adoptions Act ("ASFA")⁶ requirements. AFSA requires the finalization of the case plan goal within 12 months of a child's removal from the home. The case plan goal must be in the best interests of a child, based on the facts and circumstances of that particular child's case. [See 45 C.F.R. s. 1356.21(d).] A statutory rebuttable presumption that remaining in a particular placement with a particular person as "permanent custodian" is in a child's best interests is in direct conflict with ASFA requirements.

The language in the bill conflicts with ss 120.569 and 120.57, F.S., because it would direct that all decisions affecting developmental disability benefits of dependent children be heard by an administrative law judge (ALJ), regardless of whether there were disputed issues of material fact. The bill would also place Florida in potential violation of federal law. Subsection 120.80(7), F.S., currently exempts *all* federally funded public benefits decisions from being heard by an administrative law judge, because the federal hearing procedures and requirements (see 42 CFR s. 431.200, et seq.) are different from those in ss. 120.569 and 120.57, F.S., and from the Uniform Rules of Procedure that apply to administrative proceedings in Florida. See ch. 28-106, F.A.C. To the extent that the federal procedures are different, adherence to the State of Florida Division of Administrative Hearings ("DOAH") requirements would be unlawful.

Additionally, providing that such cases be heard in DOAH would greatly delay their resolution. The Office of Appeal Hearings generally schedules and hears these cases more quickly than DOAH could. Furthermore, the Office of Appeal Hearings has final order authority in these cases, whereas DOAH would not. The client would be required to wait for DOAH to render a Recommended Order, and then for the agency to prepare and issue a Final Order, before the issue were resolved or even ripe for appeal to the District Court of Appeal.

SUMMARY ANALYSIS

The Department of Environmental Protection has established coastal construction control lines along the sand beaches of the state fronting on the Atlantic Ocean, Gulf of Mexico, and the Straits of Florida. The purpose of these lines is to define the portions of the beach-dune system that are subject to severe erosion, and to prohibit new construction seaward of this line unless granted a special permit by the Department of Environmental Protection.

This bill requires the seller of property subject to the coastal construction control line to present a prospective purchaser with a specific disclosure statement providing that the property is subject to erosion and to federal, state, or local regulations.

The bill also provides that failure to deliver the disclosure will not effect the enforcement of the sale and purchase contract, create a right of recession, or impair the property's title.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill increases the disclosure requirements that a seller of coastal property must provide to a prospective purchaser.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

The Department of Environmental Protection (department) has established coastal construction control lines, as required by statute, on a county basis along the sand beaches of the state fronting on the Atlantic Ocean, Gulf of Mexico, and the Straits of Florida.¹ The purpose of these lines is to define that portion of the beach-dune system that is subject to severe fluctuations based on a 100-year storm surge, storm waves, or other predictable weather conditions.² Upon the recording of the survey showing the location of a beach erosion control line, title to all lands seaward of the erosion control line are deemed to be vested in the state by right of its sovereignty.³ Property seaward of the coastal construction control line can be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, such rigid coastal protection structures⁴, beach nourishment, and protection of marine turtles.

Current law requires that a seller of real property located partially or totally seaward of the coastal construction control line provide to the purchaser an affidavit, or a survey, that discloses to the purchaser the location of the coastal control line on the property being conveyed.⁵ This disclosure requirement was established by the legislature to ensure that purchasers in coastal areas were aware that such lands are subject to frequent and severe fluctuations due to erosion.⁶ Critical erosion affects the value of property a great deal more than is often acknowledged. The amount of depression of coastal property values due to erosion over the next twenty years for properties along the Atlantic coast of the United States has been estimated at between \$1.7 and \$2.7 billion.⁷

There also exists in the common law a general duty to disclose when a seller is aware of facts materially affecting value or desirability of property, which are not readily observable and are not known to the buyer.⁸ Several provisions in current law require the seller to provide specific disclosure statements prior to the sale of real property. A seller must disclose:

- The amount of ad valorem taxes on real property;⁹
- Whether there are homeowners' association covenants;¹⁰
- Energy performance level for each new residential building¹¹; and

Effect of Bill

The bill amends s. 161.57, F.S., pertaining to the "Coastal Properties Disclosure Statement", to require an additional disclosure of a seller of coastal real property that is seaward of the coastal construction control line as defined s. 161.053, F.S. At or prior to closing the seller is required to disclose that:

The property being purchased may be subject to coastal erosion and certain federal, state, or local regulations that regulate coastal property, including the delineation of the coastal construction control line, rigid coastal protection structures, beach nourishment, and the protection of marine turtles. Additional information can be obtained from the Department of Environmental Protection (DEP), including whether there are significant erosion conditions associated with the shore line of the property being purchased.

The disclosure may be set forth in the contract or in a separate writing.

The bill also provides that failure to deliver the disclosure, affidavit, or survey required by s. 161.57, F.S., shall not effect the enforcement of sale and purchase contract by either party, create a right of recession by the purchaser, or impair the property's title.

C. SECTION DIRECTORY:

Section 1 amends s. 161.57, F.S., to provide disclosure requirements for property located seaward of the coastal construction control line.

SUMMARY ANALYSIS

The essential purpose of a land trust is to provide a flexible method for the acquisition, financing, and disposition of real property. The land trust is a modified form of conventional trust agreement that is limited to an arrangement where the trustee holds title to the real property; however, all the active managerial and administrative powers are reserved to the beneficiaries.

The bill codifies existing practice and case law in the area of land trusts. It revises the current statute relating to land trusts by providing definitions of the terms "beneficial interest," "beneficiary," "land trust," "holders of the power of direction," and "trustee." It removes an obsolete provision referring to claims arising out of dower or curtesy. It creates provisions relating to land trust beneficiaries, successor trustees, and land trustees as creditors. Finally, it provides that the provisions of the bill are intended to clarify the existing law relating to land trusts and that the bill applies to all land trusts, whether the land trust was created before, on, or after the effective date of the bill.

This bill does not appear to have a fiscal impact on state or local government.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

The bill does not appear to implicate any of the House Principles.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

Land Trusts in General

The essential purpose of a land trust is to provide a flexible and practical method for the acquisition, financing, and disposition of real estate. Illinois appears to have been the first state to recognize the land trust, and for that reason, the land trust is often referred to as the "Illinois Land Trust."¹ The land trust is a modified form of a conventional trust agreement; however, it is limited to an arrangement where the trustee holds title to the real property but all the active managerial and administrative powers are reserved to the beneficiaries. In a land trust, the trustee receives the legal title to the real property, but the usual attributes of real estate fee ownership are retained by the beneficiary. The beneficiary retains only a personal property interest.

The land trust has been equated to the Massachusetts business trust from which the land trust undoubtedly evolved.² However, unlike a Massachusetts business trust, a land trust is generally viewed as a vehicle for holding title to real property rather than as an operating business entity. The land trust is created through the use of two instruments: 1) a deed in trust, where the real property is conveyed to the trustee, and 2) a trust agreement under which the trustee acts. Land trusts have been found to have several advantages:

- Interests in land trusts cannot be partitioned, and transferring beneficial interests is relatively easy.
- Interests of beneficiaries cannot be disclosed without a court order.
- Judgments against the beneficiaries do not affect legal title of the real property.
- The beneficial interest in the land trust is personal property. Since it is personal property, non-residents of Florida can avoid ancillary administration.
- The death of a beneficiary does not terminate the trust, and testamentary dispositions can be made in the trust agreement.

The trustee to a land trust is the party designated in the trust agreement to hold legal and equitable title to the land trust property. The beneficiary is the party designated in the trust agreement as having the power to direct the trustee with regard to the trust property, as well as, the control of the management, operation, rental and sale of the trust property and the right to the earnings and proceeds of the trust property. The power of direction is the right to control the trustee's disposition of title to the real property and the execution of trust documents.

² *Schumann-Henk v. Folsom*, 159 N.E. 250 (Ill. 1927).

Situations Where a Land Trust May Be Beneficial

A land trust may be useful in situations where multiple owners hold title to real property. In such cases, the potential exists for judgments, divorce, death, bankruptcy or incompetency of a single beneficiary to cloud the title to all or a part of the real property. The use of the land trust prevents the possibility of clouds on the title in these situations.

Where real estate projects are spread across multiple investors, the use of a land trust can reduce delays where signatures must be obtained from remote locations and can facilitate the many conveyances necessary in subdivisions and condominiums.

A key feature of the land trust is that interests of beneficiaries may not be disclosed without a court order. There are situations where purchasers of real estate may wish not to publicize their ownership of that real property. The land trust permits such individuals to keep their names from the public record.

Judgments against the beneficiaries do not affect the legal title to the real property held in a land trust. The title to the real property held in a land trust can be conveyed free and clear of any judgment liens against a beneficiary. Judgments can, however, be enforced against an individual's beneficial interest in a land trust.

The beneficial interest in the land trust is personal property. Non-residents of Florida, by placing title to their real estate in a land trust, may be able to avoid ancillary probate administration in the event of death.

Use of the land trust as a vehicle for holding title to real property permits the preservation of tax benefits under the Internal Revenue Code. All of the tax advantages of individual ownership may be retained when a land trust is properly used to hold title to real property. The deduction for expenses flows directly through the beneficial owners, assuming that all of the criteria to prevent the land trust from becoming an entity taxable as a corporation are met.

Land Trusts in Florida

In Florida, land trusts are presently a creature of statute rather than case law. In 1963, the Florida Legislature created s. 689.071, F.S., which statutorily recognized the Florida Land Trust. Section 689.071(1), F.S., provides that the land trustee receives legal and equitable title to the real property. The deed must be recorded and must give to the trustee full power and authority either to protect, conserve and to sell or to lease, or to encumber or otherwise to manage and dispose of the real property described in the deed. The trustee can only deal with the property within the power and authority granted in the recorded deed.

Section 689.071(2), F.S., states that any grantee, mortgagee, lessee, transferee, assignee, or person obtaining satisfactions or releases from a trustee holding title to real property in trust under a recorded trust deed that meets the requirements of s. 689.071, F.S., does not have to inquire into the identification or status of any named or unnamed beneficiary, their heirs or assigns or to the authority of the trustee to act within the powers granted in the recorded deed, nor is there any requirement to inquire into the provisions of an unrecorded trust document whether such document is referenced in the deed or not.

Section 689.071(3), F.S., provides that all persons dealing with the trustee under any recorded instrument that has been prepared in accordance with the section takes free and clear of the claims of all named or unnamed beneficiaries of the trust and of any unrecorded declarations or agreements collateral to the trust, whether they are referred to in the agreement or not. This subsection further

provides that anyone claiming under the beneficiaries, including claims arising out of any dower³ or curtesy⁴ interest of the spouse of a beneficiary, does not have a claim against the grantee if all of the provisions of this section have been met.⁵

Section 689.071(4), F.S., states that in all cases where the recorded instrument contains a provision declaring the interest of the beneficiary to be personal property only, that provision shall be controlling for all purposes where such determination becomes an issue under the laws or in the courts of Florida. This provision makes it possible for a beneficiary to convey his or her interest in the real property by assignment of beneficial interest rather than by the execution and recording of a deed.

Courts have held that the statutory land trust is not an ordinary inter vivos trust that is administered under Florida's trust administration laws in ch. 737, F.S.⁶ Florida courts have held that a grantee from a land trustee need not look beyond the trustee's deed in trust to determine his or her powers.⁷ Courts have held that s. 689.071, F.S., is a codification of land trust case law and is an adoption of the Illinois land trust.⁸

Statute of Uses

In the Middle Ages, the features of feudal tenure, primogeniture and forfeiture often resulted in transfers of land to others for the benefit of the grantor. The Statute of Uses, adopted at the time of Henry VIII, was created in order to have these transfers become complete transfers in fee. The result of the execution of a trust under the Statute of Uses was to vest the holder of the "use" with the actual legal estate. However, in spite of the enactment of the Statute of Uses, English courts found that it was inapplicable to active trusts and the concept of trusts remains part of present day law. The Statute of Uses continues as part of the common law of the United States. Florida's Statute of Uses is codified in s. 689.09, F.S.

Homestead Exemption

Article VII, s. 6 of the State Constitution authorizes a \$25,000 ad valorem property tax exemption for homestead property. In 1992, Florida voters approved the so-called "Save Our Homes" amendment to the State Constitution. This amendment limits the annual growth in the assessed value of homestead property to 3 percent over the prior year assessment or the percentage change in the U. S. Consumer Price Index, whichever is less. It also provides for a reassessment of homestead property at just value after any change of ownership.⁹

The beneficiary of a passive trust or active trust has equitable title to real property if he is entitled to the use and occupancy of the property under the terms of the trust, and thus is eligible for the homestead exemption.¹⁰ However, the homestead tax exemption may not be based upon residence of a beneficiary under a trust instrument which vests no present possessory right in such beneficiary.¹¹

Effect of Proposed Changes

The bill amends s. 689.071, F.S., to codify existing practice and case law in the area of land trusts as follows:

SHORT TITLE - renames the section the "Florida Land Trust Act."

DEFINITIONS - provides definitions of the terms "beneficial interest," "beneficiary," "land trust," "holders of the power of direction," and "trustee."

BENEFICIARY CLAIMS - removes a provision that refers to claims arising out of dower or curtesy.

LAND TRUST BENEFICIARIES - creates provisions relating to land trust beneficiaries to provide that:

- Beneficiaries are not liable, solely by reason of being a beneficiary, for a debt, obligation, or liability of the land trust.
- Beneficiaries acting under a land trust agreement are not liable to the trustee or to any other beneficiary for good-faith reliance on the provisions of the trust agreement.
- Chapter 679, F.S., relating to secured transactions under the Uniform Commercial Code applies to the perfection of any security interest in a beneficial interest in a land trust and that the perfection of a security interest in a beneficial interest in a land trust does not impair or diminish the authority of the trustee under the recorded instrument, and parties dealing with the trustee are not required to inquire into the terms of the unrecorded trust agreement.
- A beneficiary's duties and liabilities may be expanded or restricted in a trust agreement or a beneficiary agreement.
- Any subsequent document appearing of record in which a beneficiary transfers or encumbers the beneficial interest in the trust does not diminish or impair the authority of the trustee under the terms of the recorded instrument and that parties dealing with the trustee are not required to inquire into the terms of the unrecorded trust agreement.
- An unrecorded trust agreement underlying a recorded instrument may provide that one or more persons or entities have the power to direct the trustee to convey, execute a mortgage, distribute proceeds of sale or financing, and execute documents incidental to the land trust.
- The power of direction, unless provided otherwise in the land trust agreement, is conferred upon the holders of the power of direction for the use and benefit of all of the beneficiaries.
- In the absence of a provision in the land trust agreement to the contrary, the power of direction must be in accordance with the percentage of individual ownership.
- In exercising the power of direction, the holders of the power of direction are presumed to act in a fiduciary capacity for the benefit of all beneficiaries, unless it is otherwise provided in the land trust agreement.
- The beneficial interest is indefeasible¹² and the power of direction may not be exercised so as to alter, amend, revoke, terminate, defeat, or otherwise affect or change the enjoyment of any beneficial interest.

¹² "That which cannot be defeated, revoked, or made void." BLACK'S LAW DICTIONARY (8th ed. 1999).

- A trust relating to real estate does not fail, and any use relating to real estate may not be defeated, because beneficiaries are not specified by name in the recorded deed of conveyance to the trustee or because duties are not imposed upon the trustee.
- The power conferred by any recorded deed of conveyance on a trustee to sell, lease, encumber, or otherwise dispose of property is effective and a person dealing with the trustee is not required to inquire any further into the right of the trustee to act or as to the disposition of any proceeds.
- The principal residence of a beneficiary may be entitled to the homestead tax exemption even if the homestead is held by a trustee in a land trust.

SUCCESSOR TRUSTEE - creates provisions relating to a successor trustee to provide that:

- The provisions of s. 737.309, F.S., regarding the resignation of a trustee, do not apply to the appointment of a successor trustee of a land trust.
- If both the recorded instrument and the unrecorded land trust agreement are silent as to the appointment of a successor trustee, then one or more persons or entities having the power of direction of the land trust may appoint a successor or successors by filing a declaration of appointment of a successor trustee. Such a declaration must be signed, acknowledged, and must contain the legal description of the trust property; the name and address of the former trustee; the name and address of the successor trustee; and a statement that the successor trustee has been appointed by one or more persons or entities having the power of direction of the land trust, together with an acceptance of appointment by the successor trustee.
- If the recorded instrument is silent as to the appointment of a successor trustee but an unrecorded land trust agreement provides for the appointment of a successor trustee, then upon the appointment of a successor trustee pursuant to the terms of the unrecorded land trust agreement, the successor trustee shall file a declaration of appointment of a successor trustee.
- If the appointment of the successor trustee is due to the death or incapacity of the former trustee, the declaration need not be signed by the former trustee and a copy of the death certificate or a statement that the former trustee is incapacitated or unable to serve must be attached to or included in the declaration, as applicable.
- If the recorded instrument provides for the appointment of a successor trustee and a successor trustee is appointed in accordance with the recorded instrument, no additional declarations of appointment of a successor trustee are required under this section.
- Each successor land trustee appointed is fully vested with all the estate, properties, rights, powers, trusts, duties, and obligations of the predecessor land trustee, except that the successor land trustee is not under any duty to inquire into the acts or omissions of a predecessor trustee and is not liable for any act or failure to act of a predecessor trustee. A person dealing with the successor trustee pursuant to a declaration is not obligated to inquire into or ascertain the authority of the successor trustee to act within and exercise the powers granted under the recorded instruments or any unrecorded declarations or agreements.
- A land trust agreement may provide that the trustee, when directed to do so by the beneficiaries of the land trust or their legal representatives, may convey the trust property directly to another trustee on behalf of the beneficiaries or others named by the beneficiaries.

TRUSTEE AS CREDITOR - creates provisions relating to a land trustee as a creditor to provide that:

- If a debt is secured by a security interest in a beneficial interest in a land trust or by a mortgage on land trust property, the validity or enforceability of the debt, security interest, or mortgage and the rights, remedies, powers, and duties of the creditor with respect to the debt or the security are not affected by the fact that the creditor and the trustee are the same person or entity, and the creditor may extend credit, obtain such security interest or mortgage, and acquire and deal with the property comprising the security as though the creditor were not the trustee.
- A trustee of a land trust does not breach a fiduciary duty to the beneficiaries, and it may not be deemed evidence of a breach of any fiduciary duty owed by the trustee to the beneficiaries, for a trustee to be or become a secured or unsecured creditor of the land trust, the beneficiary of the land trust, or a third party whose debt to such creditor is guaranteed by a beneficiary of the land trust.

RETROACTIVITY – section 3 of the bill provides that it is intended to clarify the existing law relating to land trusts and that the bill applies to all land trusts, whether the land trust was created before, on, or after the effective date of the bill, which is October 1, 2006.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

2. Expenditures:

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

The bill does not appear to have any significant economic impact on the private sector. It is intended to clarify and codify existing law relating to land trusts. In that vein, it may provide consistency and predictability to this area of law and benefit those who use and administer land trusts.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

Retroactivity

Unless the Legislature states otherwise, legislation is presumed to operate prospectively only, especially when retrospective operation would impair existing rights.¹³ Common law provides that the government, through rule or legislation, cannot adversely affect substantive rights once such rights have vested.¹⁴ Courts have used a weighing process to decide whether to sustain the retroactive application of a statute that has three considerations: the strength of the public interest served by the statute, the extent to which the right affected is abrogated, and the nature of the right affected.¹⁵ It does not appear that the provisions of this bill will affect any vested substantive rights since it is intended to clarify and codify existing law relating to land trusts and is remedial in nature.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

HB 7099

2006

A bill to be entitled

An act relating to land trusts; amending s. 689.071, F.S.; providing a short title; providing definitions; revising provisions relating to land trust transfers of real property and vesting of ownership in a trustee; deleting a requirement that a trustee be qualified to act as a fiduciary; deleting obsolete references to "dower" and "curtesy"; specifying rights, liabilities, and duties of land trust beneficiaries; providing that the principal residence of a beneficiary which is held in a land trust may be entitled to the homestead tax exemption; providing for the appointment of successor trustees; providing requirements for declarations of appointment; providing that a trustee of a land trust may be a creditor of the trust or of a trust beneficiary; amending s. 201.02, F.S.; conforming a cross-reference; providing application; providing an effective date.

Section 1. Section 689.071, Florida Statutes, is amended to read:

689.071 Florida Land Trust Act ~~trusts transferring interests in real estate; ownership vests in trustee.--~~

(1) SHORT TITLE.--This section may be cited as the "Florida Land Trust Act."

(2) DEFINITIONS.--As used in this section, the term:

(a) "Beneficial interest" means any interest, vested or

HB 7099

2006

contingent and regardless of how small or minimal such interest may be, in a land trust which is held by a beneficiary.

(b) "Beneficiary" means any person or entity having a beneficial interest in a land trust. A trustee may be a beneficiary of the land trust for which such trustee serves as trustee.

(c) "Holder of the power of direction" means any person or entity having the authority to direct the trustee to convey property or interests, execute a mortgage, distribute proceeds of a sale or financing, and execute documents incidental to the administration of a land trust.

(d) "Land trust" is not the creation of an entity, but means any express written agreement or arrangement by which a use, confidence, or trust is declared of any land, or of any charge upon land, for the use or benefit of any beneficiary, under which the title to real property, both legal and equitable, is held by a trustee, subject only to the execution of the trust, which may be enforced by the beneficiaries.

(e) "Trustee" means the person or entity designated in a trust instrument to hold legal and equitable title to property of a land trust.

~~(3)-(1)~~ OWNERSHIP VESTS IN TRUSTEE.--Every conveyance, deed, mortgage, lease assignment, or other instrument heretofore or hereafter made, hereinafter referred to as "the recorded instrument," transferring any interest in real property in this state, including, but not limited to, a leasehold or mortgagee interest, to any person or any corporation, bank, trust company, or other entity duly formed under the laws of its state

HB 7099

2006

57 ~~of qualification qualified to act as a fiduciary in this state,~~
 58 in which recorded instrument the person, corporation, bank,
 59 trust company, or other entity is designated "trustee," or "as
 60 trustee," without therein naming the beneficiaries of such
 61 trust, whether or not reference is made in the recorded
 62 instrument to any separate collateral unrecorded declarations or
 63 agreements, is effective to vest, and is hereby declared to have
 64 vested, in such trustee full rights of ownership over the real
 65 property or interest therein, with full power and authority as
 66 granted and provided in the recorded instrument to deal in and
 67 with the property or interest therein or any part thereof;
 68 provided, the recorded instrument confers on the trustee the
 69 power and authority either to protect, conserve and to sell, or
 70 to lease, or to encumber, or otherwise to manage and dispose of
 71 the real property described in the recorded instrument.

72 ~~(4)-(2)~~ NO DUTY TO INQUIRE.--Any grantee, mortgagee,
 73 lessee, transferee, assignee, or person obtaining satisfactions
 74 or releases or otherwise in any way dealing with the trustee
 75 with respect to the real property or any interest in such
 76 property ~~properties~~ held in trust under the recorded instrument,
 77 as hereinabove provided for, is not obligated to inquire into
 78 the identification or status of any named or unnamed
 79 beneficiaries, or their heirs or assigns to whom a trustee may
 80 be accountable under the terms of the recorded instrument, or
 81 under any unrecorded separate declarations or agreements
 82 collateral to the recorded instrument, whether or not such
 83 declarations or agreements are referred to therein; or to
 84 inquire into or ascertain the authority of such trustee to act

HB 7099

2006

within and exercise the powers granted under the recorded instrument; or to inquire into the adequacy or disposition of any consideration, if any is paid or delivered to such trustee in connection with any interest so acquired from such trustee; or to inquire into any of the provisions of any such unrecorded declarations or agreements.

(5)-(3) BENEFICIARY CLAIMS.--All persons dealing with the trustee under the recorded instrument as hereinabove provided take any interest transferred by the trustee thereunder, within the power and authority as granted and provided therein, free and clear of the claims of all the named or unnamed beneficiaries of such trust, and of any unrecorded declarations or agreements collateral thereto whether referred to in the recorded instrument or not, and of anyone claiming by, through, or under such beneficiaries. However, this section does not prevent including, and without limiting the foregoing to, any claim arising out of any dower or curtesy interest of the spouse of any beneficiary thereof; provided, nothing herein contained prevents a beneficiary of any such unrecorded collateral declarations or agreements from enforcing the terms thereof against the trustee.

(6)-(4) PERSONAL PROPERTY.--In all cases in which the recorded instrument, as hereinabove provided, contains a provision defining and declaring the interests of beneficiaries thereunder to be personal property only, such provision shall be controlling for all purposes when such determination becomes an issue under the laws or in the courts of this state.

HB 7099

2006

~~(7)(5)~~ TRUSTEE LIABILITY.--In addition to any other limitation on personal liability existing pursuant to statute or otherwise, the provisions of s. 737.306 apply to the trustee of a land trust created pursuant to this section.

(8) LAND TRUST BENEFICIARIES.--

(a) Except as provided in this section, the beneficiaries of a land trust are not liable, solely by being a beneficiary, under a judgment, decree, or order of court or in any other manner for a debt, obligation, or liability of the land trust.

(b) Any beneficiary acting under the trust agreement of a land trust is not liable to the land trust's trustee or to any other beneficiary for the beneficiary's good faith reliance on the provisions of the trust agreement.

(c) Chapter 679 applies to the perfection of any security interest in a beneficial interest in a land trust. The perfection of a security interest in a beneficial interest in a land trust does not impair or diminish the authority of the trustee under the recorded instrument, and parties dealing with the trustee are not required to inquire into the terms of the unrecorded trust agreement.

(d) A beneficiary's duties and liabilities may be expanded or restricted in a trust agreement or beneficiary agreement.

(e) Any subsequent document appearing of record in which a beneficiary of a trust transfers or encumbers the beneficial interest in the trust does not diminish or impair the authority of the trustee under the terms of the recorded instrument. Parties dealing with the trustee are not required to inquire into the terms of the unrecorded trust agreement.

HB 7099

2006

140 (f) An unrecorded trust agreement giving rise to a
141 recorded instrument for a land trust may provide that one or
142 more persons or entities have the power to direct the trustee to
143 convey property or interests, execute a mortgage, distribute
144 proceeds of a sale or financing, and execute documents
145 incidental to administration of the land trust. The power of
146 direction, unless provided otherwise in the land trust
147 agreement, is conferred upon the holders of the power for the
148 use and benefit of all holders of any beneficial interest in the
149 land trust. In the absence of a provision in the land trust
150 agreement to the contrary, the power of direction shall be in
151 accordance with the percentage of individual ownership. In
152 exercising the power of direction, the holders of the power of
153 direction are presumed to act in a fiduciary capacity for the
154 benefit of all holders of any beneficial interest in the trust,
155 unless otherwise provided in the land trust agreement. A
156 beneficial interest is indefeasible, and the power of direction
157 may not be exercised so as to alter, amend, revoke, terminate,
158 defeat, or otherwise affect or change the enjoyment of any
159 beneficial interest.

160 (g) A trust relating to real estate does not fail, and any
161 use relating to real estate may not be defeated, because
162 beneficiaries are not specified by name in the recorded deed of
163 conveyance to the trustee or because duties are not imposed upon
164 the trustee. The power conferred by any recorded deed of
165 conveyance on a trustee to sell, lease, encumber, or otherwise
166 dispose of property described in the deed is effective, and a
167 person dealing with the trustee is not required to inquire any

HB 7099

2006

further into the right of the trustee to act or the disposition
of any proceeds.

(h) The principal residence of a beneficiary may be
entitled to the homestead tax exemption even if the homestead is
held by a trustee in a land trust.

(9) SUCCESSOR TRUSTEE.--

(a) The provisions of s. 737.309 relating to the
resignation of a trustee do not apply to the appointment of a
successor trustee under this section.

(b) If the recorded instrument and the unrecorded land
trust agreement are silent as to the appointment of a successor
trustee in the event of the death, incapacity, resignation, or
termination due to dissolution of a land trustee or if a land
trustee is unable to serve as trustee, one or more persons or
entities having the power of direction of the land trust
agreement may appoint a successor trustee or trustees of the
land trust by filing a declaration of appointment of a successor
trustee or trustees in the office of the recorder of deeds in
the county in which the trust property is located. The
declaration must be signed by a beneficiary or beneficiaries of
the trust and by each successor trustee, must be acknowledged in
the manner provided for acknowledgment of deeds, and must
contain:

1. The legal description of the trust property.

2. The name and address of the former trustee.

3. The name and address of each successor trustee.

4. A statement that each successor trustee has been
appointed by one or more persons or entities having the power of

HB 7099

2006

196 direction of the land trust, together with an acceptance of
197 appointment by each successor trustee.

198 (c) If the recorded instrument is silent as to the
199 appointment of a successor trustee or trustees but an unrecorded
200 land trust agreement provides for the appointment of a successor
201 trustee or trustees in the event of the death, incapacity,
202 resignation, or termination due to dissolution of the land
203 trustee, upon the appointment of any successor trustee pursuant
204 to the terms of the unrecorded land trust agreement, each
205 successor trustee shall file a declaration of appointment of a
206 successor trustee in the office of the recorder of deeds in the
207 county in which the trust property is located. The declaration
208 must be signed by both the former trustee and each successor
209 trustee, must be acknowledged in the manner provided for
210 acknowledgment of deeds, and must contain:

211 1. The legal description of the trust property.

212 2. The name and address of the former trustee.

213 3. The name and address of the successor trustee.

214 4. A statement of resignation by the former trustee and a
215 statement of acceptance of appointment by each successor
216 trustee.

217 5. A statement that each successor trustee was duly
218 appointed under the terms of the unrecorded land trust
219 agreement.

220
221 If the appointment of any successor trustee is due to the death
222 or incapacity of the former trustee, the declaration need not be
223 signed by the former trustee and a copy of the death certificate

HB 7099

2006

224 or a statement that the former trustee is incapacitated or
225 unable to serve must be attached to or included in the
226 declaration, as applicable.

227 (d) If the recorded instrument provides for the
228 appointment of any successor trustee and any successor trustee
229 is appointed in accordance with the recorded instrument, no
230 additional declarations of appointment of any successor trustee
231 are required under this section.

232 (e) Each successor land trustee appointed is fully vested
233 with all the estate, properties, rights, powers, trusts, duties,
234 and obligations of the predecessor land trustee, except that any
235 successor land trustee is not under any duty to inquire into the
236 acts or omissions of a predecessor trustee and is not liable for
237 any act or failure to act of a predecessor trustee. A person
238 dealing with any successor trustee pursuant to a declaration
239 filed under this section is not obligated to inquire into or
240 ascertain the authority of the successor trustee to act within
241 or exercise the powers granted under the recorded instruments or
242 any unrecorded declarations or agreements.

243 (f) A land trust agreement may provide that the trustee,
244 when directed to do so by the beneficiaries of the land trust or
245 legal representatives of the beneficiaries, may convey the trust
246 property directly to another trustee on behalf of the
247 beneficiaries or others named by the beneficiaries.

248 (10) TRUSTEE AS CREDITOR.--

249 (a) If a debt is secured by a security interest in a
250 beneficial interest in a land trust or by a mortgage on land
251 trust property, the validity or enforceability of the debt,

HB 7099

2006

252 security interest, or mortgage and the rights, remedies, powers,
253 and duties of the creditor with respect to the debt or the
254 security are not affected by the fact that the creditor and the
255 trustee are the same person or entity, and the creditor may
256 extend credit, obtain any necessary security interest or
257 mortgage, and acquire and deal with the property comprising the
258 security as though the creditor were not the trustee.

259 (b) A trustee of a land trust does not breach a fiduciary
260 duty to the beneficiaries, and it is not evidence of a breach of
261 any fiduciary duty owed by the trustee to the beneficiaries for
262 a trustee to be or become a secured or unsecured creditor of the
263 land trust, the beneficiary of the land trust, or a third party
264 whose debt to such creditor is guaranteed by a beneficiary of
265 the land trust.

266 (11)(6) REMEDIAL ACT.--This act is remedial in nature and
267 shall be given a liberal interpretation to effectuate the intent
268 and purposes hereinabove expressed.

269 (12)(7) EXCLUSION.--This act does not apply to any deed,
270 mortgage, or other instrument to which s. 689.07 applies.

271 Section 2. Subsection (4) of section 201.02, Florida
272 Statutes, is amended to read:

273 201.02 Tax on deeds and other instruments relating to real
274 property or interests in real property.--

275 (4) The tax imposed by subsection (1) shall also be
276 payable upon documents which convey or transfer, pursuant to s.
277 689.071, any beneficial interest in lands, tenements, or other
278 real property, or any interest therein, even though such
279 interest may be designated as personal property, notwithstanding

HB 7099

2006

280 the provisions of s. 689.071~~(6)~~~~(4)~~. The tax shall be paid upon
281 execution of any such document.

282 Section 3. This act is intended to clarify existing law
283 and applies to all land trusts whether created before, on, or
284 after October 1, 2006.

285 Section 4. This act shall take effect October 1, 2006.

SUMMARY ANALYSIS

During the 2005 Regular Session, the Legislature reenacted and saved from repeal the public records exemption that accompanies the interference with custody statute. Because the statute contained substantive language inconsistencies, the repeal date was extended from October 2, 2005, to October 2, 2006, in order to trigger an additional review of the substantive language.

The bill revises the interference with custody statute. It broadens an existing exception to the statute making the exception available to any person having a legal right to custody of a minor, rather than simply to a spouse. The exception is applicable not only to the taking of a child but also to the taking of an incompetent person.

The bill also revises an existing defense under the statute. In order to utilize a defense based on being a victim of domestic violence, a defendant must establish that he or she reasonably believed the action of taking the minor or incompetent person was necessary in order to escape from the violence or preserve the minor or incompetent person from exposure to the violence. It revises a second defense, to require that, in order to utilize the defense that the child or incompetent person instigated his or her own taking, a defendant must establish that it was reasonable to rely on the instigating actions of the minor or incompetent person.

The bill clarifies existing language to specify that the exception to prosecution applies to the specific offenses of interference with custody.

The interference with custody statute will repeal on October 2, 2006, if this bill does not become law.

The bill does not appear to create, modify, or eliminate rulemaking authority.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Safeguard individual liberty – The bill broadens the exception to the interference with custody statute making it available to *any person* having a legal right to custody of a minor, rather than simply to spouses. The exception is applicable not only to the taking of a child but also to the taking of an incompetent person.

Empower Families – The bill broadens the exception to the interference with custody statute making it available to *any person* having a legal right to custody of a minor, rather than simply to spouses. The exception also applies to the taking of an incompetent person.

B. EFFECT OF PROPOSED CHANGES:

Background

Interference with Custody

In 1974, the Legislature created the offense of interference with custody. At present, there are two variations to the offense:

- It is a third-degree felony for any person, without legal authority, to knowingly or recklessly take a child 17 years of age or under or any incompetent person from the custody of his or her parent, guardian, a public agency in charge of the child or incompetent person, or any other lawful custodian.¹
- It is a third-degree felony, in the absence of a court order determining custody or visitation rights, for a parent, stepparent, guardian, or relative who has custody of a child or incompetent person to take or conceal the child or incompetent person with a malicious intent to deprive another person of his or her right to custody.²

There are three statutory defenses to the offense of interference with custody:

- The defendant reasonably believes that his or her action was necessary to protect the child or incompetent person from danger to his or her welfare.
- The defendant was the victim of an act of domestic violence or had reasonable cause to believe that his or her action was necessary to protect himself or herself from an act of domestic violence.
- The child or incompetent person was taken at his or her own instigation without enticement and without purpose to commit a criminal offense with or against the child or incompetent person.³

The statute does not apply if a spouse flees with a child or incompetent person because he or she:

- Is the victim of domestic violence or reasonably believes that he or she is about to become a victim of such violence; or
- Believes the welfare of the child or incompetent person is in danger.⁴

This exception to the statute does not apply to a person fleeing with an incompetent person for the aforementioned reasons.

¹ Section 787.03(1), F.S.

² Section 787.03(2), F.S.

³ Section 787.03(4)(a)-(c), F.S.

⁴ Section 787.03(6)(a), F.S.

In order to avail himself or herself of the exception for spouses, a person who takes a child must file a report with the sheriff's office or the state attorney's office of the county where the child resided at the time he or she was taken. Within 10 days of taking the child, the report must be filed and must contain the name of the person taking the child, the current address and telephone number of the person and child, and the reasons the child was taken.⁵ Within a reasonable time, the person also must commence a custody proceeding consistent with the federal Parental Kidnapping Prevention Act or the Uniform Child Custody Jurisdiction and Enforcement Act.⁶

Public Records Exemption

The name of the person taking the child and the current address and telephone number of that person and the child, which are contained in the report made to the sheriff or state attorney, are confidential and exempt from public records requirements.⁷ The public records exemption was scheduled for repeal on October 2, 2005, because of the Open Government Sunset Review Act. During the 2005 Regular Session, the Legislature reenacted the public records exemption and saved it from repeal. Because the interference with custody statute contained substantive language inconsistencies, the repeal date was extended from October 2, 2005, to October 2, 2006, in order to trigger an additional review of the substantive language.⁸

Effect of Bill

The bill revises the interference with custody statute to broaden an existing exception for a spouse who takes a minor during the course of fleeing domestic violence or protecting the welfare of the minor and reports their whereabouts to the sheriff or state attorney. The bill broadens the exception by making it available to *any person* having a legal right to custody of a minor, rather than simply to a spouse. The exception is applicable not only to the taking of a minor but also to the taking of an incompetent person.

The bill revises an existing defense under the statute. In order to utilize a defense based on being a victim of domestic violence, a defendant must establish that he or she reasonably believed the action of taking the minor or incompetent person was necessary in order to escape from the violence or preserve the minor or incompetent person from exposure to the violence. It revises a second defense, to require that, in order to utilize the defense that the minor or incompetent person instigated his or her own taking, a defendant must establish that it was reasonable to rely on the instigating actions of the minor or incompetent person.

The bill makes the offense of interference with custody applicable to the taking of a minor, replacing the term "child 17 years of age or under" with the term "minor," in order to avoid ambiguity over whether the law covers the taking of a child in the months between his or her 17th and 18th birthdays.

The bill clarifies existing language in s. 787.03(6)(a), F.S., to specify that the exception to prosecution provided in the statute applies to the specific offenses of interference with custody. As currently worded, the statute provides that "this section does not apply" in certain circumstances, which creates ambiguity about the effect of this provision on the application of related provisions in s. 787.03, F.S., such as the public records exemption.

C. SECTION DIRECTORY:

Section 1 amends s. 787.03, F.S., regarding the interference with custody.

Section 2 provides an effective date of October 1, 2006.

⁵ The sheriff or state attorney must be informed of any change of address or telephone number. Section 787.03(6)(b)3., F.S.

⁶ Section 787.03(6)(b), F.S.

⁷ Section 787.03(6)(c), F.S.

SUMMARY ANALYSIS

The Open Government Sunset Review Act requires the Legislature to review each public records and each public meetings exemption five years after enactment. If the Legislature does not reenact the exemption, it automatically repeals on October 2nd of the fifth year after enactment.

Current law provides a third-degree felony for the offense of "interference with custody"; however, a spouse who flees with a child because he or she is the victim of domestic violence or believes the welfare of the child is in danger does not commit a felony of the third degree. The fleeing spouse must file a report with the sheriff's office or the state attorney's office of the county where the child resided at the time he or she was taken. The report must contain the name of the person taking the child, the current address and telephone number of the person and child, and the reasons the child was taken.

In order to conform to changes proposed in HB 7111, this bill reenacts and expands the public records exemption for the current address and telephone number of the person fleeing with a child and of the child. The bill expands the exemption to include the current address and telephone number of the person fleeing with an incompetent person and of the incompetent person.

The bill provides for future review and repeal of the exemption. It also provides a statement of public necessity as required by the State Constitution, and provides a contingent effective date.

The bill may have a minimal non-recurring fiscal impact on state and local governments.

The bill requires a two-thirds vote of the members present and voting for passage.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government – The bill expands the public records exemption that accompanies the interference with custody statute thereby decreasing public access to government information.

B. EFFECT OF PROPOSED CHANGES:

Background

Interference with Custody

In 1974, the Legislature created the offense of interference with custody. At present, there are two variations to the offense:

- It is a third-degree felony for any person, without legal authority, to knowingly or recklessly take a child 17 years of age or under or any incompetent person from the custody of his or her parent, guardian, a public agency in charge of the child or incompetent person, or any other lawful custodian.¹
- It is a third-degree felony, in the absence of a court order determining custody or visitation rights, for a parent, stepparent, guardian, or relative who has custody of a child or incompetent person to take or conceal the child or incompetent person with a malicious intent to deprive another person of his or her right to custody.²

The statute does not apply if a spouse flees with a child or incompetent person because he or she:

- Is the victim of domestic violence or reasonably believes that he or she is about to become a victim of such violence; or
- Believes the welfare of the child or incompetent person is in danger.³

This exception to the statute does not apply to a person fleeing with an incompetent person for the aforementioned reasons.

In order to avail himself or herself of the exception for spouses, a person who takes a child must file a report with the sheriff's office or the state attorney's office of the county where the child resided at the time he or she was taken. Within 10 days of taking the child, the report must be filed and must contain the name of the person taking the child, the current address and telephone number of the person and child, and the reasons the child was taken.⁴ Within a reasonable time, the person also must commence a custody proceeding consistent with the federal Parental Kidnapping Prevention Act or the Uniform Child Custody Jurisdiction and Enforcement Act.⁵

Public Records Exemption

The current address and telephone number of the person taking the child and of the child, which are contained in the report made to the sheriff or state attorney, are confidential and exempt⁶ from public records requirements.⁷ The public records exemption was scheduled for repeal on October 2, 2005,

because of the Open Government Sunset Review Act.⁸ During the 2005 Regular Session, the Legislature reenacted the public records exemption and saved it from repeal. Because the interference with custody statute contained substantive language inconsistencies, the repeal date was extended from October 2, 2005, to October 2, 2006, in order to trigger an additional review of the substantive language.⁹ As a result, the exemption will repeal on October 2, 2006, unless reenacted by the Legislature.

HB 7113

This bill revises the interference with custody statute to broaden an existing exception for a spouse who takes a minor during the course of fleeing domestic violence or protecting the welfare of the minor, and reports their whereabouts to the sheriff or state attorney. It provides that the exception is applicable not only to the taking of a minor but also to the taking of an incompetent person. As such, it is recommended that the public records exemption be amended to reflect this change.

Effect of Bill

The bill reenacts and expands the public records exemption to conform to the recommended changes to the interference with custody statute made in HB 7111. The bill expands the exemption to include the current address and telephone number of the person fleeing with an incompetent person and of the incompetent person. The sheriff or state attorney may allow an agency, as defined in the Public Records Act, to inspect and copy such records in the furtherance of that agency's duties and responsibilities.

The bill extends the repeal date from October 2, 2006, to October 2, 2011. It also provides a statement of public necessity as required by the State Constitution, and provides a contingent effective date.

C. SECTION DIRECTORY:

Section 1 amends s. 787.03, F.S., to reenact and expand the public records exemption regarding the interference with custody.

Section 2 provides a public necessity statement.

Section 3 provides an October 1, 2006, effective date contingent upon the passage of additional legislation.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

The bill does not create, modify, amend, or eliminate a state revenue source.

2. Expenditures:

See FISCAL COMMENTS.

⁶ There is a difference between records that are exempt from public records requirements and those that are *confidential* and exempt. If the Legislature makes a record confidential and exempt, such record cannot be released by an agency to anyone other than to the persons or entities designated in the statute. See Attorney General Opinion 85-62. If a record is simply made exempt from disclosure requirements, an agency is not prohibited from disclosing the record in all circumstances. See *Williams v. City of Minneola*, 575 So.2d 683, 687 (Fla. 5th DCA), review denied, 589 So.2d 289 (Fla. 1991).

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

The bill does not create, modify, amend, or eliminate a local revenue source.

2. Expenditures:

See FISCAL COMMENTS.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

The bill may create a minimal non-recurring increase in state and local government expenditures. A bill enacting or amending the public records law causes a non-recurring negative fiscal impact in the year of enactment due to training employees who are responsible for replying to public records requests. In the case of bills reviewed under the Open Government Sunset Review process, training costs are incurred if the bill does not pass or if the exemption is amended, as employees must be retrained. Because the bill expands the public records exemption, employee-training activities are required thus causing a minimal nonrecurring increase in expenditures.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The bill does not require counties or municipalities to spend funds or to take an action requiring the expenditure of funds. The bill does not reduce the percentage of a state tax shared with counties or municipalities. The bill does not reduce the authority that municipalities have to raise revenue.

2. Other:

Vote Requirement

Article I, s. 24(c) of the State Constitution, requires a two-thirds vote of the members present and voting for passage of a newly created public records or public meetings exemption. The bill *expands* the current exemption, essentially creating a new public records exemption. Thus, the bill requires a two-thirds vote for passage.

Public Necessity Statement

Article I, s. 24(c) of the State Constitution, requires a statement of public necessity (public necessity statement) for a newly created public records or public meetings exemption. The bill *expands* the current exemption, essentially creating a new public records exemption. Thus, the bill includes a public necessity statement.

B. RULE-MAKING AUTHORITY:

The bill does not appear to create, modify, or eliminate rulemaking authority.

C. DRAFTING ISSUES OR OTHER COMMENTS:

Open Government Sunset Review Act

The Open Government Sunset Review Act sets forth a legislative review process for newly created or substantially amended public records or public meetings exemptions. It requires an automatic repeal of the exemption on October 2nd of the fifth year after creation or substantial amendment, unless the Legislature reenacts the exemption.

The Act provides that a public records or public meetings exemption may be created or maintained only if it serves an identifiable public purpose, and may be no broader than is necessary to meet one of the following purposes:

- Allowing the state or its political subdivisions to effectively and efficiently administer a governmental program, which administration would be significantly impaired without the exemption;
- Protecting sensitive personal information that, if released, would be defamatory or would jeopardize an individual's safety. However, only the identity of an individual may be exempted under this provision; or,
- Protecting trade or business secrets.

If, and only if, in reenacting an exemption that will repeal, the exemption is expanded (essentially creating a new exemption), then a public necessity statement and a two-thirds vote for passage are required because of the requirements of Art. 1, s. 24(c), Florida Constitution. If the exemption is reenacted with grammatical or stylistic changes that do not expand the exemption, if the exemption is narrowed, or if an exception to the exemption is created (e.g., allowing another agency access to the confidential or exempt records), then a public necessity statement and a two-thirds vote for passage are not required.

IV. AMENDMENTS/COMMITTEE SUBSTITUTE & COMBINED BILL CHANGES

None.

HB 7113

2006

A bill to be entitled

An act relating to a review under the Open Government Sunset Review Act regarding the public records exemption for the interference with custody statute; amending s. 787.03, F.S.; expanding the public records exemption for specified information contained in a report made to a sheriff or state attorney as part of a statutory exception to the offense of interference with custody; providing that the address and telephone number of a minor or incompetent person contained in such report is confidential and exempt from public records requirements; providing an exception to the exemption; providing for review and repeal; providing a statement of public necessity; providing a contingent effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (c) of subsection (6) and subsection (7) of section 787.03, Florida Statutes, are amended to read:

787.03 Interference with custody.--

(6)

(c) 1. ~~The name of the person taking the child and~~ The current address and telephone number of the person and the minor or incompetent person which are ~~child that~~ are contained in the report made to a sheriff or state attorney under paragraph (b) are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

2. A sheriff or state attorney may allow an agency, as

HB 7113

2006

29 defined in s. 119.011, to inspect and copy records made
30 confidential and exempt under this paragraph in the furtherance
31 of that agency's duties and responsibilities.

32 3.(7)(a) This paragraph section is subject to the Open
33 Government Sunset Review Act of 1995 in accordance with s.
34 119.15 and is repealed on October 2, 2011 2006, unless reviewed
35 and saved from repeal through reenactment by the Legislature.

36 ~~(b) Pursuant to s. 119.15, the Division of Statutory~~
37 ~~Revision is directed to certify this section, in its entirety,~~
38 ~~in the list of Open Government Sunset Review exemptions to be~~
39 ~~certified by June 1, 2005.~~

40 Section 2. The Legislature finds that it is a public
41 necessity to expand the public records exemption for certain
42 information contained in a report to a sheriff or state attorney
43 made by a person who takes a minor in order to escape domestic
44 violence, avoid domestic violence, or preserve the welfare of
45 the minor. If an alleged perpetrator of domestic violence were
46 able to obtain the address and telephone information contained
47 in a report to the sheriff or state attorney under s. 787.03,
48 Florida Statutes, he or she could locate or contact the minor
49 and the person who removes the minor from a situation of actual
50 or imminent domestic violence or jeopardized welfare, thus
51 exposing them to potential additional harm. Keeping the address
52 and telephone number of that person and the minor confidential
53 and exempt protects their safety. For the same reasons, the
54 Legislature finds that it is a public necessity to expand this
55 public records exemption to include the taking of an incompetent
56 person within the coverage of the exemption. The underlying

HB 7113

2006

57 offense of interference with custody applies to the taking of an
58 incompetent person as well as to the taking of a person younger
59 than 18 years of age. In addition, the safety of an incompetent
60 person and the person seeking shelter with an incompetent person
61 is as vital as the safety of a minor and a person seeking
62 shelter with a minor. The underlying offense of interference
63 with custody envisions that an incompetent person is as
64 vulnerable as a minor. Therefore, the Legislature finds that the
65 public records exemption should apply to the address and
66 telephone number of the incompetent person and the person who
67 removes the incompetent person from a situation of actual or
68 imminent domestic violence or jeopardized welfare contained in a
69 report submitted to a sheriff or state attorney as prescribed in
70 s. 787.03, Florida Statutes. If persons seeking shelter with
71 minors or incompetent persons to escape domestic violence knew
72 that their addresses or telephone numbers could be obtained
73 through the reports to the sheriff or state attorney, they would
74 fear for their safety and would most likely refrain from making
75 the required reports, thereby thwarting the public policy of
76 encouraging the resolution of allegations of interference with
77 custody while also protecting individuals from harm. The public
78 records exemption, therefore, principally protects the safety of
79 individuals but also promotes the effective and efficient
80 administration of the interference with custody statute.

81 Section 3. This act shall take effect October 1, 2006, if
82 House Bill 7111 or similar legislation amending section 787.03,
83 Florida Statutes, is adopted in the same legislative session or
84 an extension thereof and becomes law.

SUMMARY ANALYSIS

This bill amends chapter 39, Florida Statutes, relating to child protection, to conform to provisions of the federal Adoption and Safe Families Act (ASFA) in three major areas. These areas are reasonable efforts, case planning, and permanency.

With regard to **reasonable efforts**, the bill amends current law to:

- Describe when reasonable efforts are required; and
- Clarify the nature of reasonable efforts required regarding both parental and relative placements at each stage of dependency proceedings.

With regard to **case planning**, the bill amends current law to:

- Provide that agreeing to a case plan does not constitute an admission of wrongdoing or consent to a finding of dependency;
- Recognize the role of mediation and family conferencing in the development of case plans;
- Define "concurrent case planning" and provide direction for its use;
- Replace pre-ASFA language relating to "extending the case plan" with clear direction as to the time frames and requirements for permanency hearings;
- Clarify options available to the court when it becomes clear that a case plan cannot be completed within the first 12 months that a child is in care;
- Provide new emphasis on current language that "time is of the essence" in case planning by placing that language more prominently in the statute; and
- Clarify the considerations and the process to be used in amending a case plan.

With regard to **permanency**, the bill amends current law to:

- Define "permanency hearings," "permanency plan," and "permanency goal," and
- Conform the permanency options under Florida law to those contained in federal law.

There is no anticipated fiscal impact on state or local government.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government – The Department of Children and Family Services is required to adopt rules to:

- Make available to all physical custodians and family services counselors the information required by s. 39.6012(2) and for ensuring that this information follows the child until permanency has been achieved; and
- Ensure that the federal Indian Child Welfare Act and the Multi-Ethnic Placement Act of 1994 are implemented.

Empower families – The bill will reduce delays in achieving permanency for children and includes families to a greater degree in the case planning process.

B. EFFECT OF PROPOSED CHANGES:

Background

Florida laws relating to child welfare issues were enacted long before federal intervention. The responsibility and authority to intervene in situations where a child is or appears to be in need of protection as a result of child abuse or neglect has traditionally been at the state rather than federal level.¹ However, beginning with the passage of the Child Abuse Prevention and Treatment Act (CAPTA) in 1974, Congress has enacted a number of laws having a significant effect on state child protection and child welfare services.²

The major federal laws impacting Florida's child protection system, listed in order of original enactment, are: CAPTA,³ the Indian Child Welfare Act (ICWA),⁴ the Adoption Assistance and Child Welfare Act,⁵ the Family Preservation and Family Support Services Program (established as part of the Omnibus Reconciliation Act of 1993),⁶ the Multi-Ethnic Placement Act (MEPA),⁷ the Adoption and Safe Families Act (ASFA),⁸ the Foster Care Independence Act,⁹ the Child Abuse Prevention and Enforcement Act,¹⁰ the Intercountry Adoption Act,¹¹ the Promoting Safe and Stable Families Amendments,¹² and the Keeping Children and Families Safe Act.¹³

The Adoption and Safe Families Act of 1997, which amends the 1980 Child Welfare Act, was signed into law on November 19, 1997. This law clarifies that the health and safety of children served by child welfare agencies must be the paramount concern of those agencies. It emphasizes moving children in foster care more quickly into permanent homes.¹⁴ Its implementing regulations¹⁵ became effective on March 27, 2000. These regulations incorporate provisions of ASFA and MEPA and amend pre-existing

regulations by adding new requirements for state compliance with Titles IV-B and IV-E of the Social Security Act.¹⁶

State and local child protection agencies that accept federal funds pursuant to Titles IV-B and IV-E of the Social Security Act are required to follow ASFA and its regulations. In FY 2004-2005, the last year for which figures are available, Florida received \$29,873,959 in federal funds pursuant to Title IV-B and \$190,309,299 in federal funds pursuant to Title IV-E of the Social Security Act. In that year, these sums amounted to 23.61 percent of the total budget for Florida's child welfare programs, a percentage which remains fairly consistent.¹⁷

As a prerequisite to accepting federal funding through Titles IV-B and IV-E of the Social Security Act, states were required to amend state legislation to bring it into compliance with ASFA. However, the short deadlines for compliance¹⁸ required states to draft legislation quickly, increasing the likelihood that inconsistencies would remain between state law and ASFA requirements. Further, since the required date for drafting statutory changes was earlier than the date of the issuance of the final ASFA regulations (January 25, 2000), the likelihood of inconsistencies between state and federal law was increased even further.

During the 1998 session, the Florida Legislature enacted significant changes to Florida's child protection statute, in part with the goal of bringing state law into compliance with ASFA.¹⁹ The ASFA-related changes included:

- Recognizing the parents' right to counsel at the shelter and subsequent hearings and the right, if indigent, to appointed counsel;
- Providing for access by the Department of Children and Families (DCF or the department) to federal and state parent locator services for diligent search activities;
- Increasing requirements for documentation in cases where the case plan goal is not reunification;
- Reducing the time period from 18 to 12 months for judicial review of permanency options for a child;
- Requiring judicial reviews for all children in out-of-home care every six months; and
- Authorizing but not requiring the use of concurrent case planning. Concurrent case planning is the practice of establishing a permanency goal in a case plan which uses reasonable efforts to reunify the child with the parent, while at the same time establishing an alternative or back-up permanency plan to be implemented if children cannot safely return to their biological parents.²⁰ If concurrent case planning is not used, the alternative goal is explored only after the court determines that reunification is no longer a viable permanency option for the child, a process that almost inevitably significantly delays permanence for the child.

The remaining major provisions of ASFA which must be reflected in state law may be described as:

- "Reasonable efforts" – ASFA redefines "reasonable efforts" to emphasize children's health and safety. It describes at least three circumstances when "reasonable efforts" are required by the state agency in child welfare cases: to prevent foster care placement, to finalize a permanency plan for each child, and to reunify families if such placement has occurred. It also describes situations when reasonable efforts to preserve families are not required;
- Case plan and review requirements – ASFA requires that the case plan and associated reviews specifically address child safety and permanency; and

- Increased emphasis on timely permanency decision making, including shorter time periods (shortened from 18 months to 12 months) to finalize a permanency plan, a new requirement for permanency hearings, and a limitation on the time period for reunification services to families.²¹

These three major provisions of ASFA were, for the most part, not addressed in the 1998 legislation. As a result, Florida law on these issues contains pre-ASFA provisions which are not consistent with current federal law.

Occurring simultaneously with the implementation of the ASFA-related changes, Florida's child welfare system has undertaken the transition from a traditional agency-driven structure to one in which child welfare services are delivered by community-based care lead agencies. These community-based care lead agencies are independent, non-profit organizations under contract with DCF to provide child welfare services. There are currently 22 lead agencies, each with several subcontracting agencies. This decentralization of service delivery has created additional opportunities for confusion related to the requirements of federal and state law in this area.

When state and federal laws are not consistent, the Supremacy Clause of the U.S. Constitution requires state courts to apply federal law.²² However, since most practitioners and decision makers in the Florida child welfare system are more familiar with Florida law than with federal law, the inconsistencies may not be recognized at the court or agency level and may result in failure to comply with federal laws that are detected when state practices are reviewed as part of the federal Child and Family Services Review (CFSR) process. Such failures may lead to the loss of significant federal financial support for Florida's child welfare program.

The proposed committee bill does the following:

- Creates new definitions of the terms "concurrent planning," "family team conference," "permanency goal," "permanency plan," "permanent guardian," and "permanent guardianship of a dependent child." Current definitions are also amended and or deleted to reflect provisions of the bill.
- Removes current provisions relating to time limitations in dependency cases and creates a new section that provides for added emphasis on that fact that time is of the essence for establishing permanency for a child in the dependency system and outlines the time limitations applicable to dependency cases.
- Clarifies that the provisions of chapter 39, F.S., do not supersede the requirements of the federal Indian Child Welfare Act, the Multi-Ethnic Placement Act of 1994, or their implementing regulations and encourages DCF to enter into agreements with recognized American Indian tribes.
- Provides background screening requirements for the out-of-home placement of children and the process for seeking an exemption from disqualification for placement.
- Clarifies the duty to report to the central abuse hotline the reasonable suspicion that a child is in need of supervision and care and has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care and clarifies the authority of the hotline to accept such reports. Adds a child who is known or suspected to be a victim of human trafficking to the list of offenses defined as "criminal conduct."

- Allows previous reports of child abuse, neglect, or abandonment to be considered in determining whether a child is safe as well as the existing risk to a child at any stage of a child protection proceeding; requires parents or legal custodians to notify the protective investigator of any change in the location or residence of a child while an investigation is open and clarifies that this notification can serve as the basis for a missing child report to law enforcement.
- Authorizes child protection teams within the Department of Health to provide assessment and support in any report alleging sexual abuse of a child.
- Requires that the order at the shelter hearing include a description of the specific services which could prevent or eliminate the need for the removal of a child and the date the services are expected to become available or an explanation of why the services are not available. The bill requires that the order contain a notice to all parties of the date, time, and place of the case plan conference, family team conference, or mediation that will be used to develop the case plan. It also requires the court to inquire, and the parents to provide, the names and location information of all relatives whom they wish to be considered for placement of the child. It requires the court to advise the parents that their parental rights may be terminated if the child is not returned to their custody within 12 months.
- Clarifies that children who are in a permanent guardianship with a relative are eligible for the relative caregiver program.
- Requires that the court consider the continuity of the child's placement in the same out-of-home residence as a factor in determining the best interests of a child when a petition is filed to change the custody of a child in an out-of-home placement.
- Creates new sections of chapter 39, F.S., describing the procedural and other requirements for developing a case plan, describing the tasks and services that must be addressed in a case plan and describing the process and grounds for case plan amendments.
- Clarifies that time is of the essence for permanency of children in the dependency system and provides direction to the court in conducting permanency hearings for children.
- Specifies the provisions of the permanency options of permanent guardianship of a dependent child, permanent placement with a fit and willing relative, and another planned permanent living arrangement, which conforms the permanency options for dependent children with the options described in federal law.
- Requires that judicial review social studies reports provided periodically to the court include copies of the child's current health and education records as identified in s. 39.6012, F.S., requires that the child's permanency goal be reviewed at the judicial review held no later than six months after the child is placed in shelter care, and requires an evaluation at that time of the need for concurrent planning for the child.
- Clarifies the circumstances under which DCF is required to file or be excused from filing a termination of parental rights petition at the time of the 12-month judicial review and provides authority for any party to seek judicial review of DCF's decision not to file this petition based on the enumerated grounds.
- Clarifies that a material breach of the case plan is grounds for filing a termination of parental rights petition before the expiration of the time period for compliance with the case plan if the court finds by clear and convincing evidence that the parent is unlikely or unable to substantially comply with the case plan before the time expires to comply with it.

- Provides that, in determining the manifest best interests of a child in the context of a termination of parental rights proceeding, the availability of a non-adoptive relative placement may not be considered as a factor weighing against the termination of parental rights and that, if a child has been in a stable or pre-adoptive placement for not less than six months, the availability of a different placement, including a placement with relative, may not be considered as a ground to deny the petition for termination of parental rights.
- Repeals sections 39.601, 39.622, 39.623, 39.624, and 435.045, Florida Statutes. These sections are related to case planning when parents do not participate and the child is in out-of-home care, long-term custody, long-term licensed custody, independent living, and employment screening requirements for placement of dependent children, respectively.

Section 1. Section 39.01, Florida Statutes, is amended to
read:

39.01 Definitions.--When used in this chapter, unless the
context otherwise requires:

(1) "Abandoned" means a situation in which the parent or
legal custodian of a child or, in the absence of a parent or
legal custodian, the caregiver responsible for the child's
welfare, while being able, makes no provision for the child's

HB 7123

2006

169 support and makes no effort to communicate with the child, which
170 situation is sufficient to evince a willful rejection of
171 parental obligations. If the efforts of the ~~such~~ parent or legal
172 custodian, or caregiver primarily responsible for the child's
173 welfare, to support and communicate with the child are, in the
174 opinion of the court, only marginal efforts that do not evince a
175 settled purpose to assume all parental duties, the court may
176 declare the child to be abandoned. The term "abandoned" does not
177 include an abandoned newborn infant as described in s. 383.50, a
178 "child in need of services" as defined in chapter 984, or a
179 "family in need of services" as defined in chapter 984. The
180 incarceration of a parent, legal custodian, or caregiver
181 responsible for a child's welfare may support a finding of
182 abandonment.

183 (2) "Abuse" means any willful act or threatened act that
184 results in any physical, mental, or sexual injury or harm that
185 causes or is likely to cause the child's physical, mental, or
186 emotional health to be significantly impaired. Abuse of a child
187 includes acts or omissions. Corporal discipline of a child by a
188 parent or legal custodian for disciplinary purposes does not in
189 itself constitute abuse when it does not result in harm to the
190 child.

191 (3) "Addictions receiving facility" means a substance
192 abuse service provider as defined in chapter 397.

193 (4) "Adjudicatory hearing" means a hearing for the court
194 to determine whether or not the facts support the allegations
195 stated in the petition in dependency cases or in termination of
196 parental rights cases.

HB 7123

2006

197 (5) "Adult" means any natural person other than a child.

198 (6) "Adoption" means the act of creating the legal
199 relationship between parent and child where it did not exist,
200 thereby declaring the child to be legally the child of the
201 adoptive parents and their heir at law, and entitled to all the
202 rights and privileges and subject to all the obligations of a
203 child born to the ~~such~~ adoptive parents in lawful wedlock.

204 (7) "Alleged juvenile sexual offender" means:

205 (a) A child 12 years of age or younger who is alleged to
206 have committed a violation of chapter 794, chapter 796, chapter
207 800, s. 827.071, or s. 847.0133; or

208 (b) A child who is alleged to have committed any violation
209 of law or delinquent act involving juvenile sexual abuse.

210 "Juvenile sexual abuse" means any sexual behavior which occurs
211 without consent, without equality, or as a result of coercion.
212 For purposes of this paragraph, the following definitions apply:

213 1. "Coercion" means the exploitation of authority or the
214 use of bribes, threats of force, or intimidation to gain
215 cooperation or compliance.

216 2. "Equality" means two participants operating with the
217 same level of power in a relationship, neither being controlled
218 nor coerced by the other.

219 3. "Consent" means an agreement, including all of the
220 following:

221 a. Understanding what is proposed based on age, maturity,
222 developmental level, functioning, and experience.

223 b. Knowledge of societal standards for what is being
224 proposed.

HB 7123

2006

225 c. Awareness of potential consequences and alternatives.

226 d. Assumption that agreement or disagreement will be
227 accepted equally.

228 e. Voluntary decision.

229 f. Mental competence.

230

231 Juvenile sexual offender behavior ranges from noncontact sexual
232 behavior such as making obscene phone calls, exhibitionism,
233 voyeurism, and the showing or taking of lewd photographs to
234 varying degrees of direct sexual contact, such as frottage,
235 fondling, digital penetration, rape, fellatio, sodomy, and
236 various other sexually aggressive acts.

237 (8) "Arbitration" means a process whereby a neutral third
238 person or panel, called an arbitrator or an arbitration panel,
239 considers the facts and arguments presented by the parties and
240 renders a decision which may be binding or nonbinding.

241 (9) "Authorized agent" or "designee" of the department
242 means an employee, volunteer, or other person or agency
243 determined by the state to be eligible for state-funded risk
244 management coverage, which ~~that~~ is assigned or designated by the
245 department to perform duties or exercise powers under ~~pursuant~~
246 ~~to~~ this chapter.

247 (10) "Caregiver" means the parent, legal custodian,
248 permanent guardian, adult household member, or other person
249 responsible for a child's welfare as defined in subsection (46)
250 ~~(47)~~.

251 (11) "Case plan" ~~or "plan"~~ means a document, as described
252 in s. 39.6011 ~~s. 39.601~~, prepared by the department with input

HB 7123

2006

from all parties. The case plan follows the child from the provision of voluntary services through any dependency, foster care, or termination of parental rights proceeding or related activity or process.

(12) "Child" or "youth" means any unmarried person under the age of 18 years who has not been emancipated by order of the court.

(13) "Child protection team" means a team of professionals established by the Department of Health to receive referrals from the protective investigators and protective supervision staff of the department and to provide specialized and supportive services to the program in processing child abuse, abandonment, or neglect cases. A child protection team shall provide consultation to other programs of the department and other persons regarding child abuse, abandonment, or neglect cases.

(14) "Child who is found to be dependent" means a child who, pursuant to this chapter, is found by the court:

(a) To have been abandoned, abused, or neglected by the child's parent or parents or legal custodians;

(b) To have been surrendered to the department, the former Department of Health and Rehabilitative Services, or a licensed child-placing agency for purpose of adoption;

(c) To have been voluntarily placed with a licensed child-caring agency, a licensed child-placing agency, an adult relative, the department, or the former Department of Health and Rehabilitative Services, after which placement, under the requirements of this chapter, a case plan has expired and the

HB 7123

2006

281 parent or parents or legal custodians have failed to
282 substantially comply with the requirements of the plan;

283 (d) To have been voluntarily placed with a licensed child-
284 placing agency for the purposes of subsequent adoption, and a
285 parent or parents have signed a consent pursuant to the Florida
286 Rules of Juvenile Procedure;

287 (e) To have no parent or legal custodians capable of
288 providing supervision and care; or

289 (f) To be at substantial risk of imminent abuse,
290 abandonment, or neglect by the parent or parents or legal
291 custodians.

292 (15) "Child support" means a court-ordered obligation,
293 enforced under chapter 61 and ss. 409.2551-409.2597, for
294 monetary support for the care, maintenance, training, and
295 education of a child.

296 (16) "Circuit" means any of the 20 judicial circuits as
297 set forth in s. 26.021.

298 (17) "Comprehensive assessment" or "assessment" means the
299 gathering of information for the evaluation of a child's and
300 caregiver's physical, psychiatric, psychological or mental
301 health, educational, vocational, and social condition and family
302 environment as they relate to the child's and caregiver's need
303 for rehabilitative and treatment services, including substance
304 abuse treatment services, mental health services, developmental
305 services, literacy services, medical services, family services,
306 and other specialized services, as appropriate.

307 (18) "Concurrent planning" means establishing a permanency
308 goal in a case plan that uses reasonable efforts to reunify the

HB 7123

2006

309 child with the parent, while at the same time establishing
310 another goal that must be one of the following options:

311 (a) Adoption when a petition for termination of parental
312 rights has been filed or will be filed;

313 (b) Permanent guardianship of a dependent child under s.
314 39.6221;

315 (c) Permanent placement with a fit and willing relative
316 under s. 39.6231; or

317 (d) Placement in another planned permanent living
318 arrangement under s. 39.6241.

319 (19)-(18) "Court," unless otherwise expressly stated, means
320 the circuit court assigned to exercise jurisdiction under this
321 chapter.

322 (20)-(19) "Department" means the Department of Children and
323 Family Services.

324 (21)-(20) "Diligent efforts by a parent" means a course of
325 conduct which results in a reduction in risk to the child in the
326 child's home that would allow the child to be safely placed
327 permanently back in the home as set forth in the case plan.

328 (22)-(21) "Diligent efforts of social service agency" means
329 reasonable efforts to provide social services or reunification
330 services made by any social service agency that is a party to a
331 case plan.

332 (23)-(22) "Diligent search" means the efforts of a social
333 service agency to locate a parent or prospective parent whose
334 identity or location is unknown, initiated as soon as the social
335 service agency is made aware of the existence of such parent,
336 with the search progress reported at each court hearing until

HB 7123

2006

the parent is either identified and located or the court excuses further search.

(24)~~(23)~~ "Disposition hearing" means a hearing in which the court determines the most appropriate protections, services, and placement for the child in dependency cases.

(25)~~(24)~~ "District" means any one of the 15 service districts of the department established pursuant to s. 20.19.

(26)~~(25)~~ "District administrator" means the chief operating officer of each service district of the department as defined in s. 20.19(5) and, where appropriate, includes any district administrator whose service district falls within the boundaries of a judicial circuit.

(27)~~(26)~~ "Expedited termination of parental rights" means proceedings wherein a case plan with the goal of reunification is not being offered.

(28)~~(27)~~ "False report" means a report of abuse, neglect, or abandonment of a child to the central abuse hotline, which report is maliciously made for the purpose of:

- (a) Harassing, embarrassing, or harming another person;
- (b) Personal financial gain for the reporting person;
- (c) Acquiring custody of a child; or
- (d) Personal benefit for the reporting person in any other private dispute involving a child.

The term "false report" does not include a report of abuse, neglect, or abandonment of a child made in good faith to the central abuse hotline.

(29)~~(28)~~ "Family" means a collective body of persons,

HB 7123

2006

consisting of a child and a parent, legal custodian, or adult relative, in which:

(a) The persons reside in the same house or living unit; or

(b) The parent, legal custodian, or adult relative has a legal responsibility by blood, marriage, or court order to support or care for the child.

(30) "Family team conference" means a process for family-focused intervention facilitated by professional staff which is designed to develop a plan for the care, safety, and well-being of a child and the child's family.

~~(31)(29)~~ "Foster care" means care provided a child in a foster family or boarding home, group home, agency boarding home, child care institution, or any combination thereof.

~~(32)(30)~~ "Harm" to a child's health or welfare can occur when any person:

(a) Inflicts or allows to be inflicted upon the child physical, mental, or emotional injury. In determining whether harm has occurred, the following factors must be considered in evaluating any physical, mental, or emotional injury to a child: the age of the child; any prior history of injuries to the child; the location of the injury on the body of the child; the multiplicity of the injury; and the type of trauma inflicted. Such injury includes, but is not limited to:

1. Willful acts that produce the following specific injuries:

- a. Sprains, dislocations, or cartilage damage.
- b. Bone or skull fractures.

HB 7123

2006

- 393 c. Brain or spinal cord damage.
- 394 d. Intracranial hemorrhage or injury to other internal
- 395 organs.
- 396 e. Asphyxiation, suffocation, or drowning.
- 397 f. Injury resulting from the use of a deadly weapon.
- 398 g. Burns or scalding.
- 399 h. Cuts, lacerations, punctures, or bites.
- 400 i. Permanent or temporary disfigurement.
- 401 j. Permanent or temporary loss or impairment of a body
- 402 part or function.

403

404 As used in this subparagraph, the term "willful" refers to the
 405 intent to perform an action, not to the intent to achieve a
 406 result or to cause an injury.

407 2. Purposely giving a child poison, alcohol, drugs, or
 408 other substances that substantially affect the child's behavior,
 409 motor coordination, or judgment or that result in sickness or
 410 internal injury. For the purposes of this subparagraph, the term
 411 "drugs" means prescription drugs not prescribed for the child or
 412 not administered as prescribed, and controlled substances as
 413 outlined in Schedule I or Schedule II of s. 893.03.

414 3. Leaving a child without adult supervision or
 415 arrangement appropriate for the child's age or mental or
 416 physical condition, so that the child is unable to care for the
 417 child's own needs or another's basic needs or is unable to
 418 exercise good judgment in responding to any kind of physical or
 419 emotional crisis.

420 4. Inappropriate or excessively harsh disciplinary action

HB 7123

2006

that is likely to result in physical injury, mental injury as defined in this section, or emotional injury. The significance of any injury must be evaluated in light of the following factors: the age of the child; any prior history of injuries to the child; the location of the injury on the body of the child; the multiplicity of the injury; and the type of trauma inflicted. Corporal discipline may be considered excessive or abusive when it results in any of the following or other similar injuries:

- a. Sprains, dislocations, or cartilage damage.
- b. Bone or skull fractures.
- c. Brain or spinal cord damage.
- d. Intracranial hemorrhage or injury to other internal organs.
- e. Asphyxiation, suffocation, or drowning.
- f. Injury resulting from the use of a deadly weapon.
- g. Burns or scalding.
- h. Cuts, lacerations, punctures, or bites.
- i. Permanent or temporary disfigurement.
- j. Permanent or temporary loss or impairment of a body part or function.
- k. Significant bruises or welts.
- (b) Commits, or allows to be committed, sexual battery, as defined in chapter 794, or lewd or lascivious acts, as defined in chapter 800, against the child.
- (c) Allows, encourages, or forces the sexual exploitation of a child, which includes allowing, encouraging, or forcing a child to:

HB 7123

2006

1. Solicit for or engage in prostitution; or

2. Engage in a sexual performance, as defined by chapter 827.

(d) Exploits a child, or allows a child to be exploited, as provided in s. 450.151.

(e) Abandons the child. Within the context of the definition of "harm," the term "abandons the child" means that the parent or legal custodian of a child or, in the absence of a parent or legal custodian, the person responsible for the child's welfare, while being able, makes no provision for the child's support and makes no effort to communicate with the child, which situation is sufficient to evince a willful rejection of parental obligation. If the efforts of the ~~such a~~ parent or legal custodian or person primarily responsible for the child's welfare to support and communicate with the child are only marginal efforts that do not evince a settled purpose to assume all parental duties, the child may be determined to have been abandoned. The term "abandoned" does not include an abandoned newborn infant as described in s. 383.50.

(f) Neglects the child. Within the context of the definition of "harm," the term "neglects the child" means that the parent or other person responsible for the child's welfare fails to supply the child with adequate food, clothing, shelter, or health care, although financially able to do so or although offered financial or other means to do so. However, a parent or legal custodian who, by reason of the legitimate practice of religious beliefs, does not provide specified medical treatment for a child may not be considered abusive or neglectful for that

HB 7123

2006

reason alone, but such an exception does not:

1. Eliminate the requirement that such a case be reported to the department;

2. Prevent the department from investigating such a case; or

3. Preclude a court from ordering, when the health of the child requires it, the provision of medical services by a physician, as defined in this section, or treatment by a duly accredited practitioner who relies solely on spiritual means for healing in accordance with the tenets and practices of a well-recognized church or religious organization.

(g) Exposes a child to a controlled substance or alcohol. Exposure to a controlled substance or alcohol is established by:

1. Use by the mother of a controlled substance or alcohol during pregnancy when the child, at birth, is demonstrably adversely affected by such usage; or

2. Continued chronic and severe use of a controlled substance or alcohol by a parent when the child is demonstrably adversely affected by such usage.

As used in this paragraph, the term "controlled substance" means prescription drugs not prescribed for the parent or not administered as prescribed and controlled substances as outlined in Schedule I or Schedule II of s. 893.03.

(h) Uses mechanical devices, unreasonable restraints, or extended periods of isolation to control a child.

(i) Engages in violent behavior that demonstrates a wanton disregard for the presence of a child and could reasonably

HB 7123

2006

505 result in serious injury to the child.

506 (j) Negligently fails to protect a child in his or her
507 care from inflicted physical, mental, or sexual injury caused by
508 the acts of another.

509 (k) Has allowed a child's sibling to die as a result of
510 abuse, abandonment, or neglect.

511 (l) Makes the child unavailable for the purpose of
512 impeding or avoiding a protective investigation unless the court
513 determines that the parent, legal custodian, or caregiver was
514 fleeing from a situation involving domestic violence.

515 (33)~~(31)~~ "Institutional child abuse or neglect" means
516 situations of known or suspected child abuse or neglect in which
517 the person allegedly perpetrating the child abuse or neglect is
518 an employee of a private school, public or private day care
519 center, residential home, institution, facility, or agency or
520 any other person at such institution responsible for the child's
521 care.

522 (34)~~(32)~~ "Judge" means the circuit judge exercising
523 jurisdiction pursuant to this chapter.

524 (35)~~(33)~~ "Legal custody" means a legal status created by a
525 court ~~order or letter of guardianship~~ which vests in a custodian
526 of the person or guardian, whether an agency or an individual,
527 the right to have physical custody of the child and the right
528 and duty to protect, nurture, guide train, and discipline the
529 child and to provide him or her with food, shelter, education,
530 and ordinary medical, dental, psychiatric, and psychological
531 care. ~~The legal custodian is the person or entity in whom the~~
532 ~~legal right to custody is vested. For purposes of this chapter~~

HB 7123

2006

~~only, when the phrase "parent or legal custodian" is used, it refers to rights or responsibilities of the parent and, only if there is no living parent with intact parental rights, to the rights or responsibilities of the legal custodian who has assumed the role of the parent.~~

~~(34) "Legal guardianship" means a judicially created relationship between the child and caregiver which is intended to be permanent and self-sustaining and is provided pursuant to the procedures in chapter 744.~~

(36)~~(35)~~ "Licensed child-caring agency" means a person, society, association, or agency licensed by the department to care for, receive, and board children.

(37)~~(36)~~ "Licensed child-placing agency" means a person, society, association, or institution licensed by the department to care for, receive, or board children and to place children in a licensed child-caring institution or a foster or adoptive home.

(38)~~(37)~~ "Licensed health care professional" means a physician licensed under chapter 458, an osteopathic physician licensed under chapter 459, a nurse licensed under part I of chapter 464, a physician assistant licensed under chapter 458 or chapter 459, or a dentist licensed under chapter 466.

(39)~~(38)~~ "Likely to injure oneself" means that, as evidenced by violent or other actively self-destructive behavior, it is more likely than not that within a 24-hour period the child will attempt to commit suicide or inflict serious bodily harm on himself or herself.

(40)~~(39)~~ "Likely to injure others" means that it is more

HB 7123

2006

likely than not that within a 24-hour period the child will
inflict serious and unjustified bodily harm on another person.

~~(40) "Long term relative custodian" means an adult
relative who is a party to a long term custodial relationship
created by a court order pursuant to this chapter.~~

~~(41) "Long term custody" or "long term custodial
relationship" means the relationship that a juvenile court order
creates between a child and an adult relative of the child or
other legal custodian approved by the court when the child
cannot be placed in the custody of a parent and adoption is not
deemed to be in the best interest of the child. Long term
custody confers upon the relative or other legal custodian,
other than the department, the right to physical custody of the
child, a right which will not be disturbed by the court except
upon request of the legal custodian or upon a showing that the
best interest of the child necessitates a change of custody for
the child. A relative or other legal custodian who has been
designated as a long term custodian shall have all of the rights
and duties of a parent, including, but not limited to, the right
and duty to protect, train, and discipline the child and to
provide the child with food, shelter, and education, and
ordinary medical, dental, psychiatric, and psychological care,
unless these rights and duties are otherwise enlarged or limited
by the court order establishing the long term custodial
relationship.~~

(41) ~~(42)~~ "Mediation" means a process whereby a neutral
third person called a mediator acts to encourage and facilitate
the resolution of a dispute between two or more parties. It is

HB 7123

2006

589 an informal and nonadversarial process with the objective of
590 helping the disputing parties reach a mutually acceptable and
591 voluntary agreement. The role of the mediator includes, but is
592 not limited to, assisting the parties in identifying issues,
593 fostering joint problem solving, and exploring settlement
594 alternatives.

595 (42)~~(43)~~ "Mental injury" means an injury to the
596 intellectual or psychological capacity of a child as evidenced
597 by a discernible and substantial impairment in the ability to
598 function within the normal range of performance and behavior.

599 (43)~~(44)~~ "Necessary medical treatment" means care which is
600 necessary within a reasonable degree of medical certainty to
601 prevent the deterioration of a child's condition or to alleviate
602 immediate pain of a child.

603 (44)~~(45)~~ "Neglect" occurs when a child is deprived of, or
604 is allowed to be deprived of, necessary food, clothing, shelter,
605 or medical treatment or a child is permitted to live in an
606 environment when such deprivation or environment causes the
607 child's physical, mental, or emotional health to be
608 significantly impaired or to be in danger of being significantly
609 impaired. The foregoing circumstances shall not be considered
610 neglect if caused primarily by financial inability unless actual
611 services for relief have been offered to and rejected by such
612 person. A parent or legal custodian legitimately practicing
613 religious beliefs in accordance with a recognized church or
614 religious organization who thereby does not provide specific
615 medical treatment for a child may ~~shall~~ not, for that reason
616 alone, be considered a negligent parent or legal custodian;

HB 7123

2006

617 however, such an exception does not preclude a court from
618 ordering the following services to be provided, when the health
619 of the child so requires:

620 (a) Medical services from a licensed physician, dentist,
621 optometrist, podiatric physician, or other qualified health care
622 provider; or

623 (b) Treatment by a duly accredited practitioner who relies
624 solely on spiritual means for healing in accordance with the
625 tenets and practices of a well-recognized church or religious
626 organization.

627

628 Neglect of a child includes acts or omissions.

629 (45)~~(46)~~ "Next of kin" means an adult relative of a child
630 who is the child's brother, sister, grandparent, aunt, uncle, or
631 first cousin.

632 (46)~~(47)~~ "Other person responsible for a child's welfare"
633 includes the child's legal guardian,~~legal custodian,~~ or foster
634 parent; an employee of a private school, public or private child
635 day care center, residential home, institution, facility, or
636 agency; or any other person legally responsible for the child's
637 welfare in a residential setting; and also includes an adult
638 sitter or relative entrusted with a child's care. For the
639 purpose of departmental investigative jurisdiction, this
640 definition does not include law enforcement officers, or
641 employees of municipal or county detention facilities or the
642 Department of Corrections, while acting in an official capacity.

643 (47)~~(48)~~ "Out-of-home" means a placement outside of the
644 home of the parents or a parent.

HB 7123

2006

645 ~~(48)-(49)~~ "Parent" means a woman who gives birth to a child
646 and a man who was married to the mother at the time the child
647 was conceived or born, who has been determined by a court to be
648 the father of the child, who has filed an affidavit of paternity
649 under s. 382.013(2), or who has claimed to be the father of the
650 child and has provided, or has attempted to provide, the child,
651 or the mother during her pregnancy, with support in a
652 repetitive, customary manner ~~whose consent to the adoption of~~
653 ~~the child would be required under s. 63.062(1).~~ If a child has
654 been legally adopted, the term "parent" means the adoptive
655 mother or father of the child. The term does not include an
656 individual whose parental relationship to the child has been
657 legally terminated, or an alleged or prospective parent, unless
658 the parental status falls within the terms of s. 39.503(1) or
659 this subsection s. 63.062(1). For purposes of this chapter only,
660 when the phrase "parent or legal custodian" is used, it refers
661 to rights or responsibilities of the parent and, only if there
662 is no living parent with intact parental rights, to the rights
663 or responsibilities of the legal custodian who has assumed the
664 role of the parent.

673 person whose participation may be in the best interest of the
674 child. A community-based agency under contract with the
675 department to provide protective services may be designated as a

683 be excused by order of the court when presence would not be in
684 the child's best interest. Notice to the child may be excused by
685 order of the court when the age, capacity, or other condition of
686 the child is such that the notice would be meaningless or
687 detrimental to the child.

688 (51) "Permanency goal" means the living arrangement

(52) "Permanency plan" means the plan that establishes the placement intended to serve as the child's permanent home.

(53) "Permanent guardian" means the relative or other adult in a permanent guardianship of a dependent child under s. 39.6221.

(55)-(52) "Physical injury" means death, permanent or temporary disfigurement, or impairment of any bodily part.

(56)-(53) "Physician" means any licensed physician, dentist, podiatric physician, or optometrist and includes any intern or resident.

(57)-(54) "Preliminary screening" means the gathering of preliminary information to be used in determining a child's need for further evaluation or assessment or for referral for other substance abuse services through means such as psychosocial interviews; urine and breathalyzer screenings; and reviews of available educational, delinquency, and dependency records of

730 (58)~~(55)~~ "Preventive services" means social services and
731 other supportive and rehabilitative services provided to the
732 parent or legal custodian of the child and to the child for the
733 purpose of averting the removal of the child from the home or
734 disruption of a family which will or could result in the
735 placement of a child in foster care. Social services and other
736 supportive and rehabilitative services shall promote the child's
737 need for physical, mental, and emotional health and a safe,

739 shall strengthen family life, whenever possible.

740 (59)~~(56)~~ "Prospective parent" means a person who claims to

742 father of a child.

743 (60)~~(57)~~ "Protective investigation" means the acceptance
744 of a report alleging child abuse, abandonment, or neglect, as
745 defined in this chapter, by the central abuse hotline or the
746 acceptance of a report of other dependency by the department;
747 the investigation of each report; the determination of whether
748 action by the court is warranted; the determination of the
749 disposition of each report without court or public agency action
750 when appropriate; and the referral of a child to another public
751 or private agency when appropriate.

752 (61)~~(58)~~ "Protective investigator" means an authorized
753 agent of the department who receives and investigates reports of

758 function.

759 (62)~~(59)~~ "Protective supervision" means a legal status in
760 dependency cases which permits the child to remain safely in his
761 or her own home or other nonlicensed placement under the
762 supervision of an agent of the department and which must be
763 reviewed by the court during the period of supervision.

764 (63)~~(60)~~ "Relative" means a grandparent, great-
765 grandparent, sibling, first cousin, aunt, uncle, great-aunt,
766 great-uncle, niece, or nephew, whether related by the whole or
767 half blood, by affinity, or by adoption. The term does not
768 include a stepparent.

769 (64)~~(61)~~ "Reunification services" means social services
770 and other supportive and rehabilitative services provided to the
771 parent of the child, to the child, and, where appropriate, to
772 the relative placement, nonrelative placement, or foster parents
773 of the child, for the purpose of enabling a child who has been
774 placed in out-of-home care to safely return to his or her parent
775 at the earliest possible time. The health and safety of the
776 child shall be the paramount goal of social services and other
777 supportive and rehabilitative services. The ~~Such~~ services shall
778 promote the child's need for physical, mental, and emotional
779 health and a safe, stable, living environment, shall promote
780 family autonomy, and shall strengthen family life, whenever
781 possible.

782 (65)~~(62)~~ "Secretary" means the Secretary of Children and
783 Family Services.

784 (66)~~(63)~~ "Sexual abuse of a child" means one or more of

790 opening of one person and the mouth or tongue of another person.

791 (c) Any intrusion by one person into the genitals or anal

796 parts, including the breasts, genital area, groin, inner thighs,
797 and buttocks, or the clothing covering them, of either the child
798 or the perpetrator, except that this does not include:

799 1. Any act which may reasonably be construed to be a
800 normal caregiver responsibility, any interaction with, or
801 affection for a child; or

802 2. Any act intended for a valid medical purpose.

803 (e) The intentional masturbation of the perpetrator's
804 genitals in the presence of a child.

805 (f) The intentional exposure of the perpetrator's genitals
806 in the presence of a child, or any other sexual act
807 intentionally perpetrated in the presence of a child, if such
808 exposure or sexual act is for the purpose of sexual arousal or
809 gratification, aggression, degradation, or other similar
810 purpose.

811 (g) The sexual exploitation of a child, which includes
812 allowing, encouraging, or forcing a child to:

HB 7123

2006

813 1. Solicit for or engage in prostitution; or

815 827.
816 (67)~~(64)~~ "Shelter" means a placement with a relative or a
817 nonrelative, or in a licensed home or facility, for the

820 adjudication.

828 reason, any psychoactive or mood-altering drug, including
829 alcohol, in such a manner as to induce impairment resulting in
830 dysfunctional social behavior.
831 (71)~~(68)~~ "Substantial compliance" means that the
832 circumstances which caused the creation of the case plan have
833 been significantly remedied to the extent that the well-being
834 and safety of the child will not be endangered upon the child's
835 remaining with or being returned to the child's parent.
836 (72)~~(69)~~ "Taken into custody" means the status of a child
837 immediately when temporary physical control over the child is
838 attained by a person authorized by law, pending the child's
839 release or placement.
840 (73)~~(70)~~ "Temporary legal custody" means the relationship

HB 7123

2006

that a ~~juvenile~~ court creates between a child and an adult relative of the child, legal custodian, agency, or other person approved by the court until a more permanent arrangement is ordered. Temporary legal custody confers upon the custodian the right to have temporary physical custody of the child and the right and duty to protect, nurture, guide ~~train~~, and discipline the child and to provide the child with food, shelter, and education, and ordinary medical, dental, psychiatric, and psychological care, unless these rights and duties are otherwise enlarged or limited by the court order establishing the temporary legal custody relationship.

~~(74)~~ ~~(71)~~ "Victim" means any child who has sustained or is threatened with physical, mental, or emotional injury identified in a report involving child abuse, neglect, or abandonment, or child-on-child sexual abuse.

Section 2. Subsection (15) is added to section 39.0121, Florida Statutes, to read:

39.0121 Specific rulemaking authority.--Pursuant to the requirements of s. 120.536, the department is specifically authorized to adopt, amend, and repeal administrative rules which implement or interpret law or policy, or describe the procedure and practice requirements necessary to implement this

2006

chapter, including, but not limited to, the following:

(15) Provision for making available to all physical custodians and family services counselors the information required by s. 39.6012(2) and for ensuring that this information follows the child until permanency has been achieved.

Section 3. Section 39.013, Florida Statutes, is amended to read:

39.013 Procedures and jurisdiction; right to counsel.--

(1) All procedures, including petitions, pleadings, subpoenas, summonses, and hearings, in this chapter shall be conducted according to the Florida Rules of Juvenile Procedure unless otherwise provided by law. Parents must be informed by the court of their right to counsel in dependency proceedings at each stage of the dependency proceedings. Parents who are unable to afford counsel must be appointed counsel.

(2) The circuit court has ~~shall have~~ exclusive original jurisdiction of all proceedings under this chapter, of a child voluntarily placed with a licensed child-caring agency, a licensed child-placing agency, or the department, and of the adoption of children whose parental rights have been terminated under this chapter. Jurisdiction attaches when the initial shelter petition, dependency petition, or termination of parental rights petition is filed or when a child is taken into the custody of the department. The circuit court may assume jurisdiction over any such proceeding regardless of whether the child was in the physical custody of both parents, was in the sole legal or physical custody of only one parent, caregiver, or some other person, or was in the physical or legal custody of no

HB 7123

2006

897 person when the event or condition occurred that brought the
898 child to the attention of the court. When the court obtains
899 jurisdiction of any child who has been found to be dependent,
900 the court shall retain jurisdiction, unless relinquished by its
901 order, until the child reaches 18 years of age. However, if a
902 youth petitions the court at any time before his or her 19th
903 birthday requesting the court's continued jurisdiction, the
904 juvenile court may retain jurisdiction under this chapter for a
905 period not to exceed 1 year following the youth's 18th birthday
906 for the purpose of determining whether appropriate aftercare
907 support, Road-to-Independence Scholarship, transitional support,
908 mental health, and developmental disability services, to the
909 extent otherwise authorized by law, have been provided to the
910 formerly dependent child who was in the legal custody of the
911 department immediately before his or her 18th birthday. If a
912 petition for special immigrant juvenile status and an
913 application for adjustment of status have been filed on behalf
914 of a foster child and the petition and application have not been
915 granted by the time the child reaches 18 years of age, the court
916 may retain jurisdiction over the dependency case solely for the
917 purpose of allowing the continued consideration of the petition
918 and application by federal authorities. Review hearings for the
919 child shall be set solely for the purpose of determining the
920 status of the petition and application. The court's jurisdiction
921 terminates upon the final decision of the federal authorities.
922 Retention of jurisdiction in this instance does not affect the
923 services available to a young adult under s. 409.1451. The court
924 may not retain jurisdiction of the case after the immigrant

HB 7123

2006

925 child's 22nd birthday.

926 (3) When a child is under the jurisdiction of the circuit
927 court pursuant to ~~the provisions of~~ this chapter, the circuit
928 court assigned to handle dependency matters may exercise the
929 general and equitable jurisdiction over guardianship proceedings
930 under ~~pursuant to the provisions of~~ chapter 744 and proceedings
931 for temporary custody of minor children by extended family under
932 ~~pursuant to the provisions of~~ chapter 751.

933 (4) Orders entered pursuant to this chapter which affect
934 the placement of, access to, parental time with, adoption of, or
935 parental rights and responsibilities for a minor child shall
936 take precedence over other orders entered in civil actions or
937 proceedings. However, if the court has terminated jurisdiction,
938 the ~~such~~ order may be subsequently modified by a court of
939 competent jurisdiction in any other civil action or proceeding
940 affecting placement of, access to, parental time with, adoption
941 of, or parental rights and responsibilities for the same minor
942 child.

943 (5) The court shall expedite the resolution of the
944 placement issue in cases involving a child who has been removed
945 from the parent and placed in an out-of-home placement.

946 (6) The court shall expedite the judicial handling of all
947 cases when the child has been removed from the parent and placed
948 in an out-of-home placement.

949 (7) Children removed from their homes shall be provided
950 equal treatment with respect to goals, objectives, services, and
951 case plans, without regard to the location of their placement.

952 (8) For any child who remains in the custody of the

HB 7123

2006

953 department, the court shall, within the month which constitutes
954 the beginning of the 6-month period before the child's 18th
955 birthday, hold a hearing to review the progress of the child
956 while in the custody of the department.

957 (9)(a) At each stage of the proceedings under this
958 chapter, the court shall advise the parents of the right to
959 counsel. The court shall appoint counsel for indigent parents.
960 The court shall ascertain whether the right to counsel is
961 understood. When right to counsel is waived, the court shall
962 determine whether the waiver is knowing and intelligent. The
963 court shall enter its findings in writing with respect to the
964 appointment or waiver of counsel for indigent parents or the
965 waiver of counsel by nonindigent parents.

966 (b) Once counsel has entered an appearance or been
967 appointed by the court to represent the parent of the child, the
968 attorney shall continue to represent the parent throughout the
969 proceedings. If the attorney-client relationship is
970 discontinued, the court shall advise the parent of the right to
971 have new counsel retained or appointed for the remainder of the
972 proceedings.

973 (c)1. A ~~No~~ waiver of counsel may not be accepted if it
974 appears that the parent is unable to make an intelligent and
975 understanding choice because of mental condition, age,
976 education, experience, the nature or complexity of the case, or
977 other factors.

978 2. A waiver of counsel made in court must be of record.

979 3. If a waiver of counsel is accepted at any hearing or
980 proceeding, the offer of assistance of counsel must be renewed

HB 7123

2006

981 by the court at each subsequent stage of the proceedings at
982 which the parent appears without counsel.

983 (d) This subsection does not apply to any parent who has
984 voluntarily executed a written surrender of the child and
985 consents to the entry of a court order terminating parental
986 rights.

987 ~~(10) The time limitations in this chapter do not include:~~

988 ~~(a) Periods of delay resulting from a continuance granted~~
989 ~~at the request or with the consent of the child's counsel or the~~
990 ~~child's guardian ad litem, if one has been appointed by the~~
991 ~~court, or, if the child is of sufficient capacity to express~~
992 ~~reasonable consent, at the request or with the consent of the~~
993 ~~child.~~

994 ~~(b) Periods of delay resulting from a continuance granted~~
995 ~~at the request of any party, if the continuance is granted:~~

996 ~~1. Because of an unavailability of evidence material to~~
997 ~~the case when the requesting party has exercised due diligence~~
998 ~~to obtain such evidence and there are substantial grounds to~~
999 ~~believe that such evidence will be available within 30 days.~~
1000 ~~However, if the requesting party is not prepared to proceed~~
1001 ~~within 30 days, any other party, inclusive of the parent or~~
1002 ~~legal custodian, may move for issuance of an order to show cause~~
1003 ~~or the court on its own motion may impose appropriate sanctions,~~
1004 ~~which may include dismissal of the petition.~~

1005 ~~2. To allow the requesting party additional time to~~
1006 ~~prepare the case and additional time is justified because of an~~
1007 ~~exceptional circumstance.~~

1008 ~~(c) Reasonable periods of delay necessary to accomplish~~

HB 7123

2006

1009 ~~notice of the hearing to the child's parent or legal custodian,~~
1010 ~~however, the petitioner shall continue regular efforts to~~
1011 ~~provide notice to the parents during such periods of delay.~~

1012 ~~(d) Reasonable periods of delay resulting from a~~
1013 ~~continuance granted at the request of the parent or legal~~
1014 ~~custodian of a subject child.~~

1015 ~~(e) Notwithstanding the foregoing, continuances and~~
1016 ~~extensions of time are limited to the number of days absolutely~~
1017 ~~necessary to complete a necessary task in order to preserve the~~
1018 ~~rights of a party or the best interests of a child. Time is of~~
1019 ~~the essence for the best interests of dependent children in~~
1020 ~~conducting dependency proceedings in accordance with the time~~
1021 ~~limitations set forth in this chapter. Time limitations are a~~
1022 ~~right of the child which may not be waived, extended, or~~
1023 ~~continued at the request of any party in advance of the~~
1024 ~~particular circumstances or need arising upon which delay of the~~
1025 ~~proceedings may be warranted.~~

1026 ~~(f) Continuances or extensions of time may not total more~~
1027 ~~than 60 days for all parties within any 12-month period during~~
1028 ~~proceedings under this chapter. A continuance or extension of~~
1029 ~~time beyond the 60 days may be granted only for extraordinary~~
1030 ~~circumstances necessary to preserve the constitutional rights of~~
1031 ~~a party or when substantial evidence demonstrates that the~~
1032 ~~child's best interests will be affirmatively harmed without the~~
1033 ~~granting of a continuance or extension of time.~~

1034 ~~(10)(11)~~ Court-appointed counsel representing indigent
1035 parents at shelter hearings shall be paid from state funds
1036 appropriated by general law.

HB 7123

2006

~~(11)-(12)~~ The court shall encourage the Statewide Guardian Ad Litem Office to provide greater representation to those children who are within 1 year of transferring out of foster care.

Section 4. Section 39.0136, Florida Statutes, is created to read:

39.0136 Time limitations; continuances.--

(1) The Legislature finds that time is of the essence for establishing permanency for a child in the dependency system. Time limitations are a right of the child which may not be waived, extended, or continued at the request of any party except as provided in this section.

(2) The time limitations in this chapter do not include:

(a) Periods of delay resulting from a continuance granted at the request of the child's counsel or the child's guardian ad litem or, if the child is of sufficient capacity to express reasonable consent, at the request or with the consent of the child. The court must consider the best interest of the child when determining periods of delay under this section.

(b) Periods of delay resulting from a continuance granted at the request of any party if the continuance is granted:

1. Because of an unavailability of evidence that is material to the case if the requesting party has exercised due diligence to obtain evidence and there are substantial grounds to believe that the evidence will be available within 30 days. However, if the requesting party is not prepared to proceed within 30 days, any other party may move for issuance of an order to show cause or the court, on its own motion, may impose

HB 7123

2006

1065 appropriate sanctions, which may include dismissal of the
1066 petition.

1067 2. To allow the requesting party additional time to
1068 prepare the case and additional time is justified because of an
1069 exceptional circumstance.

1070 (c) Reasonable periods of delay necessary to accomplish
1071 notice of the hearing to the child's parent or legal custodian;
1072 however, the petitioner shall continue regular efforts to
1073 provide notice to the parents during the periods of delay.

1074 (3) Notwithstanding subsection (2), in order to expedite
1075 permanency for a child, the total time allowed for continuances
1076 or extensions of time may not exceed 60 days within any 12-month
1077 period for proceedings conducted under this chapter. A
1078 continuance or extension of time may be granted only for
1079 extraordinary circumstances in which it is necessary to preserve
1080 the constitutional rights of a party or if substantial evidence
1081 exists to demonstrate that without granting a continuance or
1082 extension of time the child's best interest will be harmed.

1083 (4) Notwithstanding subsection (2), a continuance or an
1084 extension of time is limited to the number of days absolutely
1085 necessary to complete a necessary task in order to preserve the
1086 rights of a party or the best interest of a child.

1087 Section 5. Section 39.0137, Florida Statutes, is created
1088 to read:

1089 39.0137 Federal law; rulemaking authority.--

1090 (1) This chapter does not supersede the requirements of
1091 the Indian Child Welfare Act, 25 U.S.C. ss. 1901 et seq., or the
1092 Multi-Ethnic Placement Act of 1994, Pub. L. No. 103-382, as

HB 7123

2006

1093 amended, or the implementing regulations.

1094 (2) The department shall adopt rules no later than July 1,
1095 2007, to ensure that the provisions of these federal laws are
1096 enforced in this state. The department is encouraged to enter
1097 into agreements with recognized American Indian tribes in order
1098 to facilitate the implementation of the Indian Child Welfare
1099 Act.

1100 Section 6. Section 39.0138, Florida Statutes, is created
1101 to read:

1102 39.0138 Requirements for placement of children; exemptions
1103 from disqualification.--

1104 (1)(a) The department may conduct criminal records checks
1105 equivalent to the level 2 screening required in s. 435.04 for
1106 any person being considered by the department for approval for
1107 placement of a child subject to a placement decision under this
1108 chapter. Approval for placement with any person other than a
1109 parent may not be granted in any case in which a criminal
1110 records check reveals a felony conviction in a court of
1111 competent jurisdiction for:

1112 1. Child abuse, abandonment, or neglect; spousal abuse; a
1113 crime against children, including child pornography, or a crime
1114 involving violence, including sexual battery, sexual assault, or
1115 homicide, but not including other physical assault or battery,
1116 if the felony was committed at any time; or

1117 2. Physical assault, battery, or a drug-related offense if
1118 the felony was committed within the past 5 years.

1119 (b) Notwithstanding paragraph (a), the department may
1120 place a child in a home that otherwise meets placement

HB 7123

2006

1121 requirements if state and local criminal records checks do not
1122 disqualify the applicant and if the department has submitted
1123 fingerprint information to the Department of Law Enforcement for
1124 forwarding to the Federal Bureau of Investigation and is
1125 awaiting the results of the federal criminal records check.

1126 (c) Persons with whom placement of a child is being
1127 considered or approved must disclose to the department any prior
1128 or pending local, state, or federal criminal proceedings in
1129 which they are or have been involved.

1130 (d) The results of any criminal records check of a parent
1131 conducted under this section must be considered in determining
1132 whether placement with the parent will jeopardize the safety of
1133 the child being placed.

1134 (2) (a) The court may review the decision of the department
1135 to grant or deny an exemption upon the motion of any party, the
1136 request of any person who has been denied an exemption by the
1137 department, or on its own motion. The court shall prepare
1138 written findings to support its decision in this matter.

1139 (b) A person seeking placement of a child when the
1140 department has denied the placement based on a disqualifying
1141 criminal offense has the burden of setting forth sufficient
1142 evidence of rehabilitation, including, but not limited to, the
1143 circumstances surrounding the incident for which an exemption
1144 from disqualification is sought, the time period that has
1145 elapsed since the incident, the nature of the harm caused to the
1146 victim, the history of the person since the incident, and any
1147 other evidence or circumstances indicating that the person will
1148 not present a danger if the placement of the child is allowed.

HB 7123

2006

1149 Section 7. Paragraph (a) of subsection (1), paragraph (a)
1150 of subsection (2), and subsection (5) of section 39.201, Florida
1151 Statutes, are amended to read:

1152 39.201 Mandatory reports of child abuse, abandonment, or
1153 neglect; mandatory reports of death; central abuse hotline.--

1154 (1)(a) Any person who knows, or has reasonable cause to
1155 suspect, that a child is abused, abandoned, or neglected by a
1156 parent, legal custodian, caregiver, or other person responsible
1157 for the child's welfare, as defined in this chapter, or that a
1158 child is in need of supervision and care and has no parent,
1159 legal custodian, or responsible adult relative immediately known
1160 and available to provide supervision and care shall report such
1161 knowledge or suspicion to the department in the manner
1162 prescribed in subsection (2).

1163 (2)(a) Each report of known or suspected child abuse,
1164 abandonment, or neglect by a parent, legal custodian, caregiver,
1165 or other person responsible for the child's welfare as defined
1166 in this chapter, except those solely under s. 827.04(3), and
1167 each report that a child is in need of supervision and care and
1168 has no parent, legal custodian, or responsible adult relative
1169 immediately known and available to provide supervision and care
1170 shall be made immediately to the department's central abuse
1171 hotline on the single statewide toll-free telephone number.
1172 Personnel at the department's central abuse hotline shall
1173 determine if the report received meets the statutory definition
1174 of child abuse, abandonment, or neglect. Any report meeting one
1175 of these definitions shall be accepted for the protective
1176 investigation pursuant to part III of this chapter.

HB 7123

2006

1177 (5) The department shall be capable of receiving and
1178 investigating, 24 hours a day, 7 days a week, reports of known
1179 or suspected child abuse, abandonment, or neglect and reports
1180 that a child is in need of supervision and care and has no
1181 parent, legal custodian, or responsible adult relative
1182 immediately known and available to provide supervision and care
1183 ~~24 hours a day, 7 days a week.~~ If it appears that the immediate
1184 safety or well-being of a child is endangered, that the family
1185 may flee or the child will be unavailable for purposes of
1186 conducting a child protective investigation, or that the facts
1187 otherwise so warrant, the department shall commence an
1188 investigation immediately, regardless of the time of day or
1189 night. In all other child abuse, abandonment, or neglect cases,
1190 a child protective investigation shall be commenced within 24
1191 hours after receipt of the report. In an institutional
1192 investigation, the alleged perpetrator may be represented by an
1193 attorney, at his or her own expense, or accompanied by another
1194 person, if the person or the attorney executes an affidavit of
1195 understanding with the department and agrees to comply with the
1196 confidentiality provisions of s. 39.202. The absence of an
1197 attorney or other person does not prevent the department from
1198 proceeding with other aspects of the investigation, including
1199 interviews with other persons. In institutional child abuse
1200 cases when the institution is not operating and the child cannot
1201 otherwise be located, the investigation shall commence
1202 immediately upon the resumption of operation. If requested by a
1203 state attorney or local law enforcement agency, the department
1204 shall furnish all investigative reports to that agency.

HB 7123

2006

1205 Section 8. Subsections (1), (2), (5), and (22) of section
1206 39.301, Florida Statutes, are amended, and subsection (23) is
1207 added to that section, to read:

1208 39.301 Initiation of protective investigations.--

1209 (1) Upon receiving an oral or written report of known or
1210 suspected child abuse, abandonment, or neglect, or that a child
1211 is in need of supervision and care and has no parent, legal
1212 custodian, or responsible adult relative immediately known and
1213 available to provide supervision and care, the central abuse
1214 hotline shall determine if the report requires an immediate
1215 onsite protective investigation. For reports requiring an
1216 immediate onsite protective investigation, the central abuse
1217 hotline shall immediately notify the department's designated
1218 children and families district staff responsible for protective
1219 investigations to ensure that an onsite investigation is
1220 promptly initiated. For reports not requiring an immediate
1221 onsite protective investigation, the central abuse hotline shall
1222 notify the department's designated children and families
1223 district staff responsible for protective investigations in
1224 sufficient time to allow for an investigation. At the time of
1225 notification of district staff with respect to the report, the
1226 central abuse hotline shall also provide information on any
1227 previous report concerning a subject of the present report or
1228 any pertinent information relative to the present report or any
1229 noted earlier reports.

1230 (2)(a) The department shall immediately forward
1231 allegations of criminal conduct to the municipal or county law
1232 enforcement agency of the municipality or county in which the

HB 7123

2006

1233 alleged conduct has occurred.

1234 (b) As used in this subsection, the term "criminal
1235 conduct" means:

1236 1. A child is known or suspected to be the victim of child
1237 abuse, as defined in s. 827.03, or of neglect of a child, as
1238 defined in s. 827.03.

1239 2. A child is known or suspected to have died as a result
1240 of abuse or neglect.

1241 3. A child is known or suspected to be the victim of
1242 aggravated child abuse, as defined in s. 827.03.

1243 4. A child is known or suspected to be the victim of
1244 sexual battery, as defined in s. 827.071, or of sexual abuse, as
1245 defined in s. 39.01.

1246 5. A child is known or suspected to be the victim of
1247 institutional child abuse or neglect, as defined in s. 39.01,
1248 and as provided for in s. 39.302(1).

1249 6. A child is known or suspected to be a victim of human
1250 trafficking, as provided in s. 787.06.

1251 (c) Upon receiving a written report of an allegation of
1252 criminal conduct from the department, the law enforcement agency
1253 shall review the information in the written report to determine
1254 whether a criminal investigation is warranted. If the law
1255 enforcement agency accepts the case for criminal investigation,
1256 it shall coordinate its investigative activities with the
1257 department, whenever feasible. If the law enforcement agency
1258 does not accept the case for criminal investigation, the agency
1259 shall notify the department in writing.

1260 (d) The local law enforcement agreement required in s.

HB 7123

2006

1261 39.306 shall describe the specific local protocols for
1262 implementing this section.

1263 (5)(a) Upon commencing an investigation under this part,
1264 the child protective investigator shall inform any subject of
1265 the investigation of the following:

1266 1. The names of the investigators and identifying
1267 credentials from the department.

1268 2. The purpose of the investigation.

1269 3. The right to obtain his or her own attorney and ways
1270 that the information provided by the subject may be used.

1271 4. The possible outcomes and services of the department's
1272 response, which shall be explained to the parent or legal
1273 custodian.

1274 5. The right of the parent or legal custodian to be
1275 involved to the fullest extent possible in determining the
1276 nature of the allegation and the nature of any identified
1277 problem.

1278 6. The duty of the parent or legal custodian to report any
1279 change in the residence or location of the child to the
1280 investigator and that the duty to report continues until the
1281 investigation is closed.

1282 (b) The department's training program shall ensure that
1283 protective investigators know how to fully inform parents or
1284 legal custodians of their rights and options, including
1285 opportunities for audio or video recording of investigators'
1286 interviews with parents or legal custodians or children.

1287 (22) When an investigation is closed and a person is not
1288 identified as a caregiver responsible for the abuse, neglect, or

HB 7123

2006

1289 abandonment alleged in the report, the fact that the person is
1290 named in some capacity in the report may not be used in any way
1291 to adversely affect the interests of that person. This
1292 prohibition applies to any use of the information in employment
1293 screening, licensing, child placement, adoption, or any other
1294 decisions by a private adoption agency or a state agency or its
1295 contracted providers, except that a previous report may be used
1296 to determine whether a child is safe and what the known risk is
1297 to the child at any stage of a child protection proceeding.

1298 (23) If, after having been notified of the requirement to
1299 report a change in residence or location of the child to the
1300 protective investigator, a parent or legal custodian causes the
1301 child to move, or allows the child to be moved, to a different
1302 residence or location, or if the child leaves the residence on
1303 his or her own accord and the parent or legal custodian does not
1304 notify the protective investigator of the move within 2 business
1305 days, the child may be considered to be a missing child for the
1306 purposes of filing a report with a law enforcement agency under
1307 s. 937.021.

1308 Section 9. Subsection (2) of section 39.303, Florida
1309 Statutes, is amended to read:

1310 39.303 Child protection teams; services; eligible
1311 cases.--The Children's Medical Services Program in the
1312 Department of Health shall develop, maintain, and coordinate the
1313 services of one or more multidisciplinary child protection teams
1314 in each of the service districts of the Department of Children
1315 and Family Services. Such teams may be composed of appropriate
1316 representatives of school districts and appropriate health,

HB 7123

2006

1317 mental health, social service, legal service, and law
 1318 enforcement agencies. The Legislature finds that optimal
 1319 coordination of child protection teams and sexual abuse
 1320 treatment programs requires collaboration between the Department
 1321 of Health and the Department of Children and Family Services.
 1322 The two departments shall maintain an interagency agreement that
 1323 establishes protocols for oversight and operations of child
 1324 protection teams and sexual abuse treatment programs. The
 1325 Secretary of Health and the Deputy Secretary for Children's
 1326 Medical Services, in consultation with the Secretary of Children
 1327 and Family Services, shall maintain the responsibility for the
 1328 screening, employment, and, if necessary, the termination of
 1329 child protection team medical directors, at headquarters and in
 1330 the 15 districts. Child protection team medical directors shall
 1331 be responsible for oversight of the teams in the districts.

1332 (2) The child abuse, abandonment, and neglect reports that
 1333 must be referred by the department ~~of Children and Family~~
 1334 ~~Services~~ to child protection teams of the Department of Health
 1335 for an assessment and other appropriate available support
 1336 services as set forth in subsection (1) must include cases
 1337 involving:

1338 (a) Injuries to the head, bruises to the neck or head,
 1339 burns, or fractures in a child of any age.

1340 (b) Bruises anywhere on a child 5 years of age or under.

1341 (c) Any report alleging sexual abuse of a child ~~in which~~
 1342 ~~vaginal or anal penetration is alleged or in which other~~
 1343 ~~unlawful sexual conduct has been determined to have occurred.~~

1344 (d) Any sexually transmitted disease in a prepubescent

HB 7123

2006

1345 child.

1346 (e) Reported malnutrition of a child and failure of a
1347 child to thrive.

1348 (f) Reported medical neglect of a child.

1349 (g) Any family in which one or more children have been
1350 pronounced dead on arrival at a hospital or other health care
1351 facility, or have been injured and later died, as a result of
1352 suspected abuse, abandonment, or neglect, when any sibling or
1353 other child remains in the home.

1354 (h) Symptoms of serious emotional problems in a child when
1355 emotional or other abuse, abandonment, or neglect is suspected.

1356 Section 10. Subsections (10) and (16) of section 39.402,
1357 Florida Statutes, are amended, and subsections (17) and (18) are
1358 added to that section, to read:

1359 39.402 Placement in a shelter.--

1360 (10) (a) The shelter hearing order shall contain a written
1361 determination as to whether the department has made a reasonable
1362 effort to prevent or eliminate the need for removal or continued
1363 removal of the child from the home. This determination must
1364 include a description of which specific services, if available,
1365 could prevent or eliminate the need for removal or continued
1366 removal from the home and the date by which the services are
1367 expected to become available.

1368 (b) If services are not available to prevent or eliminate
1369 the need for removal or continued removal of the child from the
1370 home, the written determination must also contain a explanation
1371 describing why the services are not available for the child.

1372 (c) If the department has not made such an effort to

HB 7123

2006

1373 prevent or eliminate the need for removal, the court shall order
 1374 the department to provide appropriate and available services to
 1375 ensure the protection of the child in the home when the such
 1376 services are necessary for the child's health and safety.

1377 (16) At the conclusion of a shelter hearing, the court
 1378 shall:

1379 (a) Notify all parties in writing of the next scheduled
 1380 hearing to review the shelter placement. The Such hearing shall
 1381 be held no later than 30 days after placement of the child in
 1382 shelter status, in conjunction with the arraignment hearing, and
 1383 at such times as are otherwise provided by law or determined by
 1384 the court to be necessary; and-

1385 (b) Notify all parties in writing of the date, time, and
 1386 place of the case plan conference, family team conference, or
 1387 mediation that will be used to develop the case plan. The case
 1388 plan conference, family team conference, or mediation must take
 1389 place no later than 30 days after placing the child in shelter
 1390 status.

1391 (17) At the shelter hearing, the court shall inquire of
 1392 the parent whether the parent has relatives who might be
 1393 considered as a placement for the child. The parent shall
 1394 provide to the court and all parties identification and location
 1395 information regarding the relatives. The court shall advise the
 1396 parent that the parent has a continuing duty to inform the
 1397 department of any relative who should be considered as a
 1398 placement for the child.

1399 (18) The court shall advise the parents that, if the
 1400 parents fail to substantially comply with the case plan, their

HB 7123

2006

1401 parental rights may be terminated and that the child's out-of-
1402 home placement may become permanent.

1403 Section 11. Present subsections (7) and (8) of section
1404 39.507, Florida Statutes, are redesignated as subsections (8)
1405 and (9), respectively, and a new subsection (7) is added to that
1406 section, to read:

1407 39.507 Adjudicatory hearings; orders of adjudication.--

1408 (7) If a court adjudicates a child dependent and the child
1409 is in out-of-home care, the court shall inquire of the parent or
1410 parents whether the parents have relatives who might be
1411 considered as a placement for the child. The court shall advise
1412 the parents that, if the parents fail to substantially comply
1413 with the case plan, their parental rights may be terminated and
1414 that the child's out-of-home placement may become permanent. The
1415 parent or parents shall provide to the court and all parties
1416 identification and location information of the relatives.

1417 Section 12. Paragraph (c) of subsection (1) and paragraph
1418 (a) of subsection (2) of section 39.5085, Florida Statutes, are
1419 amended to read:

1420 39.5085 Relative Caregiver Program.--

1421 (1) It is the intent of the Legislature in enacting this
1422 section to:

1423 (c) Recognize that permanency in the best interests of the
1424 child can be achieved through a variety of permanency options,
1425 including permanent guardianship under s. 39.6221 if the
1426 guardian is a relative, permanent placement with a fit and
1427 willing relative ~~long-term relative custody~~, guardianship under
1428 chapter 744, or adoption, by providing additional placement

HB 7123

2006

1429 options and incentives that will achieve permanency and
1430 stability for many children who are otherwise at risk of foster
1431 care placement because of abuse, abandonment, or neglect, but
1432 who may successfully be able to be placed by the dependency
1433 court in the care of such relatives.

1434 (2)(a) The Department of Children and Family Services
1435 shall establish and operate the Relative Caregiver Program under
1436 ~~pursuant to~~ eligibility guidelines established in this section
1437 as further implemented by rule of the department. The Relative
1438 Caregiver Program shall, within the limits of available funding,
1439 provide financial assistance to:

1440 1. Relatives who are within the fifth degree by blood or
1441 marriage to the parent or stepparent of a child and who are
1442 caring full-time for that dependent child in the role of
1443 substitute parent as a result of a court's determination of
1444 child abuse, neglect, or abandonment and subsequent placement
1445 with the relative under ~~pursuant to~~ this chapter.

1446 2. Relatives who are within the fifth degree by blood or
1447 marriage to the parent or stepparent of a child and who are
1448 caring full-time for that dependent child, and a dependent half-
1449 brother or half-sister of that dependent child, in the role of
1450 substitute parent as a result of a court's determination of
1451 child abuse, neglect, or abandonment and subsequent placement
1452 with the relative under ~~pursuant to~~ this chapter.

1453
1454 The ~~Such~~ placement may be either court-ordered temporary legal
1455 custody to the relative under protective supervision of the
1456 department under ~~pursuant to~~ s. 39.521(1)(b)3., or court-ordered

HB 7123

2006

placement in the home of a relative as a permanency option under
s. 39.6221 or s. 39.6231, or under former ~~pursuant to~~ s. 39.622.
 The Relative Caregiver Program shall offer financial assistance
 to caregivers who are relatives and who would be unable to serve
 in that capacity without the relative caregiver payment because
 of financial burden, thus exposing the child to the trauma of
 placement in a shelter or in foster care.

Section 13. Paragraph (d) of subsection (1) of section
 39.521, Florida Statutes, is amended to read:

39.521 Disposition hearings; powers of disposition.--

(1) A disposition hearing shall be conducted by the court,
 if the court finds that the facts alleged in the petition for
 dependency were proven in the adjudicatory hearing, or if the
 parents or legal custodians have consented to the finding of
 dependency or admitted the allegations in the petition, have
 failed to appear for the arraignment hearing after proper
 notice, or have not been located despite a diligent search
 having been conducted.

(d) The court shall, in its written order of disposition,
 include all of the following:

1. The placement or custody of the child.
2. Special conditions of placement and visitation.
3. Evaluation, counseling, treatment activities, and other
 actions to be taken by the parties, if ordered.
4. The persons or entities responsible for supervising or
 monitoring services to the child and parent.
5. Continuation or discharge of the guardian ad litem, as
 appropriate.

HB 7123

2006

1485 6. The date, time, and location of the next scheduled
1486 review hearing, which must occur within the earlier of:
1487 a. Ninety days after the disposition hearing;
1488 b. Ninety days after the court accepts the case plan;
1489 c. Six months after the date of the last review hearing;

1490 or

1491 d. Six months after the date of the child's removal from
1492 his or her home, if no review hearing has been held since the
1493 child's removal from the home.

1494 7. If the child is in an out-of-home placement, child
1495 support to be paid by the parents, or the guardian of the
1496 child's estate if possessed of assets which under law may be
1497 disbursed for the care, support, and maintenance of the child.
1498 The court may exercise jurisdiction over all child support
1499 matters, shall adjudicate the financial obligation, including
1500 health insurance, of the child's parents or guardian, and shall
1501 enforce the financial obligation as provided in chapter 61. The
1502 state's child support enforcement agency shall enforce child
1503 support orders under this section in the same manner as child
1504 support orders under chapter 61. Placement of the child shall
1505 not be contingent upon issuance of a support order.

1506 8.a. If the court does not commit the child to the
1507 temporary legal custody of an adult relative, legal custodian,
1508 or other adult approved by the court, the disposition order
1509 shall include the reasons for such a decision and shall include
1510 a determination as to whether diligent efforts were made by the
1511 department to locate an adult relative, legal custodian, or
1512 other adult willing to care for the child in order to present

HB 7123

2006

that placement option to the court instead of placement with the department.

b. ~~If diligent efforts are made to locate an adult relative willing and able to care for the child but,~~ because no suitable relative is found and, the child is placed with the department or a legal custodian or other adult approved by the court, both the department and the court shall consider transferring temporary legal custody to an adult relative approved by the court at a later date, but neither the department nor the court is obligated to so place the child if it is in the child's best interest to remain in the current placement.

For the purposes of this subparagraph, "diligent efforts to locate an adult relative" means a search similar to the diligent search for a parent, but without the continuing obligation to search after an initial adequate search is completed.

9. Other requirements necessary to protect the health, safety, and well-being of the child, to preserve the stability of the child's educational placement, and to promote family preservation or reunification whenever possible.

Section 14. Subsection (1) of section 39.522, Florida Statutes, is amended to read:

39.522 Postdisposition change of custody.--The court may change the temporary legal custody or the conditions of protective supervision at a postdisposition hearing, without the necessity of another adjudicatory hearing.

(1) A child who has been placed in the child's own home

HB 7123

2006

under the protective supervision of an authorized agent of the department, in the home of a relative, in the home of a legal custodian, or in some other place may be brought before the court by the department or by any other interested person, upon the filing of a petition alleging a need for a change in the conditions of protective supervision or the placement. If the parents or other legal custodians deny the need for a change, the court shall hear all parties in person or by counsel, or both. Upon the admission of a need for a change or after such hearing, the court shall enter an order changing the placement, modifying the conditions of protective supervision, or continuing the conditions of protective supervision as ordered. The standard for changing custody of the child shall be the best interest of the child. When applying this standard, the court shall consider the continuity of the child's placement in the same out-of-home residence as a factor when determining the best interest of the child. If the child is not placed in foster care, then the new placement for the child must meet the home study criteria and court approval pursuant to this chapter.

Section 15. Section 39.6011, Florida Statutes, is created to read:

39.6011 Case plan development.--

(1) The department shall prepare a draft of the case plan for each child receiving services under this chapter. A parent of a child may not be threatened or coerced with the loss of custody or parental rights for failing to admit in the case plan to abusing, neglecting, or abandoning a child. Participating in the development of a case plan is not an admission to any

HB 7123

2006

1569 allegation of abuse, abandonment, or neglect, and it is not a
 1570 consent to a finding of dependency or termination of parental
 1571 rights. The case plan shall be developed subject to the
 1572 following requirements:

1573 (a) The case plan must be developed in a face-to-face
 1574 conference with the parent of the child, any court-appointed
 1575 guardian ad litem, and, if appropriate, the child and the
 1576 temporary custodian of the child. The conference to prepare a
 1577 case plan must be scheduled under s. 39.402(16)(b) and must be
 1578 conducted according to one of the following procedures:

1579 1. A case plan conference that is a meeting among the
 1580 parties described in this subsection.

1581 2. A mediation if dependency mediation services are
 1582 available and appropriate and in the best interest of the child.

1583 3. A family team conference if a family team conference is
 1584 available.

1585 (b) The parent may receive assistance from any person or
 1586 social service agency in preparing the case plan. The social
 1587 service agency, the department, and the court, when applicable,
 1588 shall inform the parent of the right to receive such assistance,
 1589 including the right to assistance of counsel.

1590 (c) If a parent is unwilling or unable to participate in
 1591 developing a case plan, the department shall document that
 1592 unwillingness or inability to participate. The documentation
 1593 must be provided in writing to the parent when available for the
 1594 court record, and the department shall prepare a case plan
 1595 conforming as nearly as possible with the requirements set forth
 1596 in this section. The unwillingness or inability of the parent to

HB 7123

2006

1597 participate in developing a case plan does not preclude the
1598 filing of a petition for dependency or for termination of
1599 parental rights. The parent, if available, must be provided a
1600 copy of the case plan and be advised that he or she may, at any
1601 time before the filing of a petition for termination of parental
1602 rights, enter into a case plan and that he or she may request
1603 judicial review of any provision of the case plan with which he
1604 or she disagrees at any court hearing set for the child.

1605 (2) The case plan must be written simply and clearly in
1606 English and, if English is not the principal language of the
1607 child's parent, to the extent possible in the parent's principal
1608 language. Each case plan must contain:

1609 (a) A description of the identified problem being
1610 addressed, including the parent's behavior or acts resulting in
1611 risk to the child and the reason for the intervention by the
1612 department.

1613 (b) The permanency goal as defined in s. 39.01(51).

1614 (c) If concurrent planning is being used, a description of
1615 the permanency goal of reunification with the parent or legal
1616 custodian in addition to a description of one of the remaining
1617 permanency goals described in s. 39.01(51).

1618 (d) The date the compliance period expires. The case plan
1619 must be limited to as short a period as possible for
1620 accomplishing its provisions. The plan's compliance period
1621 expires no later than 12 months after the date the child was
1622 initially removed from the home or the date the case plan was
1623 accepted by the court, whichever occurs sooner.

1624 (e) A written notice to the parent that failure of the

HB 7123

2006

1625 parent to substantially comply with the case plan may result in
1626 the termination of parental rights and that a material breach of
1627 the case plan may result in the filing of a petition for
1628 termination of parental rights sooner than the compliance period
1629 set forth in the case plan.

1630 (3) The case plan must be signed by all parties, except
1631 that the signature of a child may be waived if the child is not
1632 of an age or capacity to participate in the case planning
1633 process. Signing the case plan constitutes an acknowledgement
1634 that the case plan has been developed by the parties and that
1635 they are in agreement as to the terms and conditions contained
1636 in the case plan. The refusal of a parent to sign the case plan
1637 does not prevent the court from accepting the case plan if the
1638 case plan is otherwise acceptable to the court. Signing the case
1639 plan does not constitute an admission to any allegation of
1640 abuse, abandonment, or neglect and does not constitute consent
1641 to a finding of dependency or termination of parental rights.
1642 Before signing the case plan, the department shall explain the
1643 provisions of the plan to all persons involved in its
1644 implementation, including, when appropriate, the child.

1645 (4) The case plan must describe:

1646 (a) The role of the foster parents or legal custodians
1647 when developing the services that are to be provided to the
1648 child, foster parents, or legal custodians.

1649 (b) The minimum number of face-to-face meetings to be held
1650 each month between the parents and the department's family
1651 services counselors to review the progress of the plan, to
1652 eliminate barriers to progress, and to resolve conflicts or

HB 7123

2006

1653 disagreements.

1654 (c) The parent's responsibility for financial support of
1655 the child, including, but not limited to, health insurance and
1656 child support. The case plan must list the costs associated with
1657 any services or treatment that the parent and child are expected
1658 to receive which are the financial responsibility of the parent.
1659 The determination of child support and other financial support
1660 shall be made independently of any determination of indigency
1661 under s. 39.013.

1662 (5) When the permanency goal for a child is adoption, the
1663 case plan must include documentation of the steps the agency is
1664 taking to find an adoptive family or other permanent living
1665 arrangement for the child. At a minimum, the documentation shall
1666 include recruitment efforts that are specific to the child, such
1667 as the use of state, regional, and national adoption exchanges,
1668 including electronic exchange systems.

1669 (6) After the case plan has been developed, the department
1670 shall adhere to the following procedural requirements:

1671 (a) If the parent's substantial compliance with the case
1672 plan requires the department to provide services to the parents
1673 or the child and the parents agree to begin compliance with the
1674 case plan before the case plan's acceptance by the court, the
1675 department shall make the appropriate referrals for services
1676 that will allow the parents to immediately begin the agreed upon
1677 tasks and services.

1678 (b) After the case plan has been agreed upon and signed by
1679 the parties, a copy of the plan must immediately be given to the
1680 parties, including the child, if appropriate, and to other

HB 7123

2006

persons as directed by the court.

1. A case plan must be prepared, but need not be submitted to the court, for a child who will be in care no longer than 30 days unless that child is placed in out-of-home care a second time within a 12-month period.

2. In each case in which a child has been placed in out-of-home care, a case plan must be prepared within 60 days after the department removes the child from the home and shall be submitted to the court before the disposition hearing for the court to review and approve.

3. After jurisdiction attaches, all case plans must be filed with the court and a copy provided to all the parties whose whereabouts are known not less than 3 business days before the disposition hearing. The department shall file with the court, and provide copies to the parties, all case plans prepared before jurisdiction of the court attached.

(7) The case plan must be filed with the court and copies provided to all parties, including the child, if appropriate, not less than 3 business days before the disposition hearing.

(8) The case plan must describe a process for making available to all physical custodians and family services counselors the information required by s. 39.6012(2) and for ensuring that this information follows the child until permanency has been achieved.

Section 16. Section 39.6012, Florida Statutes, is created to read:

39.6012 Case plan tasks; services.--

(1) The services to be provided to the parent and the

HB 7123

2006

1709 tasks that must be completed are subject to the following:

1710 (a) The services described in the case plan must be
 1711 designed to improve the conditions in the home and aid in
 1712 maintaining the child in the home, facilitate the child's safe
 1713 return to the home, ensure proper care of the child, or
 1714 facilitate the child's permanent placement. The services offered
 1715 must be the least intrusive possible into the life of the parent
 1716 and child, must focus on clearly defined objectives, and must
 1717 provide the most efficient path to quick reunification or
 1718 permanent placement given the circumstances of the case and the
 1719 child's need for safe and proper care.

1720 (b) The case plan must describe each of the tasks with
 1721 which the parent must comply and the services to be provided to
 1722 the parent, specifically addressing the identified problem,
 1723 including:

1724 1. The type of services or treatment.
 1725 2. The date the department will provide each service or
 1726 referral for the service if the service is being provided by the
 1727 department or its agent.

1728 3. The date by which the parent must complete each task.

1729 4. The frequency of services or treatment provided. The
 1730 frequency of the delivery of services or treatment provided
 1731 shall be determined by the professionals providing the services
 1732 or treatment on a case-by-case basis and adjusted according to
 1733 their best professional judgment.

1734 5. The location of the delivery of the services.

1735 6. The staff of the department or service provider
 1736 accountable for the services or treatment.

HB 7123

2006

1737 7. A description of the measurable objectives, including
1738 the timeframes specified for achieving the objectives of the
1739 case plan and addressing the identified problem.

1740 (2) The case plan must include all available information
1741 relevant to the child's care, including, at a minimum:

1742 (a) A description of the identified needs of the child
1743 while in care.

1744 (b) A description of the plan for ensuring that the child
1745 receives safe and proper care and that services are provided to
1746 the child in order to address the child's needs. To the extent
1747 available and accessible, the following health, mental health,
1748 and education information and records of the child must be
1749 attached to the case plan and updated throughout the judicial
1750 review process:

1751 1. The names and addresses of the child's health, mental
1752 health, and education providers.

1753 2. The child's grade-level performance.

1754 3. The child's school record.

1755 4. Assurances that the child's placement takes into
1756 account proximity to the school in which the child is enrolled
1757 at the time of placement.

1758 5. A record of the child's immunizations.

1759 6. The child's known medical history, including any known
1760 problems.

1761 7. The child's medications, if any.

1762 8. Any other relevant health, mental health, and education
1763 information concerning the child.

1764 (3) In addition to any other requirement, if the child is

HB 7123

2006

1765 in an out-of-home placement, the case plan must include:

1766 (a) A description of the type of placement in which the
1767 child is to be living.

1768 (b) A description of the parent's visitation rights and
1769 obligations and the plan for sibling visitation if the child has
1770 siblings and is separated from them.

1771 (c) When appropriate, for a child who is 13 years of age
1772 or older, a written description of the programs and services
1773 that will help the child prepare for the transition from foster
1774 care to independent living.

1775 (d) A discussion of the safety and the appropriateness of
1776 the child's placement, which placement is intended to be safe,
1777 the least restrictive and the most family-like setting available
1778 consistent with the best interest and special needs of the
1779 child, and in as close proximity as possible to the child's
1780 home.

1781 Section 17. Section 39.6013, Florida Statutes, is created
1782 to read:

1783 39.6013 Case plan amendments.--

1784 (1) After the case plan has been developed under s.
1785 39.6011, the tasks and services agreed upon in the plan may not
1786 be changed or altered in any way except as provided in this
1787 section.

1788 (2) The case plan may be amended at any time in order to
1789 change the goal of the plan, employ the use of concurrent
1790 planning, add or remove tasks the parent must complete to
1791 substantially comply with the plan, provide appropriate services
1792 for the child, and update the child's health, mental health, and

HB 7123

2006

education records required by s. 39.6012.

(3) The case plan may be amended upon approval of the court if all parties are in agreement regarding the amendments to the plan and the amended plan is signed by all parties and submitted to the court with a memorandum of explanation.

(4) The case plan may be amended by the court or upon motion of any party at any hearing to change the goal of the plan, employ the use of concurrent planning, or add or remove tasks the parent must complete in order to substantially comply with the plan if there is a preponderance of evidence demonstrating the need for the amendment. The need to amend the case plan may be based on information discovered or circumstances arising after the approval of the case plan for:

(a) A previously unaddressed condition that, without services, may prevent the child from safely returning to the home or may prevent the child from safely remaining in the home;

(b) The child's need for permanency, taking into consideration the child's age and developmental needs;

(c) The failure of a party to substantially comply with a task in the original case plan, including the ineffectiveness of a previously offered service; or

(d) An error or oversight in the case plan.

(5) The case plan may be amended by the court or upon the motion of any party at any hearing to provide appropriate services to the child if there is competent evidence demonstrating the need for the amendment. The reason for amending the case plan may be based on information discovered or circumstances arising after the approval of the case plan

HB 7123

2006

regarding the provision of safe and proper care to the child.

(6) The case plan is deemed amended as to the child's health, mental health, and education records required by s. 39.6012 when the child's updated health, mental health, and education records are filed by the department under s. 39.701(7)(a).

(7) Amendments must include service interventions that are the least intrusive into the life of the parent and child, must focus on clearly defined objectives, and must provide the most efficient path to quick reunification or permanent placement given the circumstances of the case and the child's need for safe and proper care. A copy of the amended plan must immediately be given to the persons identified in s. 39.6011.

Section 18. Subsections (1) and (2) of section 39.603, Florida Statutes, are amended to read:

39.603 Court approvals of case planning.--

(1) All case plans and amendments to case plans must be approved by the court. At the hearing on the case plan, which shall occur in conjunction with the disposition hearing unless otherwise directed by the court, the court shall determine:

(a) All parties who were notified and are in attendance at the hearing, either in person or through a legal representative. The court may appoint a guardian ad litem under Rule 1.210, Florida Rules of Civil Procedure, to represent the interests of any parent, if the location of the parent is known but the parent is not present at the hearing and the development of the plan is based upon the physical, emotional, or mental condition or physical location of the parent.

HB 7123

2006

1849 (b) If the plan is consistent with previous orders of the
1850 court placing the child in care.

1851 (c) If the plan is consistent with the requirements for
1852 the content of a plan as specified in this chapter.

1853 (d) In involuntary placements, whether each parent was
1854 notified of the right to counsel at each stage of the dependency
1855 proceedings, in accordance with the Florida Rules of Juvenile
1856 Procedure.

1857 (e) Whether each parent whose location was known was
1858 notified of the right to participate in the preparation of a
1859 case plan and of the right to receive assistance from any other
1860 person in the preparation of the case plan.

1861 (f) Whether the plan is meaningful and designed to address
1862 facts and circumstances upon which the court based the finding
1863 of dependency in involuntary placements or the plan is
1864 meaningful and designed to address facts and circumstances upon
1865 which the child was placed in out-of-home care voluntarily.

1866 (2) When the court determines that any of the elements
1867 considered at the hearing related to the plan have not been met,
1868 the court shall require the parties to make necessary amendments
1869 to the plan under s. 39.6013. The amended plan must be submitted
1870 to the court for review and approval within 30 days after the
1871 hearing. A copy of the amended plan must also be provided to
1872 each party, if the location of the party is known, at least 3
1873 business days before ~~72 hours prior to~~ filing with the court.

1874 Section 19. Section 39.621, Florida Statutes, is amended
1875 to read:

1876 39.621 Permanency determination by the court.--

HB 7123

2006

(1) The Legislature finds that time is of the essence for permanency of children in the dependency system. A permanency hearing must be held no later than 12 months after the date the child was removed from the home or no later than 30 days after a court determines that reasonable efforts to return a child to either parent are not required, whichever occurs first. The purpose of the permanency hearing is to determine when the child will achieve the permanency goal or whether modifying the current goal is in the best interest of the child. A permanency hearing must be held at least every 12 months for any child who continues to receive supervision from the department or awaits adoption. ~~When the court has determined that reunification with either parent is not appropriate, then the court must make a permanency determination for the child.~~

(2) The permanency goals available under this chapter are:

(a) Reunification;

(b) Adoption, if a petition for termination of parental rights has been or will be filed;

(c) Permanent guardianship of a dependent child under s. 39.6221;

(d) Permanent placement with a fit and willing relative under s. 39.6231; or

(e) Placement in another planned permanent living arrangement under s. 39.6241.

(3)(a) At least 3 business days before the permanency hearing, the department shall file its judicial review social services report with the court and provide copies of the report to all parties. The report must include a recommended permanency

HB 7123

2006

1905 goal for the child, suggest changes to the case plan, if needed,
 1906 and describe why the recommended goal is in the best interest of
 1907 the child.

1908 (b) Before the permanency hearing, the department shall
 1909 advise the child and the individuals with whom the child will be
 1910 placed about the availability of more permanent and legally
 1911 secure placements and what type of financial assistance is
 1912 associated with each placement.

1913 (4) At the permanency hearing, the court shall determine:

1914 (a) Whether the current permanency goal for the child is
 1915 appropriate or should be changed.

1916 (b) When the child will achieve one of the permanency
 1917 goals.

1918 (c) Whether the department has made reasonable efforts to
 1919 finalize the permanency plan currently in effect.

1920 (5) The best interest of the child is the primary
 1921 consideration in determining the permanency goal for the child.
 1922 The court must also consider:

1923 (a) The reasonable preference of the child if the court
 1924 has found the child to be of sufficient intelligence,
 1925 understanding, and experience to express a preference.

1926 (b) Any recommendation of the guardian ad litem.

1927 (6) (a) (2) If a child will not be reunited with a parent,
 1928 adoption, under pursuant to chapter 63, is the primary
 1929 permanency option available to the court. If the child is placed
 1930 with a relative or with a relative of the child's half-brother
 1931 or half-sister as a permanency option, the court may shall
 1932 recognize the permanency of this placement without requiring the

HB 7123

2006

relative to adopt the child.

(b) If the court approves a permanency goal of permanent guardianship of a dependent child, placement with a fit and willing relative, or another planned permanent living arrangement, the court shall make findings as to why this permanent placement is established without adoption of the child to follow. If the court approves a permanency goal of another planned permanent living arrangement, the court shall document the compelling reasons for choosing this goal.

(7) The findings of the court regarding reasonable efforts to finalize the permanency plan must be explicitly documented, made on a case-by-case basis, and stated in the court order.

(8) The case plan must list the tasks necessary to finalize the permanency placement and shall be updated at the permanency hearing if necessary. If a concurrent case plan is in place, the court may choose between the permanency goal options presented and shall approve the goal that is in the child's best interest.

(9) The permanency placement is intended to continue until the child reaches the age of majority and may not be disturbed absent a finding by the court that the circumstances of the permanency placement are no longer in the best interest of the child. If a parent who has not had his or her parental rights terminated makes a motion for reunification or increased contact with the child, the court shall hold a hearing to determine whether the dependency case should be reopened and whether there should be a modification of the order. At the hearing, the parent must demonstrate that the safety, well-being, and

HB 7123

2006

1961 physical, mental, and emotional health of the child is not
1962 endangered by the modification.

1963 (10) The court shall base its decision concerning any
1964 motion by a parent for reunification or increased contact with a
1965 child on the effect of the decision on the safety, well-being,
1966 and physical and emotional health of the child. Factors that
1967 must be considered and addressed in the findings of fact of the
1968 order on the motion must include:

1969 (a) The compliance or noncompliance of the parent with the
1970 case plan.

1971 (b) The circumstances which caused the child's dependency
1972 and whether those circumstances have been resolved.

1973 (c) The stability and longevity of the child's placement;

1974 (d) The preferences of the child, if the child is of
1975 sufficient age and understanding to express a preference;

1976 (e) The recommendation of the current custodian.

1977 (f) The recommendation of the guardian ad litem, if one
1978 has been appointed.

1979 ~~(3) The permanency options listed in the following~~
1980 ~~paragraphs shall only be considered by the court if adoption is~~
1981 ~~determined by the court to not be in the child's best interest,~~
1982 ~~except as otherwise provided in subsection (2):~~

1983 ~~(a) Guardianship pursuant to chapter 744.~~

1984 ~~(b) Long-term custody.~~

1985 ~~(c) Long-term licensed custody.~~

1986 ~~(d) Independent living.~~

1987
1988 ~~The permanency placement is intended to continue until the child~~

HB 7123

2006

~~reaches the age of majority and shall not be disturbed absent a finding by the court that the circumstances of the permanency placement are no longer in the best interest of the child.~~

Section 20. Section 39.6221, Florida Statutes, is created to read:

39.6221 Permanent guardianship of a dependent child.--

(1) If a court determines that reunification or adoption is not in the best interest of the child, the court may place the child in a permanent guardianship with a relative or other adult approved by the court if all of the following conditions are met:

(a) The child has been in the placement for not less than the preceding 6 months.

(b) The permanent guardian is suitable and able to provide a safe and permanent home for the child.

(c) The court determines that the child and the relative or other adult are not likely to need supervision or services of the department to ensure the stability of the permanent guardianship.

(d) The permanent guardian has made a commitment to provide for the child until the child reaches the age of majority and to prepare the child for adulthood and independence.

(e) The permanent guardian agrees to give notice of any change in his or her residential address or the residence of the child by filing a written document in the dependency file of the child with the clerk of the court.

(2) In its written order establishing a permanent

HB 7123

2006

guardianship, the court shall:

(a) List the circumstances or reasons the child's parents are not fit to care for the child and why reunification is not possible by referring to specific findings of fact made in its order adjudicating the child dependent or by making separate findings of fact.

(b) State the reasons a permanent guardianship is being established instead of adoption.

(c) Specify the frequency and nature of visitation or contact between the child and his or her parents.

(d) Specify the frequency and nature of visitation or contact between the child and his or her grandparents, under s. 39.509.

(e) Specify the frequency and nature of visitation or contact between the child and his or her siblings.

(f) Require that the permanent guardian not return the child to the physical care and custody of the person from whom the child was removed without the approval of the court.

(g) List the powers and duties of the permanent guardian which shall include the rights and duties of a parent, including, but not limited to:

1. The right to physical and legal custody of the child.

2. The right and duty to protect, nurture, guide, and discipline the child.

3. The right and duty to provide the child with food, shelter, and education.

4. The right and duty to provide the child with ordinary medical, dental, psychiatric, and psychological care, unless

HB 7123

2006

these rights and duties are otherwise enlarged or limited by court order.

(3) The court shall give the permanent guardian a separate order establishing the authority of the permanent guardian to care for the child, specifying what powers and duties listed in paragraph (2)(g) belong to the permanent guardian, and providing any other information the court deems proper which can be provided to persons who are not parties to the proceeding as necessary, notwithstanding the confidentiality provisions of s. 39.202.

(4) A permanent guardianship of a dependent child established under this chapter is not a plenary guardianship and is not subject to the requirements of chapter 744.

(5) The court shall retain jurisdiction over the case and the child shall remain in the custody of the permanent guardian unless the order creating the permanent guardianship is modified by the court. The court shall discontinue regular review hearings and relieve the department of the responsibility for supervising the placement of the child. Notwithstanding the retention of jurisdiction, the placement shall be considered permanency for the child.

(6) Placement of a child in a permanent guardianship does not terminate the parent-child relationship, including:

(a) The right of the child to inherit from his or her parents.

(b) The parents' right to consent to the child's adoption.

(c) The parents' responsibility to provide financial, medical, and other support for the child as ordered by the

HB 7123

2006

2073 court.

2074 Section 21. Section 39.6231, Florida Statutes, is created
2075 to read:

2076 39.6231 Permanent placement with a fit and willing
2077 relative.--

2078 (1) If a court finds that reunification or adoption are
2079 not in the best interest of a child, the court may place the
2080 child with a fit and willing relative as a permanency option if:

2081 (a) The child has been in the placement for at least the
2082 preceding 6 months.

2083 (b) The relative has made a commitment to provide for the
2084 child until the child reaches the age of majority and to prepare
2085 the child for adulthood and independence.

2086 (c) The relative is suitable and able to provide a safe
2087 and permanent home for the child.

2088 (d) The relative agrees to give notice of any change in
2089 his or her residence or the residence of the child by filing a
2090 written document with the clerk of court.

2091 (2) The department and the guardian ad litem shall provide
2092 the court with a recommended list and description of services
2093 needed by the child and the family in order to ensure the
2094 permanency of the placement.

2095 (3) In its written order placing the child with a fit and
2096 willing relative, the court shall:

2097 (a) List the circumstances or reasons reunification is not
2098 possible by referring to specific findings of fact made in its
2099 order adjudicating the child dependent or by making separate
2100 findings of fact.

HB 7123

2006

2101 (b) State the reasons permanent placement with a fit and
 2102 willing relative is being established instead of adoption;
 2103 (c) Specify the frequency and nature of visitation or
 2104 contact between the child and his or her parents.
 2105 (d) Specify the frequency and nature of visitation or
 2106 contact between the child and his or her grandparents, under s.
 2107 39.509.
 2108 (e) Specify the frequency and nature of visitation or
 2109 contact between the child and his or her siblings.
 2110 (f) Require that the relative not return the child to the
 2111 physical care and custody of the person from whom the child was
 2112 removed without the approval of the court.
 2113 (4) The court shall give the relative a separate order
 2114 establishing his or her authority to care for the child and
 2115 providing other information the court deems proper which can be
 2116 provided to entities and individuals who are not parties to the
 2117 proceeding as necessary, notwithstanding the confidentiality of
 2118 s. 39.202.
 2119 (5) The department shall continue to supervise the
 2120 placement with the relative until further court order. The court
 2121 shall continue to review the placement at least once every 6
 2122 months.
 2123 (6) Each party to the proceeding must be advised by the
 2124 department and the court that placement with a fit and willing
 2125 relative does not preclude the possibility of the child
 2126 returning to the custody of the parent.
 2127 (7) The court shall continue to conduct permanency
 2128 hearings in order to reevaluate the possibility of adoption or

HB 7123

2006

2129 permanent guardianship of the child.

2130 Section 22. Section 39.6241, Florida Statutes, is created
2131 to read:

2132 39.6241 Another planned permanent living arrangement.--

2133 (1) If a court finds that reunification is not in the best
2134 interest of a child, the court may approve placement of the
2135 child in another planned permanent living arrangement if:

2136 (a) The court finds a more permanent placement, such as
2137 adoption, permanent guardianship, or placement with a fit and
2138 willing relative, is not in the best interest of the child.

2139 (b) The department documents reasons the placement will
2140 endure and how the proposed arrangement will be more stable and
2141 secure than ordinary foster care.

2142 (c) The court finds that the health, safety, and well-
2143 being of the child will not be jeopardized by such an
2144 arrangement.

2145 (d) There are compelling reasons to show that another
2146 placement is the most appropriate permanency goal. Compelling
2147 reasons for another placement may include, but are not limited
2148 to:

2149 1. The case of a parent and child who have a significant
2150 bond but the parent is unable to care for the child because of
2151 an emotional or physical disability and the child's foster
2152 parents have committed to raising him or her to the age of
2153 majority and to facilitate visitation with the disabled parent;

2154 2. The case of a child for whom an Indian tribe has
2155 identified another planned permanent living arrangement for the
2156 child; or

HB 7123

2006

3. The case of a foster child who is 16 years of age or older who chooses to remain in foster care and the child's foster parents are willing to care for the child until the child reaches 18 years of age.

(2) The department and the guardian ad litem must provide the court with a recommended list and description of services needed by the child, such as independent living services and medical, dental, educational, or psychological referrals, and a recommended list and description of services needed by his or her caregiver.

Section 23. Paragraphs (a) and (c) of subsection (7), paragraph (g) of subsection (8), and subsection (9) of section 39.701, Florida Statutes, are amended, and paragraph (k) is added to subsection (8) of that section, to read:

39.701 Judicial review.--

(7)(a) Before ~~Prior to~~ every judicial review hearing or citizen review panel hearing, the social service agency shall make an investigation and social study concerning all pertinent details relating to the child and shall furnish to the court or citizen review panel a written report that includes, but is not limited to:

1. A description of the type of placement the child is in at the time of the hearing, including the safety of the child and the continuing necessity for and appropriateness of the placement.

2. Documentation of the diligent efforts made by all parties to the case plan to comply with each applicable provision of the plan.

HB 7123

2006

3. The amount of fees assessed and collected during the period of time being reported.

4. The services provided to the foster family or legal custodian in an effort to address the needs of the child as indicated in the case plan.

5. A statement that either:

a. The parent, though able to do so, did not comply substantially with the ~~provisions of the~~ case plan, and the agency recommendations;

b. The parent did substantially comply with the ~~provisions of the~~ case plan; or

c. The parent has partially complied with the ~~provisions of the~~ case plan, with a summary of additional progress needed and the agency recommendations.

6. A statement from the foster parent or legal custodian providing any material evidence concerning the return of the child to the parent or parents.

7. A statement concerning the frequency, duration, and results of the parent-child visitation, if any, and the agency recommendations for an expansion or restriction of future visitation.

8. The number of times a child has been removed from his or her home and placed elsewhere, the number and types of placements that have occurred, and the reason for the changes in placement.

9. The number of times a child's educational placement has been changed, the number and types of educational placements which have occurred, and the reason for any change in placement.

HB 7123

2006

2213 10. If the child has reached 13 years of age but is not
2214 yet 18 years of age, the results of the preindependent living,
2215 life skills, or independent living assessment; the specific
2216 services needed; and the status of the delivery of the
2217 identified services.

2218 11. Copies of all medical, psychological, and educational
2219 records that support the terms of the case plan and that have
2220 been produced concerning the child, parents, or any caregiver
2221 since the last judicial review hearing.

2222 12. Copies of the child's current health, mental health,
2223 and education records as identified in s. 39.6012.

2224 (c) In a case in which the child has been permanently
2225 placed with the social service agency, the agency shall furnish
2226 to the court a written report concerning the progress being made
2227 to place the child for adoption. If the child cannot be placed
2228 for adoption, a report on the progress made by the child towards
2229 alternative permanency goals or placements, including, but not
2230 limited to, guardianship, permanent guardianship under s.
2231 39.6221, permanent placement under s. 39.6231 ~~long-term custody,~~
2232 ~~long-term licensed custody,~~ or independent living, must be
2233 submitted to the court. The report must be submitted to the
2234 court at least 72 hours before each scheduled judicial review.

2235 (8) The court and any citizen review panel shall take into
2236 consideration the information contained in the social services
2237 study and investigation and all medical, psychological, and
2238 educational records that support the terms of the case plan;
2239 testimony by the social services agency, the parent, the foster
2240 parent or legal custodian, the guardian ad litem if one has been

HB 7123

2006

2241 appointed for the child, and any other person deemed
2242 appropriate; and any relevant and material evidence submitted to
2243 the court, including written and oral reports to the extent of
2244 their probative value. These reports and evidence may be
2245 received by the court in its effort to determine the action to
2246 be taken with regard to the child and may be relied upon to the
2247 extent of their probative value, even though not competent in an
2248 adjudicatory hearing. In its deliberations, the court and any
2249 citizen review panel shall seek to determine:

2250 (g) Whether the child is receiving safe and proper care
2251 according to s. 39.6012, including, but not limited to, the
2252 appropriateness of the child's current placement, including
2253 whether the child is in a setting that which is as family-like
2254 and as close to the parent's home as possible, consistent with
2255 the child's best interests and special needs, and including
2256 maintaining stability in the child's educational placement.

2257 (k) If amendments to the case plan are required.

2258 Amendments to the case plan must be made under s. 39.6013.

2259 (9)(a) Based upon the criteria set forth in subsection (8)
2260 and the recommended order of the citizen review panel, if any,
2261 the court shall determine whether or not the social service
2262 agency shall initiate proceedings to have a child declared a
2263 dependent child, return the child to the parent, continue the
2264 child in out-of-home care for a specified period of time, or
2265 initiate termination of parental rights proceedings for
2266 subsequent placement in an adoptive home. Amendments
2267 Modifications to the case plan must be prepared handled as
2268 prescribed in s. 39.6013 ~~s. 39.601~~. If the court finds that the

HB 7123

2006

2269 prevention or reunification efforts of the department will allow
2270 the child to remain safely at home or be safely returned to the
2271 home, the court shall allow the child to remain in or return to
2272 the home after making a specific finding of fact that the
2273 reasons for the creation of the case plan have been remedied to
2274 the extent that the child's safety, well-being, and physical,
2275 mental, and emotional health will not be endangered.

2276 (b) The court shall return the child to the custody of the
2277 parents at any time it determines that they have substantially
2278 complied with the case plan, if the court is satisfied that
2279 reunification will not be detrimental to the child's safety,
2280 well-being, and physical, mental, and emotional health.

2281 (c) If, in the opinion of the court, the social service
2282 agency has not complied with its obligations as specified in the
2283 written case plan, the court may find the social service agency
2284 in contempt, shall order the social service agency to submit its
2285 plans for compliance with the agreement, and shall require the
2286 social service agency to show why the child could not safely be
2287 returned to the home of the parents.

2288 ~~(d) The court may extend the time limitation of the case~~
2289 ~~plan, or may modify the terms of the plan, based upon~~
2290 ~~information provided by the social service agency, and the~~
2291 ~~guardian ad litem, if one has been appointed, the parent or~~
2292 ~~parents, and the foster parents or legal custodian, and any~~
2293 ~~other competent information on record demonstrating the need for~~
2294 ~~the amendment. If the court extends the time limitation of the~~
2295 ~~case plan, the court must make specific findings concerning the~~
2296 ~~frequency of past parent child visitation, if any, and the court~~

HB 7123

2006

2297 ~~may authorize the expansion or restriction of future visitation.~~
 2298 ~~Modifications to the plan must be handled as prescribed in s.~~
 2299 ~~39.601. Any extension of a case plan must comply with the time~~
 2300 ~~requirements and other requirements specified by this chapter.~~

2301 ~~(d)(e)~~ If, at any judicial review, the court finds that
 2302 the parents have failed to substantially comply with the case
 2303 plan to the degree that further reunification efforts are
 2304 without merit and not in the best interest of the child, on its
 2305 own motion, the court ~~it~~ may order ~~authorize~~ the filing of a
 2306 petition for termination of parental rights, whether or not the
 2307 time period as contained in the case plan for substantial
 2308 compliance has expired ~~elapsed~~.

2309 ~~(e)(f)~~ No later than 6 ~~12~~ months after the date that the
 2310 child was placed in shelter care, the court shall conduct a
 2311 judicial review hearing to review plan for the child's
 2312 permanency goal as identified in the case plan. At the hearing,
 2313 the court shall make findings regarding the likelihood of the
 2314 child's reunification with the parent or legal custodian within
 2315 12 months after the removal of the child from the home. If, at
 2316 this hearing, the court makes a written finding that it is not
 2317 likely that the child will be reunified with the parent or legal
 2318 custodian within 12 months after the child was removed from the
 2319 home, the department must file with the court and serve on all
 2320 parties a motion to amend the case plan under s. 39.6013 and
 2321 declare that it will use concurrent planning for the case plan.
 2322 The department must file the motion no later than 10 business
 2323 days after receiving the written finding of the court. The
 2324 department must attach the proposed amended case plan to the

HB 7123

2006

2325 motion. If concurrent planning is already being used, the case
2326 plan must document the efforts the department is taking to
2327 complete the concurrent goal. At this hearing, if the child is
2328 not returned to the physical custody of the parents, the case
2329 plan may be extended with the same goals only if the court finds
2330 that the situation of the child is so extraordinary that the
2331 plan should be extended. The case plan must document steps the
2332 department is taking to find an adoptive parent or other
2333 permanent living arrangement for the child.

2334 (f) ~~(g)~~ The court may issue a protective order in
2335 assistance, or as a condition, of any other order made under
2336 this part. In addition to the requirements included in the case
2337 plan, the protective order may set forth requirements relating
2338 to reasonable conditions of behavior to be observed for a
2339 specified period of time by a person or agency who is before the
2340 court; and the ~~such~~ order may require any ~~such~~ person or agency
2341 to make periodic reports to the court containing such
2342 information as the court in its discretion may prescribe.

2343 Section 24. Section 39.703, Florida Statutes, is amended
2344 to read:

2345 39.703 Initiation of termination of parental rights
2346 proceedings; judicial review.--

2347 (1) If, in preparation for a any judicial review hearing
2348 under this chapter, it is the opinion of the social service
2349 agency that the parents of the child have not complied with
2350 their responsibilities as specified in the written case plan
2351 although able to do so, the department shall state its intent to
2352 initiate proceedings to terminate parental rights, unless the

HB 7123

2006

2353 social service agency can demonstrate to the court that such a
2354 recommendation would not be in the child's best interests. If it
2355 is the intent of the department to initiate proceedings to
2356 terminate parental rights, the department shall file a petition
2357 for termination of parental rights no later than 3 months after
2358 the date of the previous judicial review hearing. If the
2359 petition cannot be filed within 3 months, the department shall
2360 provide a written report to the court outlining the reasons for
2361 delay, the progress made in the termination of parental rights
2362 process, and the anticipated date of completion of the process.

2363 (2) If, at the time of the 12-month judicial review
2364 hearing, a child is not returned to the physical custody of the
2365 parents, the department shall file a petition to terminate
2366 parental rights. The court shall set an advisory hearing at the
2367 judicial review hearing if an advisory hearing has not
2368 previously been set. ~~initiate termination of parental rights~~
2369 ~~proceedings under this chapter within 30 days. Only if the court~~
2370 ~~finds that the situation of the child is so extraordinary and~~
2371 ~~that the best interests of the child will be met by such action~~
2372 ~~at the time of the judicial review may the case plan be~~
2373 ~~extended. If the court decides to extend the plan, the court~~
2374 ~~shall enter detailed findings justifying the decision to extend,~~
2375 ~~as well as the length of the extension. A termination of~~
2376 ~~parental rights petition need not be filed if: the child is~~
2377 ~~being cared for by a relative who chooses not to adopt the child~~
2378 ~~but who is willing, able, and suitable to serve as the legal~~
2379 ~~custodian for the child until the child reaches 18 years of age,~~
2380 ~~the court determines that filing such a petition would not be in~~

HB 7123

2006

2381 ~~the best interests of the child; or the state has not provided~~
 2382 ~~the child's parent, when reasonable efforts to return a child~~
 2383 ~~are required, consistent with the time period in the state's~~
 2384 ~~case plan, such services as the state deems necessary for the~~
 2385 ~~safe return of the child to his or her home. Failure to initiate~~
 2386 ~~termination of parental rights proceedings at the time of the~~
 2387 ~~12-month judicial review or within 30 days after such review~~
 2388 ~~does not prohibit initiating termination of parental rights~~
 2389 ~~proceedings at any other time.~~

2390 (3) Notwithstanding subsection (2), the department may
 2391 choose to not file or join in a petition to terminate the
 2392 parental rights of a parent under subsection (2) if:

2393 (a) The child is being cared for by a relative under s.
 2394 39.6231;

2395 (b) The department has documented in the report to the
 2396 court a compelling reason for determining that filing such a
 2397 petition would not be in the best interest of the child.
 2398 Compelling reasons for not filing or joining a petition to
 2399 terminate parental rights may include, but are not limited to:

2400 1. Adoption is not the appropriate permanency goal for the
 2401 child;

2402 2. No grounds to file a petition to terminate parental
 2403 rights exist;

2404 3. The child is an unaccompanied refugee minor as defined
 2405 in 45 C.F.R. 400.111;

2406 4. There are international legal obligations or compelling
 2407 reasons relating to foreign policy that would preclude
 2408 terminating parental rights; or

HB 7123

2006

2409 5. The department has not provided to the family,
2410 consistent with the time period in the case plan, services that
2411 the department deems necessary for the safe return of the child
2412 to the home.

2413 (4) Upon good cause shown by any party or on its own
2414 motion, the court may review the determination by the department
2415 that compelling reasons exist for not filing a petition for
2416 termination of parental rights.

2417 Section 25. Subsections (1) and (2) of section 39.806,
2418 Florida Statutes, are amended to read:

2419 39.806 Grounds for termination of parental rights.--

2420 ~~(1) The department, the guardian ad litem, or any person~~
2421 ~~who has knowledge of the facts alleged or who is informed of~~
2422 ~~those facts and believes that they are true may petition~~ Grounds
2423 for the termination of parental rights may be established under
2424 any of the following circumstances:

2425 (a) When the parent or parents have voluntarily executed a
2426 written surrender of the child and consented to the entry of an
2427 order giving custody of the child to the department for
2428 subsequent adoption and the department is willing to accept
2429 custody of the child.

2430 1. The surrender document must be executed before two
2431 witnesses and a notary public or other person authorized to take
2432 acknowledgments.

2433 2. The surrender and consent may be withdrawn after
2434 acceptance by the department only after a finding by the court
2435 that the surrender and consent were obtained by fraud or under
2436 duress.

HB 7123

2006

2437 (b) Abandonment as defined in s. 39.01(1) or when the
2438 identity or location of the parent or parents is unknown and
2439 cannot be ascertained by diligent search within 60 days.

2440 (c) When the parent or parents engaged in conduct toward
2441 the child or toward other children that demonstrates that the
2442 continuing involvement of the parent or parents in the parent-
2443 child relationship threatens the life, safety, well-being, or
2444 physical, mental, or emotional health of the child irrespective
2445 of the provision of services. Provision of services may be
2446 evidenced by proof that services were provided through a
2447 previous plan or offered as a case plan from a child welfare
2448 agency.

2449 (d) When the parent of a child is incarcerated in a state
2450 or federal correctional institution and either:

2451 1. The period of time for which the parent is expected to
2452 be incarcerated will constitute a substantial portion of the
2453 period of time before the child will attain the age of 18 years;

2454 2. The incarcerated parent has been determined by the
2455 court to be a violent career criminal as defined in s. 775.084,
2456 a habitual violent felony offender as defined in s. 775.084, or
2457 a sexual predator as defined in s. 775.21; has been convicted of
2458 first degree or second degree murder in violation of s. 782.04
2459 or a sexual battery that constitutes a capital, life, or first
2460 degree felony violation of s. 794.011; or has been convicted of
2461 an offense in another jurisdiction which is substantially
2462 similar to one of the offenses listed in this paragraph. As used
2463 in this section, the term "substantially similar offense" means
2464 any offense that is substantially similar in elements and

HB 7123

2006

penalties to one of those listed in this subparagraph, and that is in violation of a law of any other jurisdiction, whether that of another state, the District of Columbia, the United States or any possession or territory thereof, or any foreign jurisdiction; or

3. The court determines by clear and convincing evidence that continuing the parental relationship with the incarcerated parent would be harmful to the child and, for this reason, that termination of the parental rights of the incarcerated parent is in the best interest of the child.

~~(e) A petition for termination of parental rights may also be filed~~ When a child has been adjudicated dependent, a case plan has been filed with the court, and:

1. The child continues to be abused, neglected, or abandoned by the parents. In this case, the failure of the parents to substantially comply for a period of 12 months after an adjudication of the child as a dependent child or the child's placement into shelter care, whichever came first, constitutes evidence of continuing abuse, neglect, or abandonment unless the failure to substantially comply with the case plan was due either to the lack of financial resources of the parents or to the failure of the department to make reasonable efforts to reunify the parent and child. The ~~Such~~ 12-month period begins ~~may begin~~ to run only after the child's placement into shelter care or the entry of a disposition order placing the custody of the child with the department or a person other than the parent and the approval by the court of a case plan with a goal of reunification with the parent, whichever came first; or

HB 7123

2006

2493 2. The parent has materially breached the case plan by
2494 making it unlikely that he or she will be able to substantially
2495 comply with the case plan before the time for compliance
2496 expires. Because time is of the essence for permanency of
2497 children in the dependency system and, thus, in order to prove
2498 the parent has materially breached the case plan, the court must
2499 find by clear and convincing evidence that the parent is
2500 unlikely or unable to substantially comply with the case plan
2501 before time expires to comply with the case plan.

2502 (f) When the parent or parents engaged in egregious
2503 conduct or had the opportunity and capability to prevent and
2504 knowingly failed to prevent egregious conduct that threatens the
2505 life, safety, or physical, mental, or emotional health of the
2506 child or the child's sibling.

2507 1. As used in this subsection, the term "sibling" means
2508 another child who resides with or is cared for by the parent or
2509 parents regardless of whether the child is related legally or by
2510 consanguinity.

2511 2. As used in this subsection, the term "egregious
2512 conduct" means abuse, abandonment, neglect, or any other conduct
2513 of the parent or parents that is deplorable, flagrant, or
2514 outrageous by a normal standard of conduct. Egregious conduct
2515 may include an act or omission that occurred only once but was
2516 of such intensity, magnitude, or severity as to endanger the
2517 life of the child.

2518 (g) When the parent or parents have subjected the child to
2519 aggravated child abuse as defined in s. 827.03, sexual battery
2520 or sexual abuse as defined in s. 39.01, or chronic abuse.

HB 7123

2006

2521 (h) When the parent or parents have committed murder or
2522 voluntary manslaughter of another child, or a felony assault
2523 that results in serious bodily injury to the child or another
2524 child, or aided or abetted, attempted, conspired, or solicited
2525 to commit such a murder or voluntary manslaughter or felony
2526 assault.

2527 (i) When the parental rights of the parent to a sibling
2528 have been terminated involuntarily.

2529 (2) Reasonable efforts to preserve and reunify families
2530 are ~~shall~~ not be required if a court of competent jurisdiction
2531 has determined that any of the events described in paragraphs
2532 (1)(e)-(i) have occurred.

2533 Section 26. Subsection (1) of section 39.810, Florida
2534 Statutes, is amended to read:

2535 39.810 Manifest best interests of the child.--In a hearing
2536 on a petition for termination of parental rights, the court
2537 shall consider the manifest best interests of the child. This
2538 consideration shall not include a comparison between the
2539 attributes of the parents and those of any persons providing a
2540 present or potential placement for the child. For the purpose of
2541 determining the manifest best interests of the child, the court
2542 shall consider and evaluate all relevant factors, including, but
2543 not limited to:

2544 (1) Any suitable permanent custody arrangement with a
2545 relative of the child. However, the availability of a
2546 nonadoptive placement with a relative may not receive greater
2547 consideration than any other factor weighing on the manifest
2548 best interest of the child and may not be considered as a factor

HB 7123

2006

2549 weighing against termination of parental rights. If a child has
 2550 been in a stable or preadoptive placement for not less than 6
 2551 months, the availability of a different placement, including a
 2552 placement with a relative, may not be considered as a ground to
 2553 deny the termination of parental rights.

2554 Section 27. Subsection (4) of section 39.811, Florida
 2555 Statutes, is amended to read:

2556 39.811 Powers of disposition; order of disposition.--

2557 (4) If the child is neither in the custody of the
 2558 department nor in the custody of a parent and the court finds
 2559 that the grounds for termination of parental rights have been
 2560 established for either or both parents, the court shall enter an
 2561 order terminating parental rights for the parent or parents for
 2562 whom the grounds for termination have been established and
 2563 placing the child with the department or an appropriate legal
 2564 custodian. If the parental rights of both parents have been
 2565 terminated, or if the parental rights of only one parent have
 2566 been terminated and the court makes specific findings based on
 2567 evidence presented that placement with the remaining parent is
 2568 likely to be harmful to the child, the court may order that the
 2569 child be placed with a legal custodian other than the department
 2570 after hearing evidence of the suitability of the ~~such~~ intended
 2571 placement. Suitability of the intended placement includes the
 2572 fitness and capabilities of the proposed legal custodian to
 2573 function as the primary caregiver for a particular child; and
 2574 the compatibility of the child with the home in which the child
 2575 is intended to be placed. If the court orders that a child be
 2576 placed with a legal custodian under this subsection, the court

HB 7123

2006

2577 shall appoint a ~~such~~ legal custodian either as the guardian for
 2578 the child as provided in s. 744.3021 or s. 39.621 ~~or as the~~
 2579 ~~long-term custodian of the child as provided in s. 39.622 so~~
 2580 ~~long as the child has been residing with the legal custodian for~~
 2581 ~~a minimum of 6 months~~. The court may modify the order placing
 2582 the child in the custody of the legal custodian and revoke the
 2583 guardianship established under s. 744.3021 or another ~~the long-~~
 2584 ~~term custodial~~ relationship if the court subsequently finds the
 2585 placement to be no longer in the best interest of the child.

2586 Section 28. Paragraph (b) of subsection (3) of section
 2587 39.0015, Florida Statutes, is amended to read:

2588 39.0015 Child abuse prevention training in the district
 2589 school system.--

2590 (3) DEFINITIONS.--As used in this section:

2591 (b) "Child abuse" means those acts as defined in ss.
 2592 39.01(1), (2), (32), (42), (44), (55) ~~(30), (43), (45), (52),~~
 2593 and (66) ~~(63)~~, 827.04, and 984.03(1), (2), and (37).

2594 Section 29. Subsection (5) of section 39.205, Florida
 2595 Statutes, is amended to read:

2596 39.205 Penalties relating to reporting of child abuse,
 2597 abandonment, or neglect.--

2598 (5) If the department or its authorized agent has
 2599 determined after its investigation that a report is false, the
 2600 department shall, with the consent of the alleged perpetrator,
 2601 refer the report to the local law enforcement agency having
 2602 jurisdiction for an investigation to determine whether
 2603 sufficient evidence exists to refer the case for prosecution for
 2604 filing a false report as defined in s. 39.01(28) ~~s. 39.01(27)~~.

HB 7123

2006

During the pendency of the investigation by the local law enforcement agency, the department must notify the local law enforcement agency of, and the local law enforcement agency must respond to, all subsequent reports concerning children in that same family in accordance with s. 39.301. If the law enforcement agency believes that there are indicators of abuse, abandonment, or neglect, it must immediately notify the department, which must assure the safety of the children. If the law enforcement agency finds sufficient evidence for prosecution for filing a false report, it must refer the case to the appropriate state attorney for prosecution.

Section 30. Subsection (1) of section 39.302, Florida Statutes, is amended to read:

39.302 Protective investigations of institutional child abuse, abandonment, or neglect.--

(1) The department shall conduct a child protective investigation of each report of institutional child abuse, abandonment, or neglect. Upon receipt of a report that alleges that an employee or agent of the department, or any other entity or person covered by s. 39.01(33) or (46) ~~s. 39.01(31) or (47)~~, acting in an official capacity, has committed an act of child abuse, abandonment, or neglect, the department shall initiate a child protective investigation within the timeframe established by the central abuse hotline under ~~pursuant to~~ s. 39.201(5) and orally notify the appropriate state attorney, law enforcement agency, and licensing agency. These agencies shall immediately conduct a joint investigation, unless independent investigations are more feasible. When conducting investigations onsite or

HB 7123

2006

2633 having face-to-face interviews with the child, such
 2634 investigation visits shall be unannounced unless it is
 2635 determined by the department or its agent that the ~~such~~
 2636 unannounced visits would threaten the safety of the child. When
 2637 a facility is exempt from licensing, the department shall inform
 2638 the owner or operator of the facility of the report. Each agency
 2639 conducting a joint investigation is ~~shall be~~ entitled to full
 2640 access to the information gathered by the department in the
 2641 course of the investigation. A protective investigation must
 2642 include an onsite visit of the child's place of residence. In
 2643 all cases, the department shall make a full written report to
 2644 the state attorney within 3 working days after making the oral
 2645 report. A criminal investigation shall be coordinated, whenever
 2646 possible, with the child protective investigation of the
 2647 department. Any interested person who has information regarding
 2648 the offenses described in this subsection may forward a
 2649 statement to the state attorney as to whether prosecution is
 2650 warranted and appropriate. Within 15 days after the completion
 2651 of the investigation, the state attorney shall report the
 2652 findings to the department and shall include in the ~~such~~ report
 2653 a determination of whether or not prosecution is justified and
 2654 appropriate in view of the circumstances of the specific case.

2655 Section 31. For the purpose of incorporating the
 2656 amendments made by this act to section 39.806, Florida Statutes,
 2657 in a reference thereto, subsection (5) of section 39.802,
 2658 Florida Statutes, is reenacted to read:

2659 39.802 Petition for termination of parental rights;
 2660 filing; elements.--

HB 7123

2006

(5) When a petition for termination of parental rights is filed under s. 39.806(1), a separate petition for dependency need not be filed and the department need not offer the parents a case plan with a goal of reunification, but may instead file with the court a case plan with a goal of termination of parental rights to allow continuation of services until the termination is granted or until further orders of the court are issued.

Section 32. Subsection (1) of section 39.828, Florida Statutes, is amended to read:

39.828 Grounds for appointment of a guardian advocate.--

(1) The court shall appoint the person named in the petition as a guardian advocate with all the powers and duties specified in s. 39.829 for an initial term of 1 year upon a finding that:

(a) The child named in the petition is or was a drug dependent newborn as described in s. 39.01(32)(g) ~~s. 39.01(30)(g)~~;

(b) The parent or parents of the child have voluntarily relinquished temporary custody of the child to a relative or other responsible adult;

(c) The person named in the petition to be appointed the guardian advocate is capable of carrying out the duties as provided in s. 39.829; and

(d) A petition to adjudicate the child dependent under ~~pursuant to~~ this chapter has not been filed.

Section 33. Subsection (3) of section 63.092, Florida Statutes, is amended to read:

HB 7123

2006

63.092 Report to the court of intended placement by an adoption entity; at-risk placement; preliminary study.--

(3) PRELIMINARY HOME STUDY.--Before placing the minor in the intended adoptive home, a preliminary home study must be performed by a licensed child-placing agency, a child-caring agency registered under s. 409.176, a licensed professional, or agency described in s. 61.20(2), unless the adoptee is an adult or the petitioner is a stepparent or a relative. If the adoptee is an adult or the petitioner is a stepparent or a relative, a preliminary home study may be required by the court for good cause shown. The department is required to perform the preliminary home study only if there is no licensed child-placing agency, child-caring agency registered under s. 409.176, licensed professional, or agency described in s. 61.20(2), in the county where the prospective adoptive parents reside. The preliminary home study must be made to determine the suitability of the intended adoptive parents and may be completed prior to identification of a prospective adoptive minor. A favorable preliminary home study is valid for 1 year after the date of its completion. Upon its completion, a copy of the home study must be provided to the intended adoptive parents who were the subject of the home study. A minor may not be placed in an intended adoptive home before a favorable preliminary home study is completed unless the adoptive home is also a licensed foster home under s. 409.175. The preliminary home study must include, at a minimum:

- (a) An interview with the intended adoptive parents;
- (b) Records checks of the department's central abuse

HB 7123

2717 registry and criminal records ~~correspondence~~ checks under s.
 2718 39.0138 ~~pursuant to s. 435.045~~ through the Department of Law
 2719 Enforcement on the intended adoptive parents;
 2720 (c) An assessment of the physical environment of the home;
 2721 (d) A determination of the financial security of the
 2722 intended adoptive parents;
 2723 (e) Documentation of counseling and education of the
 2724 intended adoptive parents on adoptive parenting;
 2725 (f) Documentation that information on adoption and the
 2726 adoption process has been provided to the intended adoptive
 2727 parents;
 2728 (g) Documentation that information on support services
 2729 available in the community has been provided to the intended
 2730 adoptive parents; and
 2731 (h) A copy of each signed acknowledgment of receipt of
 2732 disclosure required by s. 63.085.
 2733
 2734 If the preliminary home study is favorable, a minor may be
 2735 placed in the home pending entry of the judgment of adoption. A
 2736 minor may not be placed in the home if the preliminary home
 2737 study is unfavorable. If the preliminary home study is
 2738 unfavorable, the adoption entity may, within 20 days after
 2739 receipt of a copy of the written recommendation, petition the
 2740 court to determine the suitability of the intended adoptive
 2741 home. A determination as to suitability under this subsection
 2742 does not act as a presumption of suitability at the final
 2743 hearing. In determining the suitability of the intended adoptive
 2744 home, the court must consider the totality of the circumstances

in the home. No minor may be placed in a home in which there resides any person determined by the court to be a sexual predator as defined in s. 775.21 or to have been convicted of an offense listed in s. 63.089(4)(b)2.

Section 34. Paragraph (b) of subsection (3) of section 409.165, Florida Statutes, is amended to read:

409.165 Alternate care for children.--

(3) With the written consent of parents, custodians, or guardians, or in accordance with those provisions in chapter 39 that relate to dependent children, the department, under rules properly adopted, may place a child:

(b) With an adult nonrelative approved by the court for permanent guardianship ~~long-term custody~~;

under such conditions as are determined to be for the best interests or the welfare of the child. Any child placed in an institution or in a family home by the department or its agency may be removed by the department or its agency, and such other disposition may be made as is for the best interest of the child, including transfer of the child to another institution, another home, or the home of the child. Expenditure of funds appropriated for out-of-home care can be used to meet the needs of a child in the child's own home or the home of a relative if the child can be safely served in the child's own home or that of a relative if placement can be avoided by the expenditure of such funds, and if the expenditure of such funds in this manner is calculated by the department to be a potential cost savings.

Section 35. Paragraph (d) of subsection (1) of section

HB 7123

2006

2773 419.001, Florida Statutes, is amended to read:

2774 419.001 Site selection of community residential homes.--

2775 (1) For the purposes of this section, the following
2776 definitions shall apply:

2777 (d) "Resident" means any of the following: a frail elder
2778 as defined in s. 400.618; a physically disabled or handicapped
2779 person as defined in s. 760.22(7)(a); a developmentally disabled
2780 person as defined in s. 393.063; a nondangerous mentally ill
2781 person as defined in s. 394.455(18); or a child who is found to
2782 be dependent or a child in need of services as defined in s.
2783 39.01(14), s. 984.03(9) or (12), or s. 985.03(8).

2784 Section 36. Sections 39.601, 39.622, 39.623, 39.624, and
2785 435.045, Florida Statutes, are repealed.

2786 Section 37. This act shall take effect July 1, 2006.

22 ~~completion of construction.~~

23 (8) "Service" means delivery by certified mail, return
24 receipt requested, to the last known address of the addressee.

25 (9) "Subcontractor" means a person, as defined in s. 1.01,
26 who is a contractor who performs labor and supplies material on
27 behalf of another contractor in the construction or remodeling
28 of real property ~~a dwelling~~.

29 (10) "Supplier" means a person, as defined in s. 1.01, who

32 Section 3. Subsections (1), (2), (3), (4), (5), (8), (9),
33 and (14) of section 558.004, Florida Statutes, are amended to
34 read:

35 558.004 Notice and opportunity to repair.--

36 (1) In actions brought alleging a construction defect, the
37 claimant shall, at least 60 days before filing any ~~an~~ action
38 ~~involving a single family home, an association representing 20~~
39 ~~or fewer residential parcels, a manufactured or modular home, a~~
40 ~~duplex, a triplex, or a quadruplex~~, or at least 120 days before
41 filing an action involving an association representing more than
42 20 parcels ~~residential parcel owners~~, serve written notice of
43 claim on the contractor, subcontractor, supplier, or design
44 professional, as applicable, which notice shall refer to this
45 chapter. If the construction defect claim arises from work
46 performed under a contract, the written notice of claim must be
47 served on the person with whom the claimant contracted. The
48 notice of claim must describe the claim in reasonable detail
49 sufficient to determine the general nature of each alleged
50 construction defect and a description of the damage or loss

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1 (for drafter's use only)

51 resulting from the defect, if known. The claimant shall endeavor
52 to serve the notice of claim within 15 days after discovery of
53 an alleged defect, but the failure to serve notice of claim
54 within 15 days does not bar the filing of an action, subject to
55 s. 558.003. This subsection does not preclude a claimant from
56 filing an action sooner than 60 days, or 120 days as applicable,
57 after service of written notice as expressly provided in
58 subsection (6), subsection (7), or subsection (8).

59 (2) Within 30 days after receipt of the notice of claim
60 ~~involving a single family home, an association representing 20~~
61 ~~or fewer residential parcels, a manufactured or modular home, a~~
62 ~~duplex, a triplex, or a quadruplex,~~ or within 50 days after
63 receipt of the notice of claim involving an association
64 representing more than 20 ~~residential~~ parcels, the person
65 receiving the notice of claim under subsection (1) is entitled
66 to perform a reasonable inspection of the property dwelling or
67 of each unit subject to the claim to assess each alleged
68 construction defect. An association's right to access property
69 for either maintenance or repair includes the authority to grant
70 access for the inspection. The claimant shall provide the person
71 receiving the notice under subsection (1) and such person's
72 contractors or agents reasonable access to the property dwelling
73 during normal working hours to inspect the property dwelling to
74 determine the nature and cause of each alleged construction
75 defect and the nature and extent of any repairs or replacements
76 necessary to remedy each defect. The person receiving notice
77 under subsection (1) shall reasonably coordinate the timing and
78 manner of any and all inspections with the claimant to minimize
79 the number of inspections. The inspection may include

destructive testing by mutual agreement under the following reasonable terms and conditions:

(a) If the person receiving notice under subsection (1) determines that destructive testing is necessary to determine the nature and cause of the alleged defects, such person shall notify the claimant in writing.

(b) The notice shall describe the destructive testing to be performed, the person selected to do the testing, the estimated anticipated damage and repairs to the property dwelling resulting from the testing, the estimated amount of time necessary for the testing and to complete the repairs, and the financial responsibility offered for covering the costs of repairs.

(c) If the claimant promptly objects to the person selected to perform the destructive testing, the person receiving notice under subsection (1) shall provide the claimant with a list of three qualified persons from which the claimant may select one such person to perform the testing. The person selected to perform the testing shall operate as an agent or subcontractor of the person receiving notice under subsection (1) and shall communicate with, submit any reports to and be solely responsible to the person receiving notice.

(d) The testing shall be done at a mutually agreeable time.

(e) The claimant or a representative of the claimant may be present to observe the destructive testing.

(f) The destructive testing shall not render the property dwelling uninhabitable.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1 (for drafter's use only)

109 In the event the claimant fails or refuses to agree to
110 destructive testing, the claimant shall have no claim for
111 damages which could have been avoided or mitigated had
112 destructive testing been allowed when requested and had a
113 feasible remedy been promptly implemented.

114 (3) Within 10 days after receipt of the notice of claim
115 ~~involving a single family home, an association representing 20~~
116 ~~or fewer residential parcels, a manufactured or modular home, a~~
117 ~~duplex, a triplex, or a quadruplex,~~ or within 30 days after
118 receipt of the notice of claim involving an association
119 representing more than 20 ~~residential~~ parcels, the person
120 receiving the notice under subsection (1) may forward a copy of
121 the notice of claim to each contractor, subcontractor, supplier,
122 or design professional whom it reasonably believes is
123 responsible for each defect specified in the notice of claim and
124 shall note the specific defect for which it believes the
125 particular contractor, subcontractor, supplier, or design
126 professional is responsible. Each such contractor,
127 subcontractor, supplier, and design professional may inspect the
128 property dwelling as provided in subsection (2).

129 (4) Within 15 days after receiving a copy of the notice of
130 claim pursuant to subsection (3) ~~involving a single family home,~~
131 ~~an association representing 20 or fewer residential parcels, a~~
132 ~~manufactured or modular home, a duplex, a triplex, or a~~
133 ~~quadruplex,~~ or within 30 days after receipt of the copy of the
134 notice of claim involving an association representing more than
135 20 ~~residential~~ parcels, the contractor, subcontractor, supplier,
136 or design professional must serve a written response to the
137 person who forwarded a copy of the notice of claim. The written
138 response shall include a report, if any, of the scope of any

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1 (for drafter's use only)

139 inspection of the property dwelling, the findings and results of
140 the inspection, a statement of whether the contractor,
141 subcontractor, supplier, or design professional is willing to
142 make repairs to the property dwelling or whether such claim is
143 disputed, a description of any repairs they are willing to make
144 to remedy the alleged construction defect, and a timetable for
145 the completion of such repairs.

146 (5) Within 45 days after receiving the notice of claim
147 ~~involving a single family home, an association representing 20~~
148 ~~or fewer residential parcels, a manufactured or modular home, a~~
149 ~~duplex, a triplex, or a quadruplex,~~ or within 75 days after
150 receipt of a copy of the notice of claim involving an
151 association representing more than 20 ~~residential~~ parcels, the
152 person who received notice under subsection (1) must serve a
153 written response to the claimant. The response shall be served
154 to the attention of the person who signed the notice of claim,
155 unless otherwise designated in the notice of claim. The written
156 response must provide:

157 (a) A written offer to remedy the alleged construction
158 defect at no cost to the claimant, a detailed description of the
159 proposed repairs necessary to remedy the defect, and a timetable
160 for the completion of such repairs;

161 (b) A written offer to compromise and settle the claim by
162 monetary payment, that will not obligate the person's insurer,
163 and a timetable for making payment;

164 (c) A written offer to compromise and settle the claim by
165 a combination of repairs and monetary payment, that will not
166 obligate the person's insurer, that includes a detailed
167 description of the proposed repairs and a timetable for the
168 completion of such repairs and making payment;

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1 (for drafter's use only)

(d) A written statement that the person disputes the claim and will not remedy the defect or compromise and settle the claim; or

(e) A written statement that a monetary payment, including insurance proceeds, if any, will be determined by the person's insurer within 30 days after notification to the insurer by means of forwarding the claim, which notification shall occur at the same time the claimant is notified of this settlement option, which the claimant can accept or reject. A written statement under this paragraph may also include an offer under paragraph (c), but such offer shall be contingent upon the claimant also accepting the determination of the insurer whether to make any monetary payment in addition thereto. If the insurer for the person receiving the claim makes no response within the 30 days following notification, then the claimant shall be deemed to have met all conditions precedent to commencing an action.

(8) If the claimant timely and properly accepts the offer to repair an alleged construction defect, the claimant shall provide the offeror and the offeror's agents reasonable access to the claimant's property ~~dwelling~~ during normal working hours to perform the repair by the agreed-upon timetable as stated in the offer. If the offeror does not make the payment or repair the defect within the agreed time and in the agreed manner, except for reasonable delays beyond the control of the offeror, including, but not limited to, weather conditions, delivery of materials, claimant's actions, or issuance of any required permits, the claimant may, without further notice, proceed with an action against the offeror based upon the claim in the notice of claim. If the offeror makes payment or repairs the defect

199 within the agreed time and in the agreed manner, the claimant is
200 barred from proceeding with an action for the claim described in
201 the notice of claim or as otherwise provided in the accepted
202 settlement offer.

203 (9) This section does not prohibit or limit the claimant
204 from making any necessary emergency repairs to the property
205 ~~dwelling~~ as are required to protect the health, safety, and
206 welfare of the claimant. In addition, any offer or failure to
207 offer pursuant to subsection (5) to remedy an alleged
208 construction defect or to compromise and settle the claim by
209 monetary payment does not constitute an admission of liability
210 with respect to the defect and is not admissible in an action
211 brought under this chapter.

212 (14) To the extent that an arbitration clause in a
213 contract for the sale, design, construction, or remodeling of
214 real property ~~a dwelling~~ conflicts with this section, this
215 section shall control.

216 Section 4. Section 558.005, Florida Statutes, is amended
217 to read:

218 558.005 Contract provisions; application.--
